Rebekah Roth was an airline stewardess whose acquaintances,  
professional knowledge, and intensive research has revealed  
esoteric evidence identifying conspirators in the horrific  
September 11th attacks on New York City and Washington, D.C.  
Rebekah Roth is quite alarmed because her investigations suggest  
that the same gang of criminal perpetrators may now be plotting  
another 911-style attack on America -- a nuclear attack which is  
designed to hurl America's boys and girls into a greater, radioactive  
war in the Middle East. You must offer your encouragement to her  
by visiting [RebekahRoth.com](http://RebekahRoth.com), and by copying and pasting this entire  
email message into her CONTACT message box. She will then edify  
and inspire you to aid in our attempt to save millions of lives by  
thwarting this coming nuclear terrorist attack upon America.
