

John DiNardo March 14, 2016

From the moment that the news of the Oklahoma City bombing broke, I instantly (not later, but instantly) knew that it was perpetrated by the diabolical ruling elite, and I announced it to those who would listen.

From the moment that the news of the World Trade Center attacks broke, I instantly (not later, but instantly) knew that it was perpetrated by the diabolical ruling elite, and I announced it to those who would listen.

From the moment that the news of each of hundreds of mass shootings broke, I instantly (not later, but instantly) knew that each was perpetrated by the diabolical ruling elite.

AND . . . from the instant that the news broke of anti-Trump protesters disrupting Trump rallies, I instantly knew that these anti-Trump protests were perpetrated by the diabolical ruling elite who own and operate their multi-billionaire stooge, Donald Trump. My next objective is to discover evidence indicating that the American people are being tricked, once again, into voting for their own deeper agonizing tyranny -- tricked, once again, into voting for bigger, stronger chains to be wrapped around their throats -- tricked, once again, into voting for a Netanyahu stooge who will obediently send your sons and daughters into Netanyahu's Middle East nuclear inferno, following Netanyahu's oft-repeated lust to sneak-attack Iran, against which nuclear Russia shall avowedly retaliate.

Americans have been craftily stupidified, by the diabolical ruling elite, into clamoring for their stooge tyrant, Trump. HOWEVER, for those of you with ears to hear, and with wits to discern, I will now give you a clue as to why the diabolical ruling elite pretend (to you) that the GOP opposes Trump, and why their TV reports are crafted to waft out upon America's viewers a strong stench of disdain for Trump.

Here's a clue for those who realize that they're being tricked. Br'er Fox and Br'er Bear are the stupidified Americans. Br'er Rabbit is the diabolical ruling elite's television propagandists. And stooge Trump is the briar patch.
