

I have always respected Alex Jones for the great sacrifices he has made over the years in the cause of freedom, justice and truth. However, I cannot remain silent after hearing him interview Jerome Corsi yesterday and Congressman Walter Jones today.

What I heard from Dr. Corsi yesterday is that Obama is the one responsible for inflicting the ISIS terrorist army upon the people of the Middle East. Yes, Obama is guilty of this treason, of course, but he is a puppet of the diabolical ruling elite. Just who are these shadowy rulers. Research reveals the identities of some of them:

Rahm Emmanuel, high ranking Israeli Mossad official
Benjamin Netanyahu, prime minister of Israel,
George Soros,
the Rockefellers
the Rothschilds
the British Crown
the Dutch Crown
Spanish royalty

The following partial list of culprits is in a publication by Tony Cartlucci:

Kenneth Adelman, Frank Gaffney, Frank Carlucci,
Robert Kagan, Richard Perle, Daniel Pipes, Francis Fukuyama,
Lewis Libby, Vin Weber, Donald Rumsfeld, Paul Wolfowitz,
Steve Forbes, Jeb Bush, Elliot Abrams, Dick Cheney,
Dan Quayle, Richard Armitage, John Bolton, Robert Zoellick,
Zalmay Khalilzad, William Kristol, Paula Dobriansky,
Max M. Kampelman, Will Marshall, Leonard Sussman,
Ellen Bork, and Elliot Abrams.

Yes, certainly the elite rulers of Saudi Arabia are major players in the coups being executed against numerous Middle East nations. However, Jerome Corsi names only Obama, the puppet, the programmed robot. It is clear to me that Jerome Corsi is aiding the globalist nuclear war arsonists. Dr. Corsi is aiding them knowingly or unknowingly. I cannot imagine that he could be so ignorant as to blame only Obama (on the Alex Jones Show) for this globalist military assault upon the sovereignty of numerous Middle Eastern nations -- an assault which he and Alex Jones surely know is ultimately aimed at the sovereignty of all the First World nations, as well.

Please listen to Alex Jones's third hour with Jerome Corsi, Tuesday, January 21st. You'll hear what I'm criticizing. Alex takes a feeble poke at the prime culprits, saying that he does not like some of the things that Israel does. Well, it is not the people of Israel who want nuclear war. It is their diabolical rulers! And it is not merely

"some of the things they do," Alex. It is their intensive assault upon all the World by them, under their proclaimed Illuminati'd god, Satan, who is now directing them to inflict

"Wo unto the inhabitants of the earth and the sea, for he knows that he has but a short time."

These Alex Jones interviews certainly do deserve to be criticized, because, folks, the World is likely to suffer nuclear conflagration:

Tel Aviv,

Paris,

London,

New York,

Los Angeles,

Houston, etc.

This globalist-plotted nuclear war in the Middle East, with Netanyahu, his Mossad, and our de facto CIA Government hiding behind the curtain of secrecy on the World stage, thrusting ISIS spears into the surrounding Arab nations, is likely to explode worldwide, because the Zionazis, the neo-con "crazies," as Colin Powell called them, are intent upon going nuclear. If you take a couple of weeks to study my evidence, below, you will understand why they have no fear of nuking the World -- because they can see, with their N.A.S.A. space telescopes, that Earthwide catastrophe is approaching via hordes of comets, which are even now provoking gravitational, electromagnetic and solar excitations upon Planet Earth. Gov. Jesse Ventura has documented, on TruTv, that, for decades, these global ruling elite have been building trillion-dollar underground cities in which to descend when the intensity of these incoming celestial excitations becomes perilous.

So, indeed, the diabolical global ruling elite [not just Saudi Arabia, Alex Jones; not just Obama the puppet, Jerome Corsi] . . . indeed, the global ruling elite want nuclear war. They're not just playing recklessly. They are arsonists, feverishly setting the World afire, because

"they know that they have but a short time."

Jesus, The Son of God, in The Book of REVELATION, Chapter 12.

Who can forget the nuclear bomb stolen by Vice-Pres. Cheney, from Minot Air Force Base, which is still missing to this day? Who can forget Cheney's "Bomb-Bomb-Iran" joke? Who can forget the Zionazi elite's "Sampson Option," wherein they state that if the world turns against their savagery and bellicosity, they will, like Sampson in the Book of Judges, destroy the whole World in a blaze of nuclear fireworks.

And what is Alex Jones NOT doing, over the past many months? He is NOT fingering some of the major culprits, such as Netanyahu and his Likud Party maniacs who are plotting to blow-up Al-Aqsa Mosque, as Texe Marrs has documented. That false flag attack

will probably trigger nuclear World War III. Alex Jones does deserve credit for hosting Curt Haskell last week, who exposed the Zionist ruling elite as the likely perpetrators of the false flag Paris massacre, which I and many others have been showing was a Netanyahu false flag attack to intimidate the French government and other governments from recognizing Palestine, AND to intimidate the French and other governments from siding with the INTERNATIONAL CRIMINAL COURT, which is now charging Israel with war crimes for genocide against the huge civilian population in Gaza. Have you forgotten the news reports that Netanyahu has been fearfully lobbying the puppet U.S. Government to halt the progression of criminal prosecution against *himself* in the INTERNATIONAL CRIMINAL COURT? So, it becomes clear that Netanyahu ordered the Paris false flag fake massacre because of all his nuclear war-directed atrocities in Gaza.

The recognition of Palestine was a political trend that also grew just before the World Trade Center attacks of September 11th, 2001, of which Netanyahu was one of, if not the prime, conspirator. Justin Raimondo of antiwar.com and Jonathan Elinoff, among others, have documented the evidence for such an allegation. So, you can see the hand of the Zionazi elite in both of these similarly motivated false flag attacks, and in their brutal CIA/Mossad/Saudi (the Saudi rulers and the Zionists are in collusion) war of terror, designed to topple the sovereign governments of Libya, Syria, Yemen, Iran, Iraq, etc.

Please go back and listen to the Alex Jones show, the third hour of yesterday's show, Jan. 20th, and today's show (I think it was the third hour), and listen to Dr. Jerome Corsi and Congressman Walter Jones.

Also, Joyce Riley of The Power Hour and Dr. Paul Craig Roberts deserve to be commended for their dedication to truth in identifying the major culprits who are driving you and me, our families, and the entire human race to our deaths by nuclear incineration, nuclear winter, nuclear starvation, nuclear disease, and nuclear leukemia.

Below, you will find such voluminous evidence, both in text and in video presentations, that it would require many many hours of study to assimilate it all, with all its embedded links within links within links within links.
