

Just as with the X-Files pre-911 episode depicting Gov't agents crashing an airplane into the World Trade Center (which I recently posted) we see yet again how the diabolical Ruling Elite make The Movie Plot Foretell the Tyrants' Plot. JD

This is not fiction. Below this movie link, I have collected numerous segments of google hit headlines on the words "tracking" and "rfid".

1998 Movie: The NSA's "ENEMY OF THE STATE"
