

The 911 attacks have shown that when the government executed an attack drill at the World Trade Center on the morning of Sept. 11th, the planes then struck the Twin Towers. So, we know that the criminals who have seized our government use the drill scenario to perpetrate their "attacks on America." . . . Tomorrow, the U.S. government will execute yet another drill -- a nationwide power blackout drill. I'm buying non-perishable foods, and storing water in bottles from my local recycling center. I've already checked out my emergency generator. JD Chinese Troops are here for the nationwide power BlackOut drill ! Will this blackout drill become real, with Chinese troops storming our streets?
