Dear Jackie,

Would you please start posting some of the many videos and print reports which absolutely prove that the diabolical Zionazi ruling elite, the Rothschild banking family, and the rest of the Council on Foreign Relations wealthy ruling elite actually planned and perpetrated the attacks on the World Trade Center, incinerating 3,000 people, and then used that false flag attack to launch massive slaughter in the Middle East for the past thirteen years. They created the Taliban; they created the Mujahadin; they created Hamas (yes, there is much proof that Netanyahu and the Zionazi ruling elite created and always order Hamas; why? to keep the pot of terrorism boiling, so that they can use terrorism as an excuse to send our sons into the Middle East, and be killed while killing literally millions of civilians and toppling Arab governments. Have you not heard of the Zionazi ruling elite's "Greater Israel" program, which has been planned and executed ever since its conception in the 1960s?? Do you not know that ISIS was created by USrael and that we have videos of ISIS soldiers being harbored, fed and medically treated in Israel? Do you not ever wonder why ISIS and the Taliban never attack Israel, and why Hamas feebly attacks Israel only when the Zionazi ruling elite decide that it's time to test their new weaponry and to unload their arsenal of bombs and missiles on helpless women and children in order to stimulate weapons sales by the Zionazi and American weapons corporations (e.g. Raytheon, General Electric, et al). These Israeli and American weapons merchants are just that!! They are diabolical MERCHANTS! Do you not understand that merchants lust for profits?? Do you not understand that merchants cannot sell their merchandise unless they clear their shelves of their buildup of INVENTORY?? Do you not understand that this slaughter in the Middle East is centered around vast weapons sales and oil sales? Do you comprehend how many billions of gallons of overpriced oil is bought by you and me, the victimized, war-weary taxpayers? So, as Marine Corps General Smedley Butler proclaimed many decades ago:
___ "WAR IS A RACKET!" Go to YouTube and start educating your entire

mailing list with the true reason why the Iranians are forced to militarize -- because the diabolical Zionazi madman, Netanyahu, desires the next U.S. president to attack Iran, which will trigger nuclear World War III, because Russia will not tolerate any further invasion by the devil-worshipping, Skull&Bones/Freemasonic secret society's satanic bosses over the U.S. and Israel in slaughtering and seizing control of the entire Middle East, which was the declared plan of Albert Pike and Giuseppe Mazzini way back in 1871, when they wrote that they would instigate and perpetrate three world wars, the last of which would be so destructive that the entire bloodied world would cry out for a One-World ruler, a man of peace, whom God the Son called the Antichrist. If you DO understand all to which I have referred, would you now get in motion and start posting these aforementioned and vital truths to your list, and also start proliferating these truths on Twitter. People who love God need you, Jackie, but we reject you as one who deviates from the truth that will set God's people free. So, change course away from your well-meaning lies and onto the truth which is all foretold in God's Word. . . Please view this entire 48 minutes that will inspire your journey onto the path of truth. The last ten minutes of this video are especially important to you, to me, and to all Americans who hate to be militarily oppressed by brutal Israeli soldiers on America's streets, and who would hate to be abused like the poor Palestinians whom these Israeli soldiers sadistically kill, torture, and maim.
