

Glenn Beck is an obvious stooge for the international criminal banksters. We all must out Glenn Beck and show the millions of libertarians, whom he is back-stabbing, that although he carries our favor on constitutionality, he covers the butts of the criminal banksters whom we all know are raping and pillaging our economy. This big Beck lie is timed to divert public outrage away from the criminal banksters and toward Russia and China, who are enemies of freedom, but who are verifiably *not* the culprits in this coming banker-plotted economic crash.
