

## What's Ailing America?

### FINE LINES & WRINKLES, BELLY FAT, YELLOW TEETH & HAIR LOSS

I am uplifted by the massive global awakening that is occurring, but also frustrated as to where so many slave work units are focusing their energy. Our DNA is being mutated which could end up in the extinction of humanity, we are being genocided in so many ways, our planet is being destroyed. Yet, so many who are distracted and hypnotized by tell-lie-vision are being convinced that if they use various products to decrease their fine lines and wrinkles, belly fat, yellow teeth and hair loss, they will have a changed life, they will be happy. Ignore the big picture of how everything that matters is being destroyed, and instead concentrate on superficial situations that mean nothing. Of course, the solutions required to change the big picture of our destruction require a dedication to truth and self defense against our ongoing genocide that is "hard" to do. Easier to deal with superficial matters, and thus feel a sense of "accomplishment"; and never ask questions such as why are so many people, especially men, losing their hair? Because that would lead you to research how vaccines cause an autoimmune attack against hair follicles, how radiation from many sources (including nuclear medicine tests and Fukushima) are involved, etc., etc., etc.. Get the hair plugs instead of dealing with the cause.

In the meantime, love your enemy predators, wave your flags while buying into the bullcrap that Amerika is the "best country in the world", what with all our "freedoms"/drone attacks/NSA spying/government corruption and fraud that is staggering beyond comprehension, etc. Frustration abounds in so many people I talk to who know what is going on, yet their friends and family refuse to open their eyes. They continue to get flu shots, while dealing with their superficial imperfections. They get sick and die as they go for their "health care" covered by their insurance. The biggest cause of death is medical "treatment", yet the lemmings keep jumping off the cliff. I have watched this happen to 5 members of my own family who refused to listen to the truth.

As I have stated many times, we have to realize that the genocide and destruction that is occurring is being done by psychopaths. If you are to protect yourself and your family, it is critical that you learn how to recognize these demons. An excellent you tube on psychopaths can be found at : <http://www.brasschecktv.com/videos/science-1/a-second-look-at-psychopaths.html> . Please share this with others, as you cannot fight evil if you do not know how to recognize those who have sold their souls for cash. And how do we fight evil? As I have said before, the only one with a plan is JB Campbell who started the <http://www.americandefenseparty.com> ; a **non-voting political party dedicated to the dismantling of the federal government. It's not anarchy because we'd still have the state governments, which are bad enough.** Nothing matches the danger to our lives and property that the US federal government presents.

As JB explains: "**The spell we're under can be broken by hearing some hard truths.** In our case here, thinking people seem to snap out of it as soon as the despotic nature of our Constitution is pointed out. We've been trained to venerate it without understanding the difference between the relatively harmless Articles of Confederation and what replaced them, which was eventual dictatorship under Lincoln and all who followed him. We must simply start

over. Our real founders were the rebels, not the treacherous Federalists behind Hamilton, who sold out the people from the start.

I think **the most effective tactic is to point out that the Bill of Rights was added to protect us from the Constitution. People can see that immediately but almost no one had ever considered it until now.** The party must show the people that the Constitution created another empire, as Patrick Henry said. And now **the Bill of Rights is dead, flawed as it was.**

**We're calling the government's bluff. Virtually everything I write and say is against the law but I've been doing it for decades.** Only so much federal forbearance can be explained by them not wanting to call attention to what we're doing. They know how huge the militia movement got to be before OKC, and that if an armed movement had an actual political agenda to dismantle the federal government, it could not be stopped. The militia had no agenda, which was why it collapsed with the first atrocity done in its name. Twenty years of federal treachery have had an impact since then. Americans have learned to hate their government.

Americans have rested on the assumed laurels of the Federalists for 225 years. The Federalists created this mess and now it's finally on this generation to correct the lethal course they put us on. **We either destroy the federal government or get destroyed by it.**

As I have said so many times, you are already dead if you do nothing. An amazing story I heard today on BBC News America was how the WHO (World Homicide Organization) has just announced that "a cancer tidal wave is on the horizon": <http://www.bbc.co.uk/news/health-26014693> . If it weren't so disgusting, this article would be hilarious. What is the WHO's solution to the tidal wave of cancer? "To focus on cancer prevention by tackling smoking, obesity and drinking". You will see in this article the following list:

[The WHO's World Cancer Report 2014](#) said the major sources of preventable cancer included:

- Smoking
- Infections
- Alcohol
- Obesity and inactivity
- Radiation, both from the sun and **medical scans**
- Air pollution and other **environmental factors**
- Delayed parenthood, having fewer children and not breastfeeding

Of course, cancer causing MEDICAL SCANS will go right over the heads of the sheep, since alcohol and sugar are the focus of the article. Not to mention that the ENVIRONMENTAL FACTORS include over 80,000 chemicals in our environment which do not have to be proven safe before they are released on the public (as discussed in last week's newsletter). These include multiple chemicals known to affect the thyroid gland: <http://healthfreedom.org/2014/01/21/11-everyday-toxins-that-are-harming-your-thyroid> .

Of course, the WHO does not mention the Special Virus Cancer Program, that has been creating viruses to cause cancer since the time of Nixon:

[http://4.bp.blogspot.com/\\_3bs8LQyNrz8/SnLdc0TgPXI/AAAAAAAAAnA/reIAUzSTbPY/s1600-h/USSPECIALVIRUSFC.jpg](http://4.bp.blogspot.com/_3bs8LQyNrz8/SnLdc0TgPXI/AAAAAAAAAnA/reIAUzSTbPY/s1600-h/USSPECIALVIRUSFC.jpg) . Also, as I have reported previously, HIV is a government created virus (as proven by Dr Boyd Graves before he was murdered): <http://www.boydgraves.com>

I found it quite amusing that [http://vaccinenewsdaily.com/medical\\_countermeasures/329604-vaginal-cream-may-control-hiv-transmission](http://vaccinenewsdaily.com/medical_countermeasures/329604-vaginal-cream-may-control-hiv-transmission) reported that SILVER in a vaginal cream has been found to control transmission of the [government created] HIV virus.

Of course, the article states that "clinical trials must evaluate the potential side effects of silver". Another ridiculous statement, since a 1997 patent for a silver formula has already proved it is a cure for AIDS:

**United States Patent  
Antelman**

**5,676,977  
October 14, 1997**

Method of curing AIDS with tetrasilver tetroxide molecular crystal devices

Lastly, as an example as to how the mainstream media is distracting you from what is really important: NYC Mayor de Blasio Eats Pizza With Knife and Fork:  
<http://www.nbcnewyork.com/news/local/Bill-de-Blasio-Pizza-Knife-Fork-NYC-Mayor-Staten-Island-239663511.html>

What they DIDN'T tell you about the NYC mayor is how he has committed treason by pledging his loyalty to ISRAEL (as all the traitors in the district of criminals have done):  
[http://therealnews.com/t2/index.php?option=com\\_content&task=view&id=31&Itemid=74&jumival=11412](http://therealnews.com/t2/index.php?option=com_content&task=view&id=31&Itemid=74&jumival=11412)

"And, of course, we know we all have the expression PEP--progressive except for Palestine. And, sadly, that's Bill De Blasio. I have to say I was utterly shocked when I read what he said today to AIPAC, which is, of course, a right-wing, hardline lobbying group for Israel that controls, unfortunately, the fortunes of the Palestinians, at least how they're perceived in this country. They have a lot of political clout.

The quote you read was bad enough. The quote that I really focused on at the time went as follows: "City Hall will always be open to AIPAC ... [W]hen you need me to stand by you"--that's Bill De Blasio--"in Washington or anywhere, I will answer the call, and I'll answer it happily, 'cause that's my job." So there you have Bill De Blasio saying that his job is not just the mayor of the City of New York and not just the mayor for all of us, but his job is to defend Israel and to defend and to be open to AIPAC, because **his job is to answer the call of AIPAC**". This is TREASON.

I will leave it there for this week...much more to follow. Please spread the word....
