

\_\_\_ Trump Stated:  
"Other People's Money . . . I Love That Idea!  
Let's Use Other People's Money!"

YOU are the "other people" who paid that billionaire's taxes for the past half-century . . . you and your parents paid Trump's taxes for the past half-century! Don't you know that billionaires bribe politicians to rig the tax laws, so that you middle class suckers get stuck with the billionaires' tax bills, year after year after year?!

\_\_\_ Duhhh \_\_\_ THEREFORE, Ask yourselves:

\_\_\_ Why Am I Not Thinking to Write-In Vote for Someone Whom I Believe is Honest and Sincere? . . . Whom do you believe is honest and sincere? Is it a statesman? Is it a senator from Vermont? Is it a senator from Kentucky? Is it a naturalpathic physician? Is it an obstetrician? Is it a humanitarian? Is it an activist? Is it someone who is dedicated to the cause of justice for all? Is it someone who saves lives? Is it someone who protects lives? Is it someone who is devoted to GOD?

Or is it the man who stole your sweat-earned taxed wages for the past HALF-CENTURY ? . . . the man who stole your earnings and your parents' earnings all your lives? WakeTFU !!
