

PUBLISH THE PLIGHT OF THE ISRAELI REFUSENIKS

Please help these Israeli refuseniks who are being punished for refusing to serve the Zionist war machine -- a part of the globalist dictators' global-nuclear-holocaust-war-with-Iran machine.

We must campaign against the globalists' strong push for an attack upon Iran, otherwise you and I and our families will very possibly be incinerated in Russia's promised nuclear retaliation, or we will die slowly of leukemia. In the best scenario, this planet will be made uninhabitable by the "crazies" who now intend to descend into their underground cities, from which they intend to ascend, neutralize the radioactivity in one sector of the Globe, and, from that point, set up their One-World Dictatorship with **absolutely** no opposition from the battered, bloodied and dying citizens of the World. John DiNardo

"The USA (corporations and military) does not want peace in Israel says Bibi's {Netanyahu's} nephew {Jonathan Ben-Artzi}.

The integration of American and Israeli military and technological systems, the enforcement of the status quo in Israel, the rules and walls separating Jews and Arabs — these are not news. We post this take on these features of the US/Israel alliance because it comes from Netanyahu's refusenik nephew who went to prison for his beliefs before going to study in the USA. He is now at Cambridge University, UK."

"Gaza is a place, in the words of Jonathan Ben Artzi, an Israeli student, draft resister and nephew of Israeli Prime Minister Netanyahu, ' where Israel is collectively punishing more than 1.5 million Palestinians by sealing them off in the largest open-air prison on earth. ' "

NOAM CHOMSKY:

"For both Prime Minister Netanyahu and the hawks in Congress, mostly Republican, the primary goal is to undermine any potential negotiation that might settle whatever issue there is with Iran," says Noam Chomsky, institute professor emeritus at Massachusetts Institute of Technology. "They have a common interest in ensuring there is no regional force that can serve as any kind of deterrent to Israeli and U.S. violence, the major violence in the region." Chomsky also responds to recent revelations that in 2012 the Israeli spy agency, Mossad, contradicted Netanyahu's own dire warnings about Iran's ability to produce a nuclear bomb, concluding that Iran was "not performing the activity necessary to produce weapons."

John DiNardo:

Noam Chomsky also stated that he believes the CIA report, that if

Iran has nuclear bombs, which they do not know, Iran would only use them as a defensive deterrent, since any possible Iranian nuclear capability would be extremely inferior to that of USrael [my term], and hence, Iran would be incinerated or toasted by USrael's nuclear and Directed-Energy weapons if they would ever dare to attack.

Now, this is what Alex Jones stated a couple of days ago:
"Iran does have nuclear weapons!"

. . . and he said it emphatically; so, by omitting the fact that Iran does not have a missile delivery system, and by omitting the fact that USrael's own intelligence agencies, CIA and Mossad, both state that Iran is not a nuclear threat, Alex Jones is floating the false impression that, yes, Iran is a nuclear threat, and that therefore, Netanyahu's charge of weapons of mass destruction IS correct.

That is surely the inference he is making -- and that is a dangerous notion to promote, because it tends to relax and weaken the resolve of his many concerned listeners, worldwide, who need to be campaigning against the growing ominous possibility, advanced by Netanyahu himself, that Israel may Nuclear-Holocaust all of humankind. This interpretation of the Zionist rulers' "Samson Option" is not hyperbolic, but is accurate.

Thank you, @RealAlexJones, for not helping to prevent the nuclear incineration of all of us.

Look up "The Samson Option," which is the stated policy of the Zionazis who hold absolute rule over both the people's Knesset of Israel and over the the people's Congress of the United States of America. Since these elite rulers hold supreme power over both the United States and Israel (which comprise the supreme power duo that overhangs the heads of the entire human race) these patently nuke-happy maniacs are making you and me and our children vulnerable to death by nuclear incineration!

Thank you again, @RealAlexJones.

CITIZENS! TELL @RealAlexJones TO EXPOSE THE NUCLEAR WAR-MONGERS, ABOUT WHOM HE CANNOT SPEAK!

I'm disappointed with Alex's failure to identify these Zionists, the prime culprits in the global war machine who are making the U.S. Congress complicitous in the wholesale slaughter of a half-million Iraqi civilians, a third-million Syrian civilians, tens of thousands of Afghan civilians, thousands of Pakistani civilians, many thousands of Palestinian civilians, and who, at this time, are threatening to topple Samson's pillars and bring down the nuclear roof that overhangs the

heads of the entire human race!

Why would they want to destroy humankind? Because they, the ruling elite, are obeying Satan. They have prepared underground cities in which they think that they will survive. So, Alex is subduing the ire and the fire of his concerned listeners at a moment in history when we need all the resolve we can get from the public to establish an opposition front against the Zionazis' planned nuclear war -- a holocaust in which

JEWS IN ISRAEL WILL BE INCINERATED, ALONG WITH JEWS IN THE UNITED STATES, ALONG WITH EVERY HUMAN BEING. I AM NOT SINGLING OUT JEWS FOR SYMPATHY, BUT TO ISSUE THE ALERT THAT JEWS *MUST* OPPOSE SATANYAHU OR RISK A HOLOCAUST OF ALL OF HUMANKIND !

Moreover, Alex is shifting all the blame onto the minor culprit, Saudi Arabia. Do you think that he is being threatened into silence? I know that such intimidation is what Zionazis do.

THANK YOU, JOYCE RILEY AND KEN O'KEEFE FOR REPORTING TRUTH!

Alex Jones's information and analysis is usually accurate and insightful. However, today he stated that he does not believe that the global ruling elite want nuclear war, although he knows they are risking nuclear war by their reckless actions.

Now, to say that they do not want nuclear war is a dangerous notion to instill in the minds of his listeners, who constitute the minority, on whose shoulders rests the fate of humanity's freedom. It is a dangerous assumption to teach, not only because it is false, but because it tends to relax and soften the resolve of this small minority of listeners, worldwide, whose common sense tells them that Alex is right. After all, why would the diabolical ruling elite want to incinerate themselves in a global nuclear inferno? After I give you the answers, you ought to become energized to make the prevention of nuclear war your highest priority, because your life and the lives of seven billion human beings are in grave peril.

Reasons Why the Ruling Elite are Aiming to Provoke a Nuclear Holocaust:

1) They plan to descend into their trillion dollar underground

cities, revealed in videos from Jesse Ventura [linked at the very end of this report] wherein they will be safe from their planned fiery nuclear holocaust on the surface, miles above their heads.

2) The "Grand Sovereign Commander of the Ancient and Accepted Scottish Rite of Freemasonry," [Freemasons are the Ruling Elite] Albert Pike and Giuseppe Mazzini, in 1871, vowed to foment three world wars, the last of which is to usher in Satan, their god, as the ruler of all humankind. Regardless of whether or not you believe that Satan exists -- they do! Albert Pike has stated, in his landmark book, MORALS AND DOGMA, that he and all Freemasons obey and actually worship Satan as their god.

Their plan has unfolded with prophetic precision thus far. Over a century ago, Kissinger-like Zionist power brokers Martin Buber and Chaim Weizmann plotted the Nazi Holocaust, an assertion for which evidence comes from Jewish scholars; it is a subject which I will detail on another day. Why would Zionists plan the Nazi Holocaust? Because it would give them their planned State of Israel, their desired irritant, their needed bur in their riding saddle to agitate that driven horse, the surrounding Arab nations. The strategy of these Freemason Zionists was to persistently, over decades, provoke the Arab nations and to incite requited Arab hatred against the unwitting Israeli people, who were to be government-indoctrinated with hatred, in order to make hatred a reciprocal inflammatory emotion between Arab and Jew, to simmer the brew. Thus, like the Zionist-brainwashed American people, the brainwashed Israeli people were to be the Zionist conspirators' pawns in their grand chess game for world domination under their planned One-World Tyranny, a dictatorship intended to crush both Arab and Jew -- and Gentile, all of humanity's post-nuclear-holocaust remnant. Relatedly, Texe Marrs <http://powerofprophecy.com>

published a photograph of Israel's Prime Minister, Ehud Barak giving the Masonic handshake of brotherhood to an Arab, the King of Jordan. So, when the nuclear holocaust occurs, those two blood brothers will be hiding underground.

The plan was, and ostensibly is, to commit decades of atrocities against the Palestinian people, and now, against the Iraqi people [read the works of the great Jewish humanitarian, Moshe Menuhin, wherein he quotes the 1960s declaration by the Chief Rabbi of Israel:

"Greater Israel is to extend all the way to Baghdad."]

. . . to commit atrocities against the Syrian people, the Libyan people, etc., and to destabilize their national governments so as to make the ultimate Third World War inevitable. Do you see, then, why, for decades, the Elite [e.g. Zionist Armand Hammer] have aided Russia and China, militarily, the staged temporary fall of Communism notwithstanding? As President Franklin D. Roosevelt stated,

"In politics, nothing happens by accident."

Do you see their plot of inter-ethnic, inter-religious hatred playing out today? Certainly you do, with their media's fear-mongering of Muslims, although many hateful Americans do not like to find that they have been conditioned and played to hate by the Elite's media.

Again, I ask you to ponder "The Samson Option," which is the crazed Zionists' staunch *policy* to fire off their (perhaps a thousand) nuclear missiles if they feel threatened. Do they feel threatened? Yes, they feel threatened, because these Zionist US-Neo-Con "crazies," as Colin Powell (a man in-the-know) called them, have been striving diligently for decades to *be* threatened, by provoking the Arab nations, and now, by forcing Russia to nuke USrael after Netanyahu determinedly attacks Iran, Russia's committed ally.

So you see, the Zionists planned the Nazi Holocaust, and even collaborated with Adolph Hitler in the extermination program against the Jews of Europe -- all so that they could so terrorize the Jewish masses that the Jewish masses would flee into the protective arms of the self-appointed leaders of Israel, Zionist death merchants like Ariel Sharon and Benyamin Netanyahu. That is what Sharon's bloody Sabra and Shatila Massacres were all about. That is what Sharon's attack upon 19 Jews on a Jerusalem bus was all about. That is what Netanyahu's multiple Gaza genocides were all about. That is what Netanyahu's [video-documented] fake Paris shootings was all about. That is what Netanyahu's Copenhagen shootings of Jews was all about. That is what Netanyahu's fake Jerusalem Synagogue blood-fest was all about [the videos exist, displaying all that fake blood, just as in the FBI/CIA's fake Boston Marathon Bombing]. That is what Netanyahu's murders of the three Jewish teenagers was all about.

So, Israel is the Ruling Elite's burr in the saddle of the Middle East! This provoked upcoming nuclear Iran holocaust is all part of the chief plan, the grand plan, to merge all nations into a One-World Dictatorship. To do so, They have to so bloody the peoples of the World that all masses will consent to a global government in order to prevent more wars of annihilation.

Do you see, the same rationale being foisted upon us? . . . the rationale that, because they inflict mass slaughter upon the Jews of the Holocaust, then the Jews will cling to them for protection. And because they are about to inflict nuclear holocaust upon us, the masses of the World, then we will cling for protection to their pseudo-peaceful One-World Tyranny, headquartered in Jerusalem.

Yes, they even have their World capital all staked out in Jerusalem. Look for the Al-Aqsa Mosque in Jerusalem to be blown up by the Zionazis as yet another false flag attack to seemingly justify their desired war against Arab nations. You know of the old and infamous "Hegelian Dialectic":

First Create the Problem;

Then Demonstrate the Problem;

Then Provide the Solution to the Problem Which the Masses

Would Not Otherwise Accept.

Their planned solution to the problem of nuclear-warring nation states will be based upon their new principle, which they have waiting in the wings -- their principle that:

independent national sovereignty only breeds war, and that man's advanced weaponry now makes World Wars fratricidal to the entire human race.

Now, Alex Jones, you can see why the Global Ruling Elite are striving, at this moment, for nuclear war.

3) Susan Arrigo, M.D. was a C.I.A. operative who spoke to a journalist friend about six years ago. This friend told me that Susan Arrigo told her that she had been in Iran assigned to false flag terror operations, and I assume that this was all a part of the plan at that time to provoke Iran to attack Israel or the U.S., so that McCain, Cheney, the Neo-Cons (Perle, Wolfowitz, Kristol, et al) could have their "Bomb-Bomb-Iran" party. You recall their Iran war fervor at the time.

Dr. Arrigo told my friend that the global ruling elite plan to descend into their underground cities just prior to setting off the nuclear war, and then to emerge some time later, and clean up the radioactive contamination in one manageable sector of the Earth, which I surmise will be the area around Jerusalem.

This is where the biblically prophesied one-world Beast System's Antichrist will be enthroned to rule, under his god [remember Albert Pike and Freemasonry's proclaimed god], Satan, but only for three and a half years, as prophesied by and ordained by God the Saviour in both the Book of DANIEL of the Old Testament and in the Book of REVELATION of the New Testament.

Dr. Arrigo said that they DO have the technology to neutralize radioactive contamination. I was told by someone who knows a brilliant chemist in Tennessee, that Al Gore had stolen such a technology from this chemist, whose name I have written down somewhere.

Now, the fulfillment of this century-and-a-half old plot would satisfy the Globalists' stated aim, inscribed in their Georgia Guidestones, [Elberton, Georgia] to reduce the population of humanity from seven billion rebels to one-half billion obedient slaves. So, the elite are striving for nuclear war!

I forgot to mention that I was told that Dr. Susan Arrigo was a renegade from the CIA, on the run, much like the famous CIA/ONI agent, Gunther Russbacher, who flew G.H.W. Bush to Paris on a supersonic SR-71 jet to clandestinely seal the agreement with Iran's Ayatollah Khomeini to keep holding the U.S. hostages until after Pres. Carter lost the election. Gunther Russbacher may have been killed by now. Few know. I don't know the current status of Dr. Arrigo, either.

There is more evidence to give you as to why the diabolical global

ruling elite are trying to provoke Russia and the Arab nations into a war, which they know, and we all know, will go nuclear.

I trust that all conscientious readers, including Alex Jones, will have received enough information herein to compel them to direct their energies toward preventing this global nuclear holocaust, which these crazy nuclear arsonists are desperately trying to ignite.

Oh . . . I forgot to mention . . . why are they so hasty in trying to ignite this nuclear holocaust? Because they know that a dwarf star, estimated by N.A.S.A. (decades ago) to be larger than Jupiter, is being gravitationally drawn toward the Sun by our Sun's great gravitationally pulling force field. As this dwarf star and its gang of thousands of gravitationally captured comets, asteroids, and meteors passes by Earth, toward its gravitational rendezvous with our Sun, Earth's own gravitational force field will start sucking in many of these objects.

It is all foretold in the Book of REVELATION by God the Saviour. Just as my testimony emanates from the supernatural truth of the Bible, the Ruling Elite's sinister plot for global nuclear holocaust emanates from their proclaimed Masonic belief that Satan is their god. So, the elite know all this, about this incoming celestial wrecking ball. That is the main reason why they built their tax-funded trillion dollar underground cities, which you are about to see when you click on the link below.

And so, the Masonic Global Ruling Elite are quite hastily trying to ignite nuclear war -- because:

"Wo Unto the Inhabitants of the Earth and the Sea, for the Devil has Come {will come} Down Unto You Having Great Wrath [indeed we see Satan's wrath now], For He Knows That He Has But a Short Time"

[before God's wrecking ball appears in the skies]

The Book of REVELATION, Chapter 12

Catastrophic celestial, geological, and meteorological events are already occurring as a consequence of the gravitational and magnetic excitations from this dwarf star and its surrounding system of gravitationally captured objects: epic earthquakes, volcanic eruptions, wind storms, floods, droughts, meteor strikes, etc.

And so, the diabolical Masonic Global Ruling Elite are feverish and desperate to ignite their nuclear holocaust -- because they have to get their butts underground before the inevitable meteor impacts.

Also, Nostradamus -- he was not a Christian, but many non-Christians have been psychics . . . he wrote, in quatrains, that:

"The King of Terror Will Appear in the Sky Before and After War Rules."

So, perhaps we will see this glowing object in the sky just before they kick off their nuclear war.
