

~~ Charge Glenn Beck With Inciting Nuclear War! ~~

In the following nationwide presentation, Netanyahu's tacit U.S. propaganda minister, Glenn Beck, defames, blames, and proliferates flagrant lies against Arabs and Islam. As a Christian, I harbor no partiality toward Islam; however, I object to war-mongering lies, especially when those lies militate directly toward global nuclear war between the United States and Russia, with mad dog Netanyahu declaredly wanting to attack Iran -- and we all know that Israel's nuclear missiles are quite likely to be launched. This means that the Israeli population will be incinerated, along with the Iranian and Syrian populations. In addition to nuclear strikes upon Damascus, Tehran, Moscow, and Tel Aviv, there will likely be nuclear missile strikes upon Los Angeles, Chicago, Houston, New York, and Atlanta. Now, skeptics might try to discredit the war-triggering efficacy of this Glenn Beck hate/fear propaganda presentation, but please consider the fact that Glenn Beck and his C.I.A. handler, Buck Sexton, along with his attractive mouthpieces, Dana Loesch and Sara Carter, have been propagandizing for hatred and fear against Arabs and against Islam in a seemingly endless litany of high profile televised assaults for years, now. More important, consider the fact that the most influential and effective segment of the American people -- the ramified, politically energetic and sincere Tea Parties -- constitute the majority of Glenn Beck's vast radio and television subscribership. By deceitfully convincing this dynamic American constituency that Arabs and Islam are committing wholesale atrocities throughout the Middle East, and are now infiltrating the United States, the C.I.A.'s Glenn Beck is the key tipping force that inhibits the rational psyche of the American people from challenging the diabolical and unbridled war-mongering chutzpah of Netanyahu's Israeli Mossad/C.I.A., now startling the eyes-wide-shut consciousness of the American People, and that of the peoples of all nations with the no-longer-subtle realization: that you and I, and all of humankind are about to be incinerated in an insane global nuclear holocaust! Glenn Beck's C.I.A. handler, Buck Sexton, propagates hate-inducing lies against Arabs and Islam, in a sinister attempt to deflect the true culpability for the ISIS scourge away from the C.I.A./IsraeliMossad and onto the victimized Arab people. John DiNardo

The following reports document several examples of the oligarchic media's many lies -- lies which corporate stooges Glenn Beck, Dana Loesch, and Sara Carter are ordered by their C.I.A. handlers to propagate as a way to manipulatively instill primal hatred and fear in the unsuspecting listener's psyche, which is a common tactic used by demagogic war-mongers such as Adolph Hitler and George Herbert Walker Bush. In manipulating their psyches, Glenn Beck is betraying the Americans who have trusted in his enticing invocations of patriotic fervor, and as their pied piper, he is leading so many young volunteering Americans to their deaths and into lifetimes

of physical and psychological disfigurement. When the people are methodically conditioned to hate and fear enemies targeted by the war-mongering ruling elite, then that hatred and fear subverts God's conscience within them, and it makes them murder and torture, as they then become Satan's chattel. This is why Glenn Beck is such a destructive demagogue. He defiles men's and women's souls.

In lieu of the researched evidence which I have not time to obtain today, I will state in advance that it is a fact that C.I.A. shrinks hypnotize and traumatize innocent Afghan goat herders in U.S. Army torture chambers at the Guantanamo Base in Cuba. Why? Because this is how the C.I.A. transforms innocent Afghan teenagers into fiendish ISIS terrorists!

Glenn Beck's lies include fear-instilling reports of beheadings. Well, here is the truth regarding those fear-mongering reports of beheadings. JD

Glenn Beck's tacit C.I.A. spokesperson Dana Loesch defends the C.I.A.'s indefensible crimes against humanity, namely, those of extensive torture, which are plainly egregious violations of the Geneva Convention's anti-naziistic principles prohibiting war criminality. Herein, Glenn Beck's mouthpiece, Dana Loesch, flauntingly and flagrantly showcases the C.I.A.'s own propaganda organ, "The NATIONAL REVIEW," in an attempt to deceive Beck's massive American subscribership, who represent the politically active and influential Tea Parties all across America. Glenn Beck's C.I.A. handler, Buck Sexton, declares his position with the Central Intelligence Agency (documentably, an arm of the Skull & Bones Secret Society, and not a legitimately operating agency of the United States Federal Government), and, by implication, Sexton also shows that he is connected with Israeli Mossad by his declared C.I.A. affiliation with the New York City Police Department, which is proven to be suborned under the Zionist ex-Mayor Michael Bloomberg and under the Israeli Mossad secret operations agency. An Israeli soldier has testified to the fact that some New York City police officers are sent to Israel to undergo brutal population-repression training by the sinister Shin Bet and Mossad Israeli Government terrorist agencies. I personally know a high-ranking New York City police official who was sent to Israel on police business for a stay, and I suspect it was for brutal population repression training. JD

An array of war crimes charges against Glenn Beck's superior, the mad dog Netanyahu, who threatens to nuclearly incinerate humankind, which obviously includes his own people, all of the World's Jews. JD
