

~ Jews, Help! Netanyahu's Nuclear Holocaust Threat Imperils Jews & Gentiles

Your life and mine, and the lives of our children, depend upon your openness to the evidence which I am about to present to you. First, the thesis, and then the evidence.

Netanyahu is deliberately wrangling for a nuclear holocaust, because he is not for the Jewish people, but is surreptitiously maneuvering on behalf of, and at the behest of the small clique of powerful men who, it is now apparent, are calculatedly pushing all of humankind into the abyss of nuclear annihilation. These men, ensconced atop the pyramid of world power, have prepared fabulous underground cities, into which they intend to descend, just before lighting the fuse to global nuclear incineration. That fuse is a sneak attack upon Russia's avowed ally, Iran.

When the smoke clears, there will be no Israel; there will be no United States; there will be no viable civilization anywhere on this planet. There will emerge only charred and smoldering ruins of vast continents filled with corpses far outnumbering the injured and diseased small remnant of humankind. At that shattered juncture on humanity's historical timeline, no Jew will say:

"I am a Jew, and proud of it." Likewise, no American, no Briton, no Arab, no Russian -- no one will give a damn about ethnic pride, nor about national patriotism. Even atheists will be crying out to God in agony and desperation.

And now, I present to you the evidence for my assertion that Netanyahu is secretly working, not for the Jewish people, but for the infamous "New World Order," whose plan it is to so annihilate the sovereign peoples of the world that all resistance to their planned "One-World" tyranny will lapse into feeble acquiescence to the supreme secret societies who have succeeded, over the centuries, in usurping de facto rulership over the pseudo-sovereign nations. They fully intend to emerge from their underground cities and to neutralize the radioactive contamination in their headquarters sector of the world, which will be the area that once was called the State of Israel. They have such decontamination technology, I have been told by a journalist who had contact with a renegade C.I.A. operative, Susan Arrigo, M.D. My claim becomes understandable when one considers the vast array of secret technologies which are coveted by the great national powers, the U.S., Britain, Israel, Russia, and China.

If you have thus far been open-minded enough to recognize this real peril to your life which I have just outlined, then you know that you must devote time and attention to **all** of the discrete bodies of evidence presented below, for to study some and overlook others may leave you doubtful, and thus vulnerable to sudden death when and if that great mushroom cloud suddenly appears outside your window.

You must unite Jews in a mass movement to inspire concerned Israelis, Knesset members, and military and intelligence officers to thwart Netanyahu's compulsion to ignite nuclear holocaust in a sneak attack on Russia's ally, Iran.
