

Dear Trump Supporters,

I'm trying to get you to see the abundant evidence that Trump is a stooge of the diabolical Zionazi ruling elite. However, because we all tend to cling to our hallowed belief systems, we tend to refuse to examine evidence that would threaten those hallowed belief systems. I have friends who likewise refuse to examine the abundant evidence that this whole Muslim terrorism revolution is created, recruited, trained, funded, armed, and militarily supported by the diabolical Zionazi elite (USrael's neo-con ruling *elite*) who literally terrorize the entire U.S. Congress. That's all in my video documentary which I have sent to you many times, and which you refuse to study because it threatens your hallowed belief system. Now don't get angry and remove me from your mailing list. This is tough love between friends. The truth is more important to all of us than our vain pride. Study this video, and then explain to me why you think my evidence is bogus. If your explanation is convincing, then I will be forced to admit my error. Deal? John

Trump Protects 911 Terrorist Netanyahu [I know . . . Trump fans will delete this message because their hallowed belief systems are more precious to them than the truth. Such people are a part of the problem which perpetuates terrorism, because they blame the fake terrorists, while ignoring the real terrorists.]
