\_// Now, back to what appears to be a January 31st Attack-on-  
\_// America plot (again, I do not know in which year it is  
\_// intended). In the movie, "Back To The Future, Part III," not  
\_// only is the side of the lead (signifying rulership) train, the  
\_// engine, emblazoned with a white-on-black number "1 3 1"  
\_// and a caricature-like swirling design which appears to be the  
\_// infamous Owl of blood sacrifice to their god, Molech -- but  
\_// also . . . for several seconds you see Doc at the front of this  
\_// racing train engine (catapulting us into the future by way of  
\_// catastrophe), and right near Doc's head you see a black  
\_// circular concave section at the base of the smokestack, with  
\_// the notorious Illuminati Pyramid, located near the bold white-  
\_// on-black number 1 3 1.

\_ Link #1 in this report displays a YouTube clip that someone  
crudely recorded with a camera and microphone pointed at their  
TV, because the DVD's copyright protection prevents the  
normal means of copying clips. In that video clip, the following  
words were spoken in the movie "Back to the Future, Part III,"  
which was scripted in 1989.

\_\_ Doc says:

"Hopefully, we'll hit 88 miles per hour before the needle gets  
one past 2000."

\_\_ Then Marty McFly queries:

"Why? What happens after it hits 2000?"

\_\_ Then Doc says:

"The whole motor will explode."

This would signify the future explosions of the World Trade  
Center's Twin Towers, indicating that the scriptwriter, Bob Gale  
was given these lines by one of the Illuminati conspirators in the  
9-11-01 attacks, just as Chris Carter, a scriptwriter for the X-

Files television series, was given a script involving airplanes crashing into the World Trade Center, and this "Lone Gunmen" episode was broadcast months before the actual attack on the World Trade Center occurred. At link #3 in this report, evidence shows that Benjamin Netanyahu was one of the 911 attack conspirators.

Link #1: Explosions in 2001 were Foretold in the 1990 movie, "Back to the Future, Part III," scripted in 1989

On YouTube and on Vimeo, many astute researchers have posted revealing video analyses of the Illuminati's clandestine signals which they typically and historically implant in popular public exhibits, which, in an earlier age, were heralded published works and famous monuments, so that the masses would be widely exposed to, and yet oblivious to, their clever "in-your-face" private jokes foretelling each of their many diabolical future plots (e.g. war provocations by false flag attacks, financial collapses, coups [both brutal and sublime], assassinations) concocted to further enrich and empower themselves, to the devastation of the people.

For example, David Icke states (at video Link #2 below) that the famous Statue of Liberty in New York harbor has been, for generations, perceived by the masses to be a symbol declaring that America is "the land of the free":

— "Give Me Your Poor, Your Tired, Your Huddled Masses,  
Yearning to Breathe Free." . . .

However, David Icke goes on to explain that this is a sadistic joke which these Satan-worshipping devils had foisted upon generations of Americans, even to this day. The Statue of Liberty is cryptically and symbolically ridiculing our inferior intellect and our de facto enslavement -- and by this symbol, these elite presume themselves to be intellectually superior to our "huddled masses," because they worship Satan, and hence, they receive, from that invisible superhuman entity, superhuman powers. Therefore, they believe that this pseudo superiority gives them the right to exterminate us. Yet, this power which Satan gives to these elite rulers -- in exchange for their blood sacrifices of children to him -- is real, for the great Apostle to the

Son of God, Paul, wrote that "Satan is the [temporary] god of this world," And this god of our rulers seeks worship from, and hence the deaths of, human beings. Angels, both good and evil, are, intellectually and physically, far superior to mere mortals. Yet, evil angels lack our divine connection to GOD, the Creator of both mortals and angels. And so, if we would rise above our blindness to GOD's continual invisible supreme and loving presence within us, then the blood sacrifices of children, and the sacrificial massacres, and the sacrificial holocausts, all of which our Satan-worshipping rulers have been spiritually compelled to commit, throughout the history of civilizations, would cease, and then, we would "beat our swords into ploughshares" -- and nations would lie down in peace together. Well, that is not what Satan's One-World dictatorship is now forcing upon the human race; quite the opposite!

In this video, David Icke goes on to say that the famous Statue of Liberty in New York harbor is a sadistic joke on us all, because what the satanic French Freemasons from Paris were cryptically saying in that inscription was,

"We Rule Over You. We're Flaunting Our Rulership Over You, and You are Proving Your Inferiority by Remaining Blind, for Generations, as to the True Meaning of that Inscription."

In the 1980s movies, "Back to the Future, Parts II and III, our shadow rulers again throw in our faces their plot to install President Obama, their plot to perpetrate the World Trade Center holocaust, their plot to rebuild the Twin Towers into one Tower (symbolizing their coming One-World Dictatorship), their plot to install President Trump . . . and now, by GOD's will, not fortuitously, I happened to turn on the television several nights ago . . . and I never watch movie channels, but I just happened to land on "Back to the Future III". During the action train ride scene in this movie, it appears that our mischievous elite rulers have implanted symbolic clues which foretell of some great disaster that is planned for January 31st. I don't know whether the year in which this disaster is plotted will be 2017, 2018, or beyond. You can rent the DVD of that movie, and study it for these hidden symbols. In several scenes of the old-fashioned train engine, the number 131 is printed in three places in white on a black background, in accordance with the notable satanic practice of contrasting white with black, as in TV extravaganza's

featuring Madonna, Britney Spears, Christina Aguilera, and with the black and white checkerboard floor of the Masonic hall which is shown in the History Channel's presentation of "Secret Societies" (Link #2, below). Symbolizing the fact that the men of the Illuminati stand at the gateway to America's "World Trade Center" (just as the Statue of Liberty stands at the gateway to the center of world trade, which is New York City) this train engine (symbolizing the ruling elite at the head of humankind) displays, on the side of the engine, the number 1 3 1, in white letters on a black background.

This black-and-white contrast is occultly symbolic of "the yin and the yang," which is itself symbolic of the coexistence of good and evil, originating in GOD's Garden of Eden wherein GOD admonished then-perfect man \*not\* to "eat from the tree of the knowledge of good and evil". Again, in our evil ruling elite's repeated cloaked references to the coexistence of good and evil, President George W. Bush, as you recall, gave at least one highly publicized \*United Nations\* speech, right after the elite's attacks on the World Trade Center, in which he was scripted to specifically and cryptically state that good coexists with evil.

It appears that the bold white number 131, on the dominantly large black background on the side of the train, is the Illuminati's characteristically cryptic advance warning of a plot for wholesale slaughter, just as their 9 1 1 advance warning sign was displayed in white light on the dominantly black background of a dark night at the beginning of the movie "Back to the Future, Part III". I believe that these two displays of the dominance of black against white is our rulers' cryptically saying to us that their evil will prevail over our good -- that their Satan will prevail over our Son of God. Notice that these movies' themes are to show us the future. That is the key to recognizing the complex and subtle occult warning messages which they have planted in these two episodes, all foretelling us of their plots to perpetrate bloody catastrophes upon all of mankind -- each catastrophe being more fiendish and ferocious. Recall all the wholesale carnage that they have wrought, from the 3,000 human beings they incinerated in New York City, to the millions they slaughtered in Iraq, Afghanistan, and Syria -- as U.S. Army General Wesley Clarke had revealed to us their plot; although

we paid him no attention for thus risking his life to warn us.

If you are reluctant to be motivated by my emphatic alert -- that these men rule the World \*because\* they worship Satan, as they have declared in their esoteric bible, MORALS AND DOGMA, written by Albert Pike, holding the title of "Grand Sovereign Commander of the Ancient and Accepted Scottish Rite of Freemasonry" . . . if you sit back and "do nothing but allow evil to triumph," as the great British statesman, Edmund Burke had long ago admonished, then many millions of us will die (not may, but will), because the elite's god, Satan, has the purpose to kill as many of GOD's children as possible. And the men who rule atop the Illuminati Pyramid of World power \*must\* sacrifice much flesh and blood to satiate Satan's blood-lust, so that they can gain and sustain rulership over mankind, because Satan is the temporary ruler of this World. So they must satiate Satan's blood-lust in order to successfully conspire toward their coming "One-World Dictatorship," which, like the Twin-Towers that they have transformed into One-Tower as their symbol, so too will the Twin-Powers of secularism and spiritualism be combined into One: the Antichrist Beast ruling the One-World secular Government, in concert with his False Prophet, probably the Pope, forcing humankind to worship Satan. Thus, the two are to rule as One, like the One Tower, over all of humankind, with their god, Satan, at the high apex (symbolizing satanic heaven) of their diabolical ruling triangle. Notice that the triangle is a key symbol in their ancient mystery religion. In fact, the star of David never originated with King David of ancient Judah, but it originates in the evil mystery religion of ancient Babylon, wherein GOD cast the true ancient bloodline of Judah (not the modern day Ashkenazis) into seventy years of captivity for their devotion to Satan and for their rejection of their coming Messiah, Yahweh [YHVH, Yud-Heh-Vav-Heh, in the Hebrew language].

In the Book of REVELATION, and in the Books of MATTHEW 21, MARK 13, and LUKE 21, these coming events are precisely what the Son of GOD foretold to us, nearly twenty centuries ago. Only GOD could have declared these future events with such precision and accuracy, in the Holy Bible.

These are not my personal notions; rather, these are basic

principles of the diabolical global ruling elite, documented in their satanic bible, MORALS AND DOGMA -- and furthermore, these principles of evil are likewise revealed to us by the Son of GOD, in His Bible, the Holy Bible. Therefore, much blood is plotted to be poured out unto Satan: your blood . . . my blood . . . our families' blood . . . all nations' blood. And the "Israel first" Jews of the World had better free themselves from their Israel-worship, because their Zionist rulers are about to feed the entire Israeli population into the nuclear furnace, just after they descend into their trillion-dollar underground cities. As evidence, just view my video documentary at Link #5, below. And notice in that video of the satanic Masonic Denver Airport -- which displays numerous large murals depicting the future bloody wars and the fiery destruction at the end of the world . . . notice the statue of the grotesque bird of death going into, or coming out of, the suitcase.

Also, notice the photograph (Link #6, below) of the Prime Minister of Israel giving the infamous Masonic handshake to the Arab King of Jordan. This proves that Israel's secretive Zionist ruling elite care nothing for the Israeli people, but only for their secret satanic brotherhood that includes Arab rulers, especially the Saudi royal family. These ethnically diverse ruling conspirators are plotting to shelter underground while the Israeli population is incinerated in the coming nuclear war. So, you see, the Zionist and Arab ruling elite are safely on the inside, while the common Jews and Gentiles of the World are to be cast out into the nuclear inferno, just as these Zionist elite had cast the Jews into the Nazi holocaust. As evidence of this claim, find the book by the Jewish scholar, Ralph Schoenman: THE HIDDEN HISTORY OF ZIONISM. The Zionist rulers flatter the Jewish masses with Jewish supremacist doctrine and they frighten the Jewish masses with the specter of antisemitic terrorism in order to empower themselves, the elite. These crafty Zionist ruling devils couple flattery with fear to attain an intense degree of Jewish support. The Jewish masses are the platform of power upon which the Zionist ruling elite stand. Without the Jewish masses' servility, the Zionist ruling elite would be powerless. Yet, we Gentiles and Jews ain't gettin' no ticket into the elite's underground shelters when those Russian and Chinese nuclear missiles start raining down over Tel Aviv

and Haifa -- and over New York, Chicago, Houston, and Los Angeles. You are probably unaware of Netanyahu's "Samson Option," to nuke all the surrounding nations when that maniac feels threatened as a consequence of his own war provocations against Russia, which provocations the Zionist power clique in the U.S. are propagandizing against Russia as we speak? But, of course, Netanyahu will be sure to ensconce himself safely underground before lighting that global nuclear fuse. On YouTube, type in "Secret Space Program" and "Catherine Austin Fitts" and "Olav Philips," because the global ruling elite are also preparing shelter in near-space, in one or more Space Stations, like the I.S.S., and that secretive escape plan has cost us many trillions of dollars, stolen from us by these elite devils.

So when the many millions of Zionist-supportive Jews are no longer needed, the Zionist/Arab/British/American/etc. blood brotherhood of the diabolical global ruling elite's Freemasonic secret society (of which the Illuminati is the chief branch) will holocaust all of us in their global nuclear inferno. Go to YouTube and type in "Walter Veith." Texe Marrs and the late David J. Smith are two other leading expositors of that evil plot by Albert Pike and Giuseppe Mazzini (type in those two names, also) to foment three World Wars, the third of which is plotted to usher in "the pure worship of their god," Satan, whom they call "Lucifer."

And all the while, we thought that Netanyahu followed Judaism. Not so. He follows the Satan-worshipping religion of global Freemasonry, or else he could not be permitted, by Satan, to rule. Oh, you thought that Satan is a mythical being? Well, the most powerful men in the World differ with you, to the degree that they actually worship Satan, as do all these lofty success-hungry celebrities whose satanic hand signs on television pass over your head, unnoticed by you, as they laugh at your ignorance of their cryptic, yet in-your-face, worship of Satan, who ordains their enrichment and empowerment. Go to YouTube and find the movie, DEVIL'S ADVOCATE. That is not fiction; it's in-your-face truth, disguised as fiction, so that you will subconsciously reject it as truth.

Now, back to what appears to be a January 31st Attack-on-America plot (again, I do not know in which year it is intended).

In the movie, "Back To The Future, Part III," not only is the side

of the lead (signifying rulership) train, the engine, emblazoned with a white-on-black number "1 3 1" and a caricature-like swirling design which appears to be the infamous Owl of blood sacrifice to their god, Molech, but for several seconds you see Doc at the front of this racing train engine (catapulting us into the future by way of catastrophe), and right near Doc's head is a black circular concave section at the base of the smokestack (the smokestack atop the face of the engine symbolizing the apex of global power) and within this concave circular base of the smokestack, you see the infamous Illuminati Pyramid, located near the bold white-on-black number 1 3 1.

You see, among these diabolical plotting ruling elite are the movie moguls who have implanted their infamous symbol, their Illuminati Pyramid, at the capstone, on which is enthroned these same diabolical global ruling elite. Rent the DVD "Back to the Future, Part III. Then hit the PAUSE button on your DVD player at 137 minutes and 18 seconds. On my DVD player, each successive time I hit the PAUSE button, the movie frame advances by about one-tenth of a second. Repeatedly hit the PAUSE button from 18 seconds to 22 seconds. You will then see many frames of the Illuminati Pyramid and the white-on-black number 1 3 1 near Doc's head. Screen-capture several of those Illuminati Pyramid movie frames as still images, and post them on YouTube or in your own email/twitter/facebook posts. You will see that the number 1 3 1, in white-on-black, is in duality with the Illuminati Pyramid near it.

Quite graphically, David Icke points out to us, in the History Channel documentary, "Secret Societies," (Link #2, below) that that spooky pyramid with the ominous "All-Seeing Eye" comprising its capstone, was placed in the most in-America's-face place that one can imagine: on our one-dollar bill. And no picture is more commonly seen, yet devilishly unnoticed than the one-dollar bill which we pass from person to person, over and over. David Icke goes on to point out that that Illuminati Pyramid was placed on our one-dollar bill by a great Illuminati front-man, President Franklin Delano Roosevelt. And now, we have yet another Illuminati-chosen front-man being ushered in as president. Beware! this may signal the Illuminati's long-declared World War III, which is to usher in "the pure worship of Satan," thus ousting Allah and ousting the Lord Jesus Christ,

who vowed, in the Holy Scriptures, nearly twenty centuries ago, to return to Earth and destroy Satan's future One-World dictatorship!

So, Netanyahu and the diabolical Zionist+Military-Industrial Complex combine . . . this shadow ruling clique is just drooling for their past-selected President Trump, to assume power. Every time the United Nations denounces Israel for its atrocities against the Palestinians, Netanyahu and his Illuminati bosses feel the need to launch an "Attack on America" in order to paint the Arabs as terrorists, so that they who worship Satan can evade world condemnation, while painting America as the poor victim of terrorism, so that they can treacherously justify yet another war of wholesale slaughter to delight their god, Satan, whom GOD's Bible tells us is the temporary ruler of this world. In other words, if you want power and wealth, you must worship Satan. That's why Trump and countless celebrities incessantly flash these Satan-worshipping hand signs, the "666 Hail Antichrist" one-hand sign, and the "Inverted Pyramid" unholy praying hands, inviting to Earth Satan's host of fallen angels".

These global ruling elite, under Satan's rule, had launched their perfidious Attack on America on 9 11 01, yielding 111. January 31st would be 1 31 17, also yielding what occultists call "the triple witching number," 111, while also yielding a sum of 13. Will there be a full moon on 1 31 17? I don't know, but they like to coincide full moons with occultly auspicious numbers, because they believe that this reinforces their deputized power from their god, Satan. 1 16 91 also yielded the triple witching number, 111. That was the day when Skull & Bones secret society satanist Pres. G.H.W. Bush launched his plotted war upon Iraq, and it was on a full moon.

So, watch out, and tweet out (Trump does it), and facebook-share, all you fellow Americans and citizens of all nations, because not only does tweeting counter our bullies of the psyche, CNN/FOX/seeBS/ABC/NBC, who are our thought-dominatrixes -- but, the United Nations has just once again denounced Netanyahu for his atrocities against a nation of civilians. Therefore, they may react to this U.N. denunciation as a platform for retaliation, to launch another Attack on America, in order to blame the Arabs for provoking their desired larger war, a war which is likely to go nuclear.

You folks should care enough about your own families' lives to publicize this threat. If you're wrong, you'll lose face. Conversely, if you fail to speak out, and the "Attack on America" occurs, you will lose more than your face; you will lose your entire body!

Now, we do not know what plans, if any, the elite may have for Vice-President-elect Mike Pence, who always has that sinister squint in his eyes. That guy seems ominous. Will he succeed Trump sooner than later? Only our ruling devils know. But you might find clues about that from the elite's Steven Spielberg movie, "Back to the Future, Part II." When you get that DVD, go to the "Deleted Scenes" section and find out what happens to Trump's analog in that movie, Biff Tannen, whom the elite's script writer, Bob Gale, actually stated (look it up) that Biff Tannen was scripted, in 1989, to parallel Donald Trump. Bob Gale made that statement long before Trump ever ran for president! How did he know? And how did "The Simpson's" cartoon, (at Link #4, below) in the year 2000, know enough to show the exact same scene of the future Donald Trump, filmed recently, going down an escalator (I hope the down escalator is not another symbolic clue)?

Also, you will have to rent or buy the DVD "Back to the Future, Part III, because I searched YouTube futilely for that scene of Doc at the front of the train with the Illuminati Pyramid at the base of the engine's smokestack -- at the forehead of the lead train, as it were, displaying the same cryptically symbolic message as that at the harbor entrance to New York City, the financial capital and home of the financial rulers of the World (along with the City of London), under their god, Satan -- that message on the Statue of Liberty covertly announcing the fact that "They are the Bosses. They are Running the Show, Yet, We Inferior Common Folk are Incapable of Seeing It" -- just as we cannot see the chemtrails enshrouding and poisoning our skies.

At Link #2, below, David Icke tells us that the Illuminati Pyramid with the all-seeing "we rule as god" eye was implanted in-our-faces on our one-dollar bill by an Illuminati frontman, President Franklin Delano Roosevelt, whom, if you will recall, once stated: "IN POLITICS, NOTHING HAPPENS BY ACCIDENT! IT IS ALL PLANNED! Let that thought Simmer in your minds over the

coming days, Trump fans! \_\_\_\_\_ John DiNardo \_\_\_\_\_

This shotgun-like dwarf star is, itself, being pulled in by our Sun's great gravitational force field, and so, this infalling dwarf star must make its inexorable rendezvous with our Sun, in a loop-around trajectory, as it has done every 36 1/2 centuries -- in its repeating highly elliptical cometary orbits of action-at-a-distance destruction -- into and out of our Solar System, which cyclical comet-like intrusions are evidenced by the famous Ten Plagues of Egypt, in the Book of Exodus (circa 1,650 B.C.), by the Great Global Flood of Noah's day (circa 5,300 B.C.), and by the great Sinking of the Continent of Atlantis (circa 9,000 B.C.). Link #7 - In 1871, Albert Pike -- whose title was "Grand Sovereign Commander of the Ancient and Accepted Scottish Rite of Freemasonry" -- wrote a letter which, until the 1970s, was on display at the British Museum of Natural History until it was removed by the secretive Illuminists. Albert Pike, a genius and a self-proclaimed worshipper of Satan, the Devil, claims that he had a vision from his god, Satan the Devil, and as a result of his vision, he wrote a monumental letter, dated August 15th 1871, to Giuseppe Mazzini of Italy, his international counterpart in command of the Illuminati. In that letter, which had been on display at the British Museum of Natural History until 1976 when it was removed by the furtive Illuminists, Albert Pike declared the following instructions that had been conveyed to him by this god, Satan -- and, for brevity, I paraphrase:

We, of the Illuminati secret world rulers, will foment three world wars: the First World War shall usher in Communism and shall empower political Zionism. Our Second World War will create the Nazi Holocaust in order to so decimate and traumatize the Jewish people, worldwide, that we can then create a Jewish homeland as an irritant in the heart of the Middle East, so as to infect both Muslims and Jews with such a long festering mutual hatred that the conditions will be made ripe for a third world war, in which all religions and atheism will be discredited and rejected. Thusly, we will have created a spiritual vacuum, such that we shall then usher in "The Pure Worship of Lucifer," [Satan, the Devil].

Today, we see satan-worshipping hand signs being constantly flashed by President Trump, whom these ruling elite have chosen to feed the masses opposing political doctrines to counteract the political doctrines of the Obama presidency, which, itself, was pre-ordained in two prior rigged elections, and now there is glaring evidence from numerous computer experts that this Trump election was also rigged. But the main point here is that the diabolical world rulers of the Illuminati have planned world wars and other major world political and economic cataclysms in order to bring all of humankind into such a conflagration -- a greatest final holocaust, likely a nuclear holocaust, in which you and I and our families may be killed -- so that the world's bloodied and burned masses will

cry out for the Illuminati's long-plotted One-World dictatorship under the savage crushing rule of their god, Satan, the Devil.
