

## What's Ailing America?

### AMERICANS CANNOT HANDLE THE TRUTH

In last weeks newsletter (which can be accessed at [http://thelightofdayradioshow.com/archives/RBN-BACKUP/Feb-2014/Feb-Newsletters/MORE-HORRORS-THAN-CAN-EVER-BE-DISCLOSED\\_021814.pdf](http://thelightofdayradioshow.com/archives/RBN-BACKUP/Feb-2014/Feb-Newsletters/MORE-HORRORS-THAN-CAN-EVER-BE-DISCLOSED_021814.pdf) ), I provided a link to an interview with Rabbi Finkelstein where he bragged about how abducted children are being bloodletted so their blood can be mixed with matza, and then sold to McDonalds to be made into hamburgers and sausage (proof that the movie "Soylent Green" was yet another documentary). I usually receive many e-mails after my newsletters go out; however, I only received one response regarding this disclosure. I was amazed when Wendy Wilson (who puts out the American Survival Newsletter) actually brought this up on a show we did on 2/18/14 on AVR. Other than her, not even my closest conspiracy realists have commented on this pure evil right in our face. I wonder why any aware human would bring another life into existence here in pure hell unless willing to rise up and stop the monsters destroying everything that matters. That is called SELF DEFENSE; something that animals exhibit, but has apparently been removed from human beings through the "love your enemies" religious mind control. This will be our undoing; is this not obvious to all of you? I will continue to speak the truth, no matter the cost (including 3 attempts on my life so far)...but unless others will face the fact that they are already dead if they do nothing, the depopulation agenda of the UN (agenda 21) as well as the trans humanist agenda of agencies like NASA will come to fruition. Check out the very important interview of Deborah Tavares: NASA document explains plan for end of mankind: <http://www.youtube.com/watch?v=eN4XICOyRb8> . Or do the "ignorance is bliss" mambo and die on your knees...your choice. The only answer I have come across to exterminating the psychopathic predators is <http://www.americandefenseparty.com> ; a **non-voting political party dedicated to the dismantling of the federal government. It's not anarchy because we'd still have the state governments, which are bad enough.** Nothing matches the danger to our lives and property that the US federal government presents.

Some good news: the blowback by American slaves has finally begun:

<http://www.usatoday.com/story/opinion/2014/02/23/license-plates-guns-news-federal-government-column/5759933>

One important story you are NOT hearing about in the main stream media is the following:

<http://www.ancientclan.com/topic/12896-us-supreme-court-you-cant-sue-big-pharma-anymore>

So, as further evidence of the rampant corruption in the supreme court, in a 5 to 4 vote the US Supreme Court has absolved pharmaceutical companies, and over 80 percent of all drugs prescribed in the US, of legal liability for a long list of ill deeds including fraud, mislabeling, side effects and accidental death. This follows the absolution of vaccine manufacturers from causing all diseases in internal medicine. So now we have a situation where Americans are being told they must get insurance which covers only big pharma "treatments"; and once they suffer deadly side effects not listed on the label, they are not allowed to sue the manufacturer of the killer drug. As correctly stated in this article, "This Supreme Court ruling will effectively absolve Monsanto and all other companies, Syngenta, Merck, Dow, Bayer, etc. from any lawsuits that would hold them accountable for the damage they are doing to public health. We are all being poisoned with an endless loop of toxic foods which cause cancer, inflammation, reproductive

issues, organ failure and more, and then ‘medicines’ that address the very issues caused by toxic food and a toxic environment. It’s a sick, tortuous plan. Unless we find a way to stop these corporate entities from controlling our governments, like India has with its recent refusal to patent Monsanto maize, **we will have signed our own death certificates.**”

Of course, we are being poisoned in so many ways it is amazing that anyone has any degree of health; only by educating yourself as to how you are being poisoned, avoiding what toxins you can and detoxifying yourself will you survive. Another example of how bad things are: Roundup Weedkiller Found In 75% of Air and Rain Samples, Gov. Study Finds [http://www.greenmedinfo.com/blog/roundup-weedkiller-found-75-air-and-rain-samples-gov-study-finds?utm\\_source=www.GreenMedInfo.com&utm\\_campaign=23cbe42de7-Greenmedinfo&utm\\_medium=email&utm\\_term=0\\_193c8492fb-23cbe42de7-86976433](http://www.greenmedinfo.com/blog/roundup-weedkiller-found-75-air-and-rain-samples-gov-study-finds?utm_source=www.GreenMedInfo.com&utm_campaign=23cbe42de7-Greenmedinfo&utm_medium=email&utm_term=0_193c8492fb-23cbe42de7-86976433) So, “*The GM farming system has made exposure to Roundup herbicide a daily fact of our existence, and according to the latest US Geological Survey study its probably in the air you are breathing...*”. What an amazing situation we find ourselves in...these corrupt government agencies allow us to be exposed to poison, document how extensive the poisoning is, and continue to do nothing about it. One of the diseases with a known high correlation with pesticides is Parkinson’s disease: Pesticides and Parkinsons: [http://articles.mercola.com/sites/articles/archive/2014/02/20/pesticide-exposure-parkinsons-disease.aspx?e\\_cid=20140220Z1A\\_DNL\\_art\\_2&utm\\_source=dnl&utm\\_medium=email&utm\\_content=art2&utm\\_campaign=20140220Z1A&et\\_cid=DM39656&et\\_rid=432925646](http://articles.mercola.com/sites/articles/archive/2014/02/20/pesticide-exposure-parkinsons-disease.aspx?e_cid=20140220Z1A_DNL_art_2&utm_source=dnl&utm_medium=email&utm_content=art2&utm_campaign=20140220Z1A&et_cid=DM39656&et_rid=432925646) . In fact, when I was in medical school (1983-87), we actually learned that environmental herbicides were a major cause of Parkinson’s disease. Of course, when I did my rotation in neurology, NEVER was a Parkinson’s patient asked about exposure to these toxins. When I asked why, the answer was “because there is nothing we can do about it”. (Note that there is a homeopathic remedy I teach my clients about that detox all these toxic pesticides). I saw this constantly as I made my way through all my rotations in medical school...known side effects of drugs and toxins were never discussed with the patients. Over time, I realized that there is NO such thing as “informed consent”.

In another example of “opposite day”, the WHO (World Homicide Organization) is “celebrating” India’s “triumph over polio”: [http://vaccinewsdaily.com/medical\\_countermeasures/329814-who-celebrates-indias-triumph-over-polio](http://vaccinewsdaily.com/medical_countermeasures/329814-who-celebrates-indias-triumph-over-polio) . In fact, over 47,000 children became paralyzed from the vaccine (another “change the name” game when vaccines CAUSE disease): <http://www.hangthebankers.com/bill-gates-oral-polio-vaccine-cripples-47500-children> ; <http://tubetrue.com/conspiracy-theories/new-world-order/item/461-48-000-children-in-india-paralysed-by-bill-gates-polio-vaccine> . Just like when the measles vaccine causes subacute sclerosing panencephalitis as admitted in my medical book: [http://www.reversingvaccineinduceddiseases.com/files/3638448/uploaded/SSPE\\_from\\_Harrison\\_s%20optimized.pdf](http://www.reversingvaccineinduceddiseases.com/files/3638448/uploaded/SSPE_from_Harrison_s%20optimized.pdf) . They changed the name to autism to hide that fact. Of course, the BIG picture is that all diseases in internal medicine are actually vaccine induced diseases (with contribution from many other assaults being allowed on us through treason of the traitors in the district of criminals), as explained in my diagram “the big picture” available at <http://www.reversingvaccineinduceddiseases.com/files/3638448/uploaded/Diagrams%201-4.pdf> . If you have not yet done so, I strongly advice you download my diagrams and listen to my lecture explaining them. No one has been able to refute them in the 15 years since I came up with them, even though I have had a \$10,000 reward on [www.dr-carley.com](http://www.dr-carley.com) for many years for any white coat to do so. The truth is self evident; and no matter how many “diseases” they invent to hide the truth, people are waking up...finally. Educate yourself...your white coat has no clue, and will do anything to keep their license to kill. In fact, as revealed in the AAPS

(American Association of Physician & Surgeon's) document "Physician's Declaration of Independence" available at [http://www.aapsonline.org/index.php/article/physicians\\_declaration\\_of\\_independence](http://www.aapsonline.org/index.php/article/physicians_declaration_of_independence) , their main concern is how they are paid for writing their prescriptions for toxic drugs. No concern for the fact that their patients are being poisoned; no interest in actually learning how to heal. I attended a conference with one of their head minions, Dr Jane Orient, in NYC many years ago, and revealed how I was under attack for speaking out against bioweapon vaccines. She had no interest in protecting me, an MD being persecuted for speaking the truth. So although this group holds themselves out as "a voice for private physicians" since 1943, they are but another fraud on the public.

Lastly, medical minion Dr Sanjay Gupta announced on CNN this AM that all women should have genetic testing done for the breast/ovarian cancer gene, and have their ovaries cut out by the age of 35 if the result comes out positive. Unfortunately, I am sure that many women will follow his advise....

I will leave it there for this week...much more to follow. Please spread the word....
