

Our survival requires that we expose the diabolical ruling elite Zioneo-con humanicide conspirators by studying this video evidence, and by distributing it. You must view this entire 48-minute documentary, and then distribute it to thousands of peaceful Arabs whom they falsely label as terrorists. This video documentary proves that the actual terrorists are these diabolical ruling elite who perpetrated the World Trade Center demolitions, using pre-planted explosives and microwave weapons [scientifically documented by Dr. Judy Wood]. You see, USrael's dual "Military-Industrial Complex" needs to test their super weapons before selling them to other governments. As my video, below, testifies, Netanyahu's several slaughters of thousands of Palestinians was for the purpose of testing USrael's weapons for sales around the World. We must strive to disseminate this horrible truth of their planned nuclear holocaust, because these ruling devils are now plotting to nuclear-holocaust the Arab nations, the nation of Israel, the United States, Britain -- the World. I have repeatedly presented evidence showing that they are planning to go underground and into near space, temporarily, before triggering nuclear war by attacking Iran, knowing that Russia will retaliate, and knowing that the ensuing East-West exchange will go nuclear. That evidence is in my second video documentary, below. Do you live near Los Angeles, Houston or New York? If so, you will be incinerated within their mushroom clouds. The rest of humankind will die of leukemia and other diseases, and from famine, dehydration, exposure, etc. And that is how these ruling elite devils plan to carry out their promise to exterminate twelve out of every thirteen human beings from all of humankind -- just as they have so declared in granite, inscribed on their mysteriously erected "Georgia Guidestones"

Do Nothing, and You are Choosing to Die!
