

Due to my concern that time is running out before World War III, I am presenting merely a synopsis of my suspicion as to the manifestation of a global nuclear war. I will try to elaborate on this suspicion soon, but I feel that I must present this brief analysis now, for the sake of expediency.

What really makes me suspect that a nuclear war is plotted is that the global ruling elite were plotting three world wars 130 years ago, and the pretext for war which they were plotting then seems to be falling into place right now, with the horrific bombing of Gaza and this obvious UK'USraeli-concocted ISIS rebellion that has instantly exploded all over the Middle East -- plus the fact that both the Gaza explosion and the ISIS explosion were obviously synchronized to be simultaneous.

I believe that the convergence of the Gaza genocide and the ISIS genocide was plotted to be one simultaneous unified provocation against all of the Arab states, including Palestine, for a desperately desired world war by the mega-imperialist SaudiUK'USrael combine.

Just as the war provocateurs forced Japan to attack Pearl Harbor in 1941, today's war provocateur, Satanyahu is calculatedly \*inviting\* the invasion of Israel by the Arab states, in the midst of what might escalate into an Israeli nuclear missile exchange with Russia and perhaps with one or more other countries.

In the midst of these simultaneously concocted Middle East battle fronts, we realize, in retrospect, that Satanyahu's Gaza genocide was calculated to combine with the ISIS genocide into one unified Middle East genocide, which they anticipate will explode in a retaliatory revolt by at least some of the Arab masses against Israel, under the leadership of ISIS, trained, paid, and deployed by the SaudiUK'USrael war machine. Even though most of the Arab people detest ISIS, all that the war-mongers need is a token force of Arabs to join with the ISIS army of provocateurs, so that Netanyahu can say that Israel has been attacked, and thus, he will have the feeble excuse he needs to attack the Arab states -- and that is why Russia is being coincidentally thrown off-balance by the Ukraine uprising, and why she is being held at bay by US-NATO missiles aimed at them from nearby Poland.

Netanyahu is just the kind of rat to start a war over the flimsiest pretended provocation. Just look at how he decimated Gaza over the faked murders of three Jewish boys. More than 2,000 genocidal murders of Palestinians over three Jewish boys who were never murdered, but who died in a car accident, or whose car was made to crash by Mossad -- since they needed to take a week or two to fabricate their false charges against Hamas.

Now, can you see why Netanyahu had to have those three Jewish boys crashed just at that time? After all, it is quite unlikely that those boys would have crashed at Netanyahu's convenience, so it is likely that Mossad or Shabak sabotaged the boys' car. Do you see that it is awfully suspect that Netanyahu would need to decimate Gaza at this moment, to coincide with the ISIS war mania in other Middle East

nations? Why decimate Gaza?

Because Netanyahu needed to crush the fervent Palestinian forces that he knows would invade Israel during the opportune mayhem of an Israeli war and invasion of Israel by pockets of Arab forces led by the USISIS terrorist army. And that is why Netanyahu decimated Gaza!

So, what the crippling of Gaza and the simultaneous ISIS-crippling of Syria and Iraq foretells is that there is coming a plotted war, likely a Third World War, likely a nuclear war. A war in which Israel will be invaded.

Israelis! Jews, worldwide! Organize! Stop these devils! This will not be a Six Million Holocaust! This will be a Six Billion Holocaust! You cannot afford to cross your fingers and hope that my prediction does not come true!

Why Would Netanyahu Bomb the Palestinians Into Utter Annihilation?  
Because Netanyahu has been Ordered to Provoke Nuclear World War III  
by Slaughtering the Palestinians in the Hope of Provoking the Arab  
States. Netanyahu Will Continue with his War Provocations!!

Recall, in Recent History, that the Diabolical Rulers of USrael, by Threat,  
Forced President Johnson to Cooperate with Them in Sinking the USS  
Liberty in Order to Blame Egypt, and thus, make the United States Launch  
War Against Egypt, so that these Zionist Serpents Could Steal Even More  
Arab Land at the Cost of Much American Blood.

Political Researcher TEXE MARRS Has Discovered Evidence Showing that  
the Diabolical Treacherous Zionist Element of the Global Ruling Elite have  
a Plot to Bomb the Dome\_of\_the\_Rock\_Mosque and Blame it on Arabs,  
Thus Giving Netanyahu the Excuse he Needs to Add yet Another Bloody  
Battle Front to USrael's Savage Multi-Pronged ISIS Assault, Aimed at  
Toppling Arab Governments.

Lackey of the Global Elite, Senator Lindsey Graham shows us that Netanyahu is Drumming Up Support for USrael's Nuclear WW3 Plot:  
[Lindsey Graham's letter appended below]

~~ Israel to be Nuked. Gaza Blitzkrieg+ISIS Invasions are a Concerted Plot for World War III Nuclear Holocaust ~~

Israelis! Jews worldwide! Everyone worldwide!  
I will try to present substantial evidence to convince you that Netanyahu actually wants Israel to get nuked -- or, at least, he wants a nuclear war in which he knows that Israel is bound to get nuked.

I will risk evoking incredulity by telling you that all the major government leaders of the world know that great natural disasters are about to fracture, fragment and overturn the various infrastructural components of global civilization (e.g. electric power grids, oil pipelines, gas pipelines, the highway transportation system, the seacoast import/export system, etc.). The ruling elite of nations have known for years about these coming global cataclysms. Why have they been telling you for years that "global warming" threatens Planet Earth? . . . and now that flimsy mantra has been exchanged for "climate change," and it's all because you are hoggishly burning too much fossil fuel. Oh, so that's why we're suffering super hurricanes, super tornadoes, super earthquakes, super floods, super frigid winters, super droughts, etc. All of these calamities are caused by "global warming" [I mean] "climate change"; and it's all your fault for burning so much fossil fuel.

I think you will agree that this is a ludicrous mass indoctrination program. And to clear the murky waters of this mass deception a bit, study the elite's hurried and complex construction of an underground seed vault on the fringes of the frozen arctic tundra, where seed preservation temperatures are ideal. Study the elite's decades long construction of trillion dollar underground cities, wherein they intend to shelter and sustain themselves during periods in which they know that Earth's crustal surface and underlying viscous mantle will become gravitationally massaged (from a distance) by incoming gravitationally Sun-drawn comets, sucked in from deep space, that are passers-by our Solar System.

When will these secretive power elite, around the world, descend into their underground cities, leaving the world's masses to fend for themselves? When the gravitational/magnetic celestial provocateurs are detected (by NASA, ESA, JAXA, et al) to be dangerously close in their celestial approaches. Therefore, we must promote the growth of watch groups to detect the sudden disappearances of major elite figures, so that we may know when to take cover. We need groups like QueenWatch, RockefellerWatch, RothschildWatch, GatesWatch, etc.

Appended below the David Icke link, at the end of this episode, are two links providing evidence of these underground cities, and evidence

that the Israeli elite, the Arab elite, the elite of Britain, the United States, Japan, etc. all harbor their greatest allegiance, not to their respective nations, but to their globally interconnected ruling secret societies of Freemasonry/Skull&Bones/TheIlluminati.

Paraphrasing the introduction to DAVID ICKE's commentary: More people are beginning to see through the cover stories about the ISIS threat. They gave us this perception that ISIS appeared spontaneously. They're creating in the populations of the Western nations "perception deceptions" in all facets of political affairs.

JD:

This game played by the global ruling elite is as time-worn as a mushy mallet that has pounded in too many stakes for too many years.

The game goes this way: They build up the people's misperception of some terrifying enemy through a gradual process of concocted provocations against us, the docile, naive, politically spoon-fed peoples of all the Western nations. Watch French, British, German, American, etc. mainstream television news. Their TV talking heads -- so-called newsmen -- are all parroting the same ruling elitist propaganda simultaneously. This is the sort of transparently mind-manipulative calumny that you're likely to hear:

"ISIS terrorists beheaded a journalist . . . President Assad used chemical weapons of mass destruction on his own people . . . Saddam Hussein gassed his own people at Halabja . . .

[we're going back now in our TV time machine]

. . . Saddam Hussein invaded Kuwait and was taking babies out of incubators to die, so we have to invade Iraq to liberate Kuwait and Iraq by bombing them back to the stone age with our shock and awe super bombing campaigns . . . They call Manuel Noriega "pineapple face," and all the people in Panama hate him because he is a dictator, so we have to invade Panama to liberate that American woman who was somehow threatened down there. We have to bomb their peasant villages with Stealth bombers [that's how we test out our high-tech weapons], because we care so much about that American woman, and about freedom for the Panamanians . . . The Somali terrorists are marauding the poor Somalian people, so we have to send helicopter gunships to mow down the people in the market places below in order to liberate them . . . There is a dictator named Maurice Bishop on the tiny island of Grenada, who is terrorizing and holding hostage American college students, and he poses a clear and present threat to freedom throughout the world, so we have to invade Grenada and defeat their army of a hundred, and thus restore peace to the free world . . . North Vietnamese gunboats attacked our ship, the USS Maddox, so we have to get Congress to issue the Tonkin Gulf Resolution so that we can have a very profitable protracted nine year war to liberate those poor South Vietnamese people, because we care so much about their freedom, and

so, we have to bomb them back to the stone age and poison them for generations with aerial dropped dioxin Agent Orange, because we care so much about their freedom . . . Oh, and those nasty North Korean soldiers have \*allegedly\* crossed the 38th Parallel into South Korea, so we have to invade to liberate the poor besieged people of South Korea . . . Oh, and those evil stealthy Japanese have attacked Pearl Harbor, so we have to liberate the world from the Japanese imperialists and also from the Nazis, who were placed into power by U.S. oligarchs, Standard Oil of New Jersey [now Exxon], Brown Brothers Harriman & Co. and the Union Banking Corp., the Rockefeller oligarchs, the Ford oligarchs, Sen. Prescott Bush (founder of the infamous Bush presidential dynasty)-- all of these scoundrels being crypto-nazis, working in concert with Germany's I.G. Farben chemo-pharma oligarchs, the Krupp munitions oligarchs, and inspiring and directing Adolph Hitler.

Of course, the flashpoint that ignited Americans' rage for war was the entirely set up and framed Japanese non-sneak attack on Pearl Harbor.

Now, let's fast-forward to Netanyahu's flashpoint for rage against the Palestinians, just recently. It was those three Jewish teenagers who were allegedly executed by Hamas -- a complete frame job -- and it was those cheesy little rockets fired at Israel by Netanyahu's very own cadre of Hamas agents provocateur [the Israeli press announced that Netanyahu controls Hamas] -- firing their little homemade rockets that always land harmlessly in fields. How fortunate for Israelis. So far, one Israeli casualty; a man died of a heart attack exiting his car.

How far back in time do you want to go, folks? Before World War II, there was the concocted war provocation, the assassination of Archduke Ferdinand, and then the flagrantly provoked torpedo sinking of the passenger ship, Lusitania. And in 1898, the U.S. rulers' war provoking agents planted explosives to sink our own ship, the USS Maine, in Havana harbor, as a false flag excuse to launch the Spanish-American War, which gave the ruling war profiteers their desired flashpoint for inciting the people's rage, thus tricking them once again into supporting yet another concocted and profitable war.

So much for this high-altitude reverse flight through the monotonous history of concocted wars.

The former Governor of Minnesota, Jesse Ventura, explores just one of the elite's fabulously constructed underground cities, others of which are located at Mount Weather in West Virginia, in the Italian Alps [for the Vaticanites and other elite], in Russia, China, etc. So, you see, Netanyahu is ready to go underground just before he fires off Israel's nuclear arsenal in a globally incinerating nuclear exchange with Russia, China, the U.S. and Britain. Israel, Palestine, the United States, and Britain will become a charred hell of the dead and the walking dead!

Lackey of the Global War-Mongering Elite, Senator Lindsey Graham shows us that Netanyahu is Drumming Up U.S. Support for the Global Ruling Elite's Nuclear World War III Plot:

From the Desk of SENATOR LINDSEY GRAHAM

Campaign@LindseyGraham.com

Date: Tuesday Aug 26, 2014

Dear Friend,

As we speak, Israel is under siege on multiple fronts. Hamas continues to fire rockets at Israel, Iran's radical regime is marching towards a nuclear-weapons capability, and we have a President who has undermined the U.S.—Israel relationship. I firmly believe we have national security and moral interests in supporting Israel, and we must stand with Israel without apology. The radical Islamists who wish to destroy Israel have the same desire for the United States. When you support Israel, you're supporting democracy and freedom in a land surrounded by oppressive governments — including some who don't recognize Israel's right to exist and have vowed to annihilate them.

That's why I have:

\$ Led successful efforts to secure funding for Iron Dome, which is protecting Israel from thousands of rockets fired by terrorists like Hamas

\$ Led ongoing efforts to prevent Iran from pursuing a nuclear-weapons capability, including crippling sanctions

\$ Authored legislation that would require the Obama Administration to seek Congressional approval on any agreement reached with Iran over their nuclear program

\$ Authored and passed three resolutions this Congress re-affirming the Senate's support for the U.S.-Israeli relationship and Israel's ability to defend itself

During these dangerous times, Israel needs our support. Please sign our Stand with Israel petition and tell the people of Israel — and Washington — that you have Israel's back.

Sincerely,  
Lindsey Graham, United States Senator

Michael Rivero of WhatReallyHappened.com receives a report that the three Jewish teenagers died in a car accident, and that their bodies were then transported to the place where the Israeli authorities claim they were executed by Hamas. The Israeli Government released a cell phone recording with someone yelling that they had been kidnapped, and then the sounds of multiple gun shots were heard on the recording. The cries of alarm have never been verified as the voices of the teens, yet Netanyahu gets away with declaring to the world that Hamas kidnapped and murdered the Jewish boys.

Thusly, Netanyahu kindles the flames of hatred and vengeance against Hamas -- a demonic rage quite like the rage kindled by Adolph Hitler. Now, Netanyahu has his wild Israeli mobs seething to endorse his preconceived plot, that of the merciless annihilation of the largely innocent civilian population of Gaza, just like his 2008 annihilation, and like other such annihilations, all of which clearly spell "genocide" by all accepted legal and moral definitions.

In addition to the cell phone recording of questionable content, we should be highly suspicious about the capability and culpability of Hamas succeeding in kidnapping and murdering the three Jewish boys in what was an Israeli controlled area. Think about it! Palestinians are living in a tightly controlled cage, so it would be virtually impossible for them, carrying guns, to sneak into Israel through impenetrable Israeli checkpoints.

Furthermore, there is an old axiom: Cui Bono? Who Benefits? Hamas would be harming themselves by foolishly committing this crime at a time when Hamas was succeeding as a partner in the unity government. Ah, but Netanyahu would benefit lavishly by murdering these Jewish boys,

because the Palestinian unity government was about to receive International Monetary Funding and recognition. Israeli political analysts realize that Netanyahu cannot tolerate Israeli/Palestinian peace and the "two-state solution." So, obviously, Netanyahu had to smash the Palestinians' peace plan by bombing Gaza to powder.

Now, Netanyahu's dream comes true. He gets to annihilate the tough Palestinian resistance, plus he gets to shatter the peace plan, and to desirably perpetuate the conflict in Israel's 66 year old duplicitous game of pretended coexistence, which flies in the face of the systematic demolitions of families' homes, the theft of families' land, and the slow-motion genocide of an entire nation of people, whom we now discover, through Jewish scholars, are truly descended from the Tribe of Judah, Yehudah! Yes, Netanyahu is bombing Jews in Gaza!

As you read and view these video documentaries further down these pages, you will see that the murder of these three Jewish boys is a provocation which Netanyahu would concoct, and it runs motivationally parallel to Netanyahu's concoction of the airplane attacks upon, and the Israeli Mossad's preset demolitions of, the Twin Towers in New York City on September 11, 2001.

I hereby level this charge of mass murder against Netanyahu, based upon solid evidence presented by Jonathan Elinoff in his excellent video documentary, "Core Of Corruption," which is presented near the end of this set of investigative reports, all of which are compiled herein.

This report leads one to suspect that Netanyahu is now, for the first time, forced to do damage control; he is chameleonizing or reshaping his initial accusation that Hamas murdered the three Jewish teenagers. This Netanyahu fallback to a safer lying stance may be because I and others have been getting close to the truth: that either Netanyahu had the three Jewish boys murdered or that he faked their murders. Remember, those \*alleged\* murders of Jewish boys came at just the opportune moment when Netanyahu was setting up military plans to bomb Gaza. How fortunate for Netanyahu that these murders of Jews came at a moment when Netanyahu needed to deceitfully incite outrage and hatred against Palestinians in order to justify his desired bombing blitzkrieg over Gaza, and then launch a ground assault of IDF Zionist fiends who enjoy shooting pregnant mothers in their stomachs. These Zionazi fiends call their sport Two-Kills-for-One-Shot". John DiNardo

First you must study the genuine emotional reactions of mothers to the loss of their children. Then observe the utterly bogus emotional reaction of a crisis actor pretending that her son had just been murdered. Factor this fakery in with the several other exhibits of Netanyahu's fraudulence (presented herein), and one begins to realize that we citizens of humanity must force Netanyahu to provide the bodies of the three Jewish victims, in order to ascertain their identities, and to ascertain the cause of their deaths. If he refuses to surrender the bodies -- which he will -- then we, the citizens of humanity must bring Netanyahu before an international tribunal and try him for war crimes, and for concocting false provocations against the State of Israel leading to the horrific murders of many hundreds of innocent men, women, and children, most of them Palestinian, and some of them Israeli. Hamas leader denies Netanyahu's accusation that Hamas kidnapped three Jewish teenagers. He goes on to say that Netanyahu, as usual, makes false charges, false arrests without formal charges, and metes out punishment with no attempt to present any evidence against the accused. Notice the reasons given for this probable Netanyahu false flag attack to blame Palestinians: the Israeli people and Netanyahu's opponents were condemning Netanyahu for deliberately trashing the peace plan, and the resulting public animosity against him was about to get him ousted in the next election. I agree with the news analyst that this kidnapping of Jews may be yet another Netanyahu false flag attack designed to deceitfully blame Arabs. Why am I biased against Netanyahu? Because he has given every honest investigative reporter reason to suspect him of treachery ever since he had been one of the major conspirators in the airplane attacks on the World Trade Center on September 11, 2001, in which Netanyahu and his co-conspirators incinerated 3,000 Americans. Here is video evidence showing that Netanyahu ordered his Israeli Mossad secret agents to participate in the airplane attacks on the World Trade Center in New York City. In that attack of September 11, 2001, Netanyahu cremated 3,000 people. Netanyahu has a record of perpetrating terrorist massacres and blaming his massacres on Arabs in order to create false justifications for ordering his U.S. Government stooges to bomb and invade more Arabs, in Iraq, in Afghanistan, and in Palestine. U.S. Congressman Ron Paul: Netanyahu\_Owns/Operates\_Hamas

John DiNardo:

The ISRAELI GOVERNMENT MURDERED NINETEEN JEWS AND WOUNDED SEVENTY OTHERS IN A TERRORIST ATTACK UPON A BUS IN JERUSALEM, IN ORDER TO FABRICATE REASONS TO STEP UP ITS 2/3 CENTURY LONG CAMPAIGN OF GENOCIDE AGAINST A NATION OF

"COCKROACHES WHO MUST BE CLEANSED FROM THE LAND" so that Zionists (not humanitarian Jews) can steal it all for themselves.

This revelation from U.S. Congressman Ron Paul makes us all realize that the Netanyahu regime ordered its Hamas undercover provocateurs to fire rockets at Israel in order to justify Israel's genocidal bombing of the civilian population of Gaza. Ron Paul did not actually say, "Netanyahu Ordered Hamas to Fire Rockets at Israel," yet if we were to ask Ron Paul, right now, Do you think that the Netanyahu regime ordered Hamas to fire rockets at Israel? . . . we all know what his answer would be:

Well, there is evidence that the Israeli Government knew, condoned, and possibly ordered the terrorist attack on that bus in Jerusalem that killed 19 Jews and wounded 70 others.

From The Ron Paul Institute:

"Richard Sale opens a window on the Israel government's effort to aid Hamas' growth in his June 18, 2002 United Press International

article:

""In the wake of a suicide bomb attack Tuesday on a crowded

Jerusalem city bus that killed 19 people and wounded at least 70 more, the Islamic Resistance Movement, Hamas, took credit for the blast. Israeli officials called it the deadliest attack in Jerusalem in six years. Israeli Prime Minister ARIEL SHARON immediately vowed to fight

"Palestinian terror"

and summoned his cabinet to decide on a military response to the organization that Sharon had once described as

"the deadliest terrorist group that we have ever had to face."

Active in Gaza and the West Bank, Hamas wants to liberate all of Palestine and establish a radical Islamic state in place of Israel. It has gained notoriety with its assassinations, car bombs and other acts of terrorism.""

**BUT ISRAELI PRIME MINISTER SHARON LEFT SOMETHING OUT!**

Israel and Hamas may currently be locked in deadly combat, but, according to several current and former U.S. intelligence officials, beginning in the late 1970s, TEL AVIV GAVE DIRECT AND INDIRECT FINANCIAL AID TO HAMAS OVER A PERIOD OF YEARS.

"Israel AIDED HAMAS DIRECTLY-- the Israelis wanted to use Hamas as a counterbalance to the PLO (Palestinian Liberation Organization)," said Tony Cordesman, Middle East analyst for the Center for Strategic Studies. Israel's support for Hamas

"was a direct attempt to divide and dilute support for a strong, secular PLO by using a competing religious alternative," said a former \*senior\* Central Intelligence Agency official.

~~ NETANYAHU\_FAKED\_THE MURDERS\_OF\_3\_JEWISH\_TEENS  
\_TO\_JUSTIFY\_BOMBING\_GAZA

Israeli journalists Lia Tarachansky and Shir Hever suggest that Netanyahu planned the kidnapping/murder of the three Jewish teenagers in order to concoct a reason to launch air bombing annihilation upon Palestinian civilian towns, and to step up their 2/3 century long genocide, using superior weaponry against stone throwers. The rockets being fired against Israel are coming from a faction of Hamas, which I will soon show, is controlled by

Netanyahu, whom, we can document, was one of the masterminds behind the 911 attacks upon the World Trade Center in New York City. Therefore, we have good reason to surmise that Netanyahu

ordered the kidnapping and murder of those three Israeli teenagers in order to propagate and emotionalize the illusion of Palestinian aggression against Israel. JD

<https://www.youtube.com/watch?v=kWgXYOpFpmk>

Israeli journalist Shir Hever describes and analyzes a situation within Israeli society which is fearfully concealed by the Zionist power elite ruling the U.S. broadcast/print media. There is a fascination in all of the film footage punctuating this interview, so I suggest that you study the interview from the beginning. For brevity, however, you might begin around the 10-minute point. JD SHIR HEVER: "There was a terror attack near Eilat, in the south of Israel. Netanyahu immediately declared that this was an attack that came from Gaza, and he bombed Gaza, and Killed four people in Gaza. And later, it turned out that this terrorism attack had nothing to do with Gaza. Hamas decided NOT to retaliate, because Hamas said, what Netanyahu is trying to do is to get us to fire rockets into Israel so that he won't have to deal with the [Israeli people's] social protest. And we [Hamas] are not going to do Netanyahu's dirty work for him. So, they decided not to retaliate. Hamas knew that "we're not going to play that game."

{JD: This fact should jolt awake all people of conscience, everywhere, to rise up and vociferously shout out, through any and all channels of social media, that, "Hey, those three Israeli teenagers who were kidnapped and murdered . . . Netanyahu probably set up that kidnapping and triple murder in order to justify intensifying the genocide campaign against a civilian population falsely blamed and victimized by Netanyahu's Hamas undercover provocateurs whom Netanyahu ordered to fire rockets at Israel. This explains why Israel has suffered virtually no casualties and has received very little property damage from Netanyahu's false flag rocket attacks upon Israel.}
