

Scourge Nazis, yet Empower Zionazis. This is Truth in Exile!
Both Nazi human beings and Zionazi human beings believe that their ethnicity makes them humanly superior to all other human beings. Their dual insanity is inflicting multiple genocides on our human race. European human beings who immigrated to America felt humanly superior to African human beings and to American Indian human beings, and thus, their active or *passive* support of this diabolical mentality inflicted two genocides upon our own race: The Human Race. Japanese human beings believed that their ethnicity made them humanly superior to Chinese human beings. Go to YouTube and watch "The Rape of Nanking."

Do you see a pattern here? Ethno-Supremacism is Humankind's birth defect! And it derives from a deeper defect: pride.

The Devil is proud; hence, "he is a murderer!" [said Jesus, the Saviour] Conversely, GOD is humble; hence, "He restores souls." [said King David] Most of you and I are doing nothing to combat US-backed ZioNazi genocide against Palestinian human beings and other Arab human beings. Most of you and I are doing nothing to combat AmeroNazi genocide against Iraqi human beings, Afghan human beings, Pakistani human beings, and Syrian human beings.

Do we just say, "I give up," or do we fight with our minds and our spirits and our souls? Our spirits and our souls are the ear to hear GOD's commanding whisper for truth, justice and love:

+ "Thou Shalt Love Thy Neighbor as Much as Thyself" +

And to you people of The EXODUS, Ch. 20, and to all people, GOD commands:

+ "Thou Shalt Not MURDER" +
