

## Part 1) TV Documentary: Sodom & Gomorrah Asteroid Strike

John DiNardo:

Appended to my prologue here, is the link to an amazing television documentary. I hope that you will watch it, for your life is soon to be affected, not afflicted (I hope), by a recurrence of this historical event.

Scientists have recently proved that the Holy Bible's account of God's destruction of Sodom and Gomorrah by "fire and brimstone from the sky" is historically factual and accurate. Through the discovery of an ancient Sumerian clay tablet (about the size and shape of a large pizza), British scientists Hempell and Bond have done meticulous computer regressions back in time to identify the precise ancient day and year when the constellational star pattern matched the star pattern that was recorded on this ancient Sumerian clay tablet, the tablet also depicting an asteroid streaking across the sky. Hempell's and Bond's analysis found that day and year to be June 29th of the year 3,123 B.C. (before the birth of Christ).

Hempell's and Bond's fix on this ancient index point in time is confirmed by independent scientists' studies of ice cores pulled from the depths of various icy areas on Planet Earth. Ice cores contain samples of the unique mixtures of atmospheric gases which existed in the ancient centuries indexed at various depth points on the length of the ice core. What these independent and unrelated (to Hempell and Bond) scientists discovered was astounding! They found evidence that, in the thirty-second century before Christ, our entire planet Earth abruptly fell into a catastrophic ice age, and the evident cause of this abrupt onset of a worldwide ice age was the sudden blanketing of Earth's entire atmosphere with black ash and soot, thus blocking out the Sun's rays. This global "climate collapse" was a mass extinction level event.

"In northern Africa, a lush and fertile region suddenly dried up to become the Sahara Desert. In Chile, formerly tropical regions became inundated with snow and were frozen for millennia. In the Middle East, fertile regions turned to desert, and civilization collapsed." [an excerpt from the documentary]

The haunting conclusion that glares at us from this fascinating scientific discovery is that the Holy Bible -- declaring itself to be God's communications to man, conveyed by God's mental telepathy to His prophets (in this case, Moses) -- repeatedly and emphatically declares that God is wrathful toward mankind, not only those of the twin cities of Sodom and Gomorrah, but toward all of humankind, as evidenced by God's destruction of virtually the entire human race which God created. A thorough study of God's written Word, the Holy Bible, reveals God, at various historical interludes, declaring His aggrieved wrath over mankind's abject disregard for God's invisible, yet tangible, presence, and over man's flouting of conscience, which God has breathed into all human constituents of His creation.

15 ". . . which show the work of {God's} Law written in their hearts, their conscience also bearing witness," ROMANS, Chapter 2.

I am not trying to scare you, as I am scared. Rather, it is God who, like a good father, is trying to "scare us straight" -- for God declares, at several places in His Holy Bible:

"Fear of The LORD is the Beginning of Wisdom [a belief in God]."

Never have I (nor have many other similarly imperiled persons), been so starkly and emotionally cognizant of that particular admonition by God than when I faced the real possibility of being killed, many years ago. At that time, I was a belligerent atheist. Yet, at the moment of peril, I sincerely knew God for the first time in my life, as I pleaded with God to save my life. I relate this story to you as a gift of knowledge which I am sure you will need soon, for I and many other researchers of the confluence of Bible prophecy, archaeology, and astronomy have discovered evidence of the imminence of God's avowed wrathful punishment to be meted out once again.

God's wrecking ball, wielded repeatedly throughout the distant past, is what N.A.S.A. calls "Planet X," and is what the ancient Sumerians called "Nibiru," and what the Holy Bible calls "the Destroyer" and "the Death Angel," and what other ancient civilizations have called "the Winged Globe". It is a massive dwarf star which N.A.S.A. has secretly verified to be incoming due to the irresistibly great gravitational force field exerted by our Sun's mass, which is equal to one-third of a million Earth-masses.
