Today, the culprits in power deleted this video from vimeo.com, just as they deleted it from YouTube yesterday, after I had tweeted it to many people. However, my webmaster downloaded it before the culprits deleted it. And so, we have secured this video evidence for all the world to examine -- for how long, I do not know. You need to download this video, so that, retained in many hands, this evidence cannot be expunged.

The fact that they took this video down from YouTube and Vimeo indicates that this video constitutes highly incriminating evidence against the U.S. and Israeli power elite -- USrael -- who are now wrangling to ignite a war in the Middle East. If you are a common Zionist supremacist, do not delude yourself with the notion that you are on a superior team, brandishing a gun and enjoying economic status. You are, in fact, a candidate for the walking dead, along with all the rest of us on Earth. Every Jew in the world, especially in Israel, ought to be terrified of being incinerated by nuclear missiles; every Arab, as well; every American and Briton; every person on Earth!

And so, we must all collaborate and cooperate to expose and deter these Zionazis who threaten to inflict a nuclear holocaust, not of six million, but of six billion, in their reckless rush toward human extermination. Today's global political intrigue is forcing the birth of a new word: "HUMANICIDE."

That there ^^ is the video evidence which the ruling culprits just deleted: the evidence of the fake Paris False Flag Shooting, which the diabolical global ruling elite have thereby withheld from your awareness, from your understanding that they are the monsters who are leading us to our extermination as "the human race." In two days they have given us a glimpse of their power to withhold truth and delude the masses.

Did you see the tearful mass assemblies of mourners in Paris? Deluded mourners, human sheep blanketing the plazas and the thoroughfares. Today, they mourn. Tomorrow they will hate Muslims, just as they were psychologically traumatized to hate Muslims by today's scientific mind controllers, high-tech Nazis, and their rabble-rousing hate-mongering Hitlers: Satanyahu, Merckel (did you see Merckel's shifty sheepish eyes on the evening of the shooting?), Cameron, et al. Yes, Jews of the World, Americans, Britons, etc. . . . just remain still -- be misled -- be sedated by the dull hum of hate babble flowing into your mind, and soon KA-BOOM! the great mushroom cloud will overtake you by surprise, and you will die slowly and agonizingly with starvation, dehydration, disease, and yes, leukemia.

[Thank you, @GlennBeck conservative America's pied piper, demagogic stooge of the CIA's @BuckSexton and Israel's Mossad]

Oh, the pride of the Zionist chauvinist's heart! Oh, we're so proud to see Netanyahu decimate the Arabs. We'll keep them in their place and show them that we're superior to those "gentile dogs." Yet, soon, fools, you will be the walking dead, suckered in by the folly of human pride!

On the TV news last night, Satanyahu's eyes were shifting so sheepishly that even a child could see that he was lying through his teeth, and that this Paris shooting was yet another one of many terror strikes by U.S. CIA and Israeli Mossad fiends. The word "fiends" is too mild for these perpetrators of atrocities and for their masters, ensconced atop the pinnacle of the world's monolithic pyramid of power.

Remember . . . Palestine is now being recognized, so the Zionists have to perpetrate another false flag terror strike and blame it on Arabs, as they did on 9/11 2001 when the world was expressing sympathy for the dire plight of the Palestinians, and when righteous indignation against Zionist savagery was arising in the U.N. and among the peoples of the nations. Go back and read the big news stories just prior to September 11th 2001. It was Satanyahu then -- when he declared in Jerusalem, "THIS IS GOOD FOR ISRAEL" -- and it is Satanyahu now, who needs to escape the long arm of justice, now reaching out to grab him by his venomous throat. So now, for this Zionist-concocted atrocity, you have Satanyahu's motive alongside the mutually aligned motive of the global banksters who are about to plunge the world into the financial abyss, and therefore, they need to concoct a world war, just as they did when they plunged the world into a decade of hellish economic deprivation, namely, the Great Depression, from which they violently extricated the world's desperate masses by fomenting the slaughter of many tens of millions and the slaughter of the long-planned Nazi holocaust, decided decades earlier by ultra-Zionists Martin Buber and Chaim Weizmann. Satanyahu, Soros, Brzezinski, Rockefellers, Rothschilds, the Jesuits, et al . . . this nasty nest of surly hissing vipers must be suppressed and thwarted, OR ELSE we will suffer the horrors of nuclear winter, world starvation, and agonizing death by leukemia, our forthcoming payback for laxity and apathy when we lazily permit evil to infect and fester across civilization's nations.

Thankfully, we still have the incriminating video evidence. Here it is. I would be grateful to all who would tweet and, in any other way, distribute this entire message to alert the citizens of all nations as to the horror and death hanging so precariously over our heads and over the heads of our families today.

Thanks so much for your help.
