

Throughout our lives, we have been thoroughly deceived by the ruling elite's mass media -- yet by gradually studying the evidence, we can know the truth, which will set us free from that global "scientific dictatorship" which is already closing in around us, like an iron fist disguised inside a velvet glove. Just view this one piece of evidence out of thousands more all around us, much of it emanating from scholars who have been shut out of the mass media. To parasitically feed off of the population while soothing us, their victims, and then to exterminate most of us . . . that is the goal of what is termed "the scientific dictatorship" who really rule the nations of this world. Hitler was an underling of this global ruling elite's long term ethnic extermination program. And today, the super Nazis -- who never failed, but who returned to the United States, Britain, and yes, to Israel, too . . . these super Nazis consider you and me, white, black, asian, gentile and jew . . . all of us are not only marked for extermination, but we are all currently being silently, soothingly processed in an ongoing multi-layered, multifaceted extermination program of slow mass death by air, water, food, injection, biologics, and electromagnetics. The gas chambers at Auschwitz could never have been so deceptively and benignly anesthetizing as the colorfully veiled world of horrors in which the elite rulers are now euthanizing us! John DiNardo
