

Mega-billionaire and member of the Global Ruling Elite, Bill Gates, and the globalist United Nations have been caught perpetrating GENOCIDE, the mass extermination of a population(s). THEY'RE COMING AFTER YOU, FOLKS! THEY WANT TO DEPOPULATE AMERICANS, TOO, WITH THEIR WEAPON, "MANDATORY VACCINATIONS." If you have been following the pronouncements of the wealthy elite of the U.S. and other nations, you will know that they have declared that Earth is not "sustainable" with seven billion people, so they must kill off literally billions, and it is your family they plan to kill, not theirs.

~~ Mandatory Vaccine Deaths: Success in Depopulation [GENOCIDE] ~~
The rush to legislate "mandatory vaccinations" has nothing to do with protecting the population from diseases, and everything to do with gaining unchallengeable "injection access" to every person's body. The evidence, based on already recorded episodes, indicates that vaccines are covertly being deployed as a major vehicle for depopulation. It is high time that we see through the charade, identify the lies, and demand accountability. It is time for heads to roll, be they complicit planners or compliant parrot regurgitators in the mainstream media (TV networks). NEVER RELINQUISH CONTROL OVER YOUR OWN BODY TO ANYONE . . .
