

The persecuted, slaughtered Palestinians are the Israelites. The vicious bloodthirsty Israeli Zionazis are Pharaoh's Egypt. During God's plagues upon Egypt, 36 1/2 centuries ago, God brought great destruction to Pharaoh's Egypt in order to free the Israelites from Egyptian bondage. The ancient Israelites were not being genocided; they were being enslaved.

Every minute that I can keep my mind aware of God's invisible presence in and around all of us, I will lament, I will mourn, I will grieve in prayer to God, over the bloody genocide against the Palestinian people by the Israeli Zionazis, who do not idolize Adolph Hitler, but they certainly are possessed by the same demonic spirits which possessed Adolph Hitler. The vicious malicious murderous emotions gripping the Israeli Zionazis is indicative of the demonic spirit of Satan, the devil, who possesses their diabolical Zionazi souls.

Dear God, strike these Israeli Zionazi devils with earthquakes, with lightning bolts, with meteor strikes. Strike them, if that is the only way to stop them, for they refuse to listen to the God of Israel! Liberate Your chosen people, the Palestinians, from Satan's Zionazi afflictions. Spiritually inspire the Palestinians and all your chosen righteous compassionate Jews and Gentiles in Israel and throughout the World. Inspire them to dedicate their awareness to your invisible Loving presence and to *listen* for your silent call for love between You and all of your people: Jews, Gentiles, Arabs, Black, White, Asian, all peoples . . . all whom your Love has created.

Amen
