-- Obama Confesses to Drone Murders of U.S. Citizens --
Bill Bledsoe, on June 4, 2013, commenting on the article linked below, said:

"In a speech to the National Defense University on May 23, 2013, Obama admitted that he ordered the murder of 6 Americans.

This is a crime that any other mobster from Chicago, or you, or I, would have been in jail immediately for if we went on national TV and admitted we ordered the murder of Americans.

Obama admitted he gave the orders. Obama said, "And as president, I would have been derelict in my duty had I not authorized the strike that took him out."

Obama authorized the strikes that "took out:"

26 year old Marine Staff Sergeant Jeremy Smith;

23 year old Navy Hospitalman Benjamin D. Rast;

16 year old Abdulrahman Anwar al-Awlaki from Denver, Colorado;

20 year old Jude Kenan Mohammad from Florida and North Carolina;

25 year old Samir Khan from North Carolina and New York City;

40 year old Anwar Al-Awlaki from New Mexico and Colorado;

Sergeant Smith's father viewed the video of his son's murder and was stunned. he said, "You couldn't even tell they were human beings, just blobs."
