

Revelation 12:1, and the only direct timing information that Haniel has received<sup>37</sup>, though there is room for ambiguity.

I believe Father requires us to use His calendar as described in Leviticus decoding prophecy. If you believe that prophecy is given to be fulfilled in the Gregorian calendar, then I should have plotted orbits for autumn 2012 or perhaps even later years; but only 2011/2012 fits the prophecy given to Haniel; 2011, 2012, or maybe 2013 fits the best interpretation of Daniel's visions that I have; and only 2011/2014 has the right astronomical configuration to satisfy Revelation 12. Gregorian 2011 CE is the only common year. For those of you who are fixated on the year 2012 because it correlates with the Mayan end of the age, note that not every expert on the Mayan calendar agrees that the important date is 12-21-2012.<sup>38</sup> Calleman states that the Mayan end of age should be celebrated on 28 October 2011 which is 30 Tishri 5772, just a few days after the end of the Feast of Tabernacles 5772 (13-22 October counting the trailing Sabbath). A significantly later year might be satisfactory as long as we come up with a different interpretation for the Book of Haniel 5-20-02; an appropriate alignment for the Revelation 12 configuration; and a different and consistent interpretation for Daniel 8, 11, 12 as described in Appendix 4.

The Destroyer is now past perigee, and outbound to the stars (in Model Time, 8 October 2011, 10 Tishri 5772) for another 4300 year deep freeze.

As a reminder of how the Moedim might be useful in "decoding" the events around perigee/perihelion, remember that the Jews begin preparing for Yom Teruah 30 days before Rosh Hashanah, and then there are 10 full days of High Holy Day observances from Yom Teruah through Yom Kippur (Day of Atonement) called "The Days of Awe". Thirty days of "run up" sounding the alert with trumpets (shofar), then ten days of Judgment. Isn't it interesting that the Destroyer might just become visible at its perihelion 30 days before perigee, and that the worst effects of the perigee passage will result in 10 days of awesome physical events including cosmic impact, massive tides, and massive Earth changes?

**4. The Vials of Wrath ... we must remember the tail of the dragon.** We were bitten badly by its mouth as we entered the first layers of its "shell", crushed (literally) by its belly near perigee, and now we must face the tail.<sup>39</sup>

*<sup>1</sup>Then I heard a loud voice from the temple telling the seven angels, "Go and pour out on the earth the seven bowls of the wrath of God." <sup>2</sup>So the first angel went and poured out his bowl on the earth, and harmful and painful sores came upon the people who bore the mark of the beast and worshiped its image. <sup>3</sup>The second angel poured out his bowl into the sea, and it became like the blood of a corpse, and every living thing died that was in the sea. <sup>4</sup>The third angel poured out his bowl into the rivers and the springs of water, and they became blood. <sup>5</sup>And I heard the angel in charge of the waters say,*

of knowing when Israel would become a nation or when Israel would gain political control of the Temple Mount in Jerusalem. It's easier to work backward to an answer when you know a *critical part* of the answer.

<sup>37</sup> Book of Haniel 5-20-02 ... THERE WILL BE A TIME OF GREAT TRIALS ... EVIL UPON EVIL ... SIN UPON SIN ... TRIALS UPON TRIALS ... SEVEN UPON SEVEN ... THEN SHALL IT COME TO PASS ... TEN TIMES YOUR YEAR WILL END ... **WITH THE END OF THE TENTH YEAR ... MY JUDGMENT WILL COME**
