

It is vitally important to recognize that supreme leader of the global ruling elite Albert Pike stated (in 1871) that they would create three world wars, the third of which would disintegrate the sovereignty of nations in order to usher in their one-world tyranny.

This airbus crash was one in a long litany of perfidious operations throughout the past century-and-a-half to steer the course of their plot to consolidate their dictatorship over all of humankind.

Both of these spectacular false flag attacks were perpetrated to intimidate the governments of three prominent European nations: Germany, Spain, and France. JD
