

I feel compelled to alert you to the fact that they will eventually perpetrate more false flag attacks to make the World hate Christians. It has not happened yet, but a world-renowned prophet, with a perfect track record, long ago foretold the World's hatred of Christians, and He also foretold the mass beheadings of Christians. Beheadings by the United States CIA/Israeli Mossad's ISIS terror army are already occurring in the Middle East.

And what was it that that Israeli soldier revealed to us in a one-hour expos'e, which I'll repost soon? He said that New York City police officials and police from all over the U.S. are being trained in Israel to subjugate the American people, and he said that the notoriously brutal Israeli Army will be occupying the streets of America.

So, today it is the Muslims whom the Zionazis are subjugating and false-flagging for World hatred. Tomorrow it will be the Christians! It would be calamitous to weaken your resolve by fooling yourself with the hope that "Maybe it won't come true." It will come true . . . because it has been *unerringly* prophesied. JD

Zionists Blame Muslims.
