LIES, FRAUD, DEATH AND DECEPTION NEVER ENDS

Rebecca Carley, MD

Thank you to all my clients and readers who continue to send me important information and links for me to share. The massive corruption and fraud which is systemic at all levels of government is so self evident at this point that I know we are reaching critical mass of the awakening necessary to take down the psychopaths destroying everything that matters. A very important interview by Jeanice Barcelo on satanic ritual abuse (which my son has been going through for over a decade) can be found at <http://www.youtube.com/watch?v=vXwq7QnbtT8&feature=youtu.be> . This is going on all around us, and the perpetrators are never prosecuted. The good news presented in this interview of Kerth Barker is that he was healed from what was done to him...as I hope my son will be one day. Very important information, as he describes how his BABYSITTER was his tormenter...something to think about, for sure. This is a GLOBAL issue, being completely ignored by the mainstream media (although 800,000 children go missing each year in the US alone). This is ugly stuff, but ignoring what is going on is a big mistake. These people are doctors, lawyers, judges, police officers, pastors and priests, etc. They are EVERYWHERE. To learn about the pedophile psychopaths in government, go to <http://www.franklinscandal.com> . I have interviewed author Nick Bryant in the past. Former U.S. Senate aide facing child porn charges found dead: <http://www.reuters.com/article/2014/01/24/us-usa-congress-alexander-idUSBREA0N1DX20140124> (He must have pissed off the wrong people, as rarely are these perverts exposed).

Changing to another topic, another very good interview exposing what signing the “refusing to vaccinate” form really means, as well as how the constitution is null and void (and of course all the traitors in the district of criminals know this). Our country is a corporation run by statutes. I strongly suggest you listen to this and share it with others:

How corrupt are judges? Read about the “Kids-for-cash” scandal, the shocking story of how thousands of children in Pennsylvania were jailed by two corrupt judges who received kickbacks from the builders and owners of private prisons - http://www.democracynow.org/2014/2/4/kids_for_cash_inside_one_of . I am sure this is happening all over, just like judges get kickbacks for stealing children from families and putting them into foster care.

More and more whistleblowers are coming forward to expose what is going on...ex-military Kristen Meghan exposes what the military is up to regarding geoengineering (chemtrails): <http://www.youtube.com/watch?v=jHmOXhtDyZA>

A medical insider named Dr. Barbara Starfield released her “Starfield report” in 2000 regarding the massive numbers of death caused by doctors, hospitals, medical “treatment” and the corrupt FDA approving toxic drugs: <http://jonrappoport.wordpress.com/2014/02/09/the-starfield-revelations> . She was associated with the John Hopkins school of public health. “The total of medically-caused deaths in the US every year is 225,000. That’s 2.25 MILLION deaths per decade.

“The Starfield paper can be downloaded freely (as a .pdf) from [here](#) (via <http://www.drug-education.info> via en.wikipedia.org/wiki/Barbara_Starfield). The paper is fully cited as *Starfield B. Is US health really the best in the world?. JAMA. 2000; 284(4):483-4*. Dr. Barbara Starfield’s wiki page is [here](#).”

“This makes the medical system the third leading cause of death in the US, behind heart disease and cancer. She is asked “Are you aware of any systematic efforts, since your 2000 JAMA study was published, to remedy the main categories of medically caused deaths in the US?” Answer: “No systematic efforts; however, there have been a lot of studies. **Most of them indicate higher rates [of death] than I calculated.**”

We can expect the killing to massively escalate, as the WHO (World Homicide Organization) has come out with an “atlas mapping the unmet needs for palliative care”. http://vaccinewsdaily.com/world_health_organization/329562-new-atlas-maps-unmet-need-for-palliative-care-worldwide Of course, palliative “care” is done in hospices, where people are murdered by medicine, usually morphine to make them stop breathing. They want to increase the kill rate to 20 million people! Amazingly, they state that “we must also alleviate the suffering of those with progressive illness who do not respond to curative treatment.” What medical treatment cures anything? ABSOLUTELY NONE...in fact, natural therapies that work are suppressed or called “quackery”. They have come up with a “global action plan” to put their killing plan into action. It is truly amazing how these psychopaths operate.

If anyone you know is being “treated” by a psychiatrist, there is an excellent site tracking crimes by psychiatrists in all states: <http://www.psychsearch.net> . You can also find out which of them is taking money from Big Pharma (including the psychiatrist Patrick Carone who chaired my corrupt medical board hearing)...

And by the way, **“Something” is Making Cattle Hooves Fall Off** “-

<http://www.activistpost.com/2014/01/cattle-and-drugs-something-is-making.html> . One of my dogs (who is a rescue) has nails that are disintegrating, and I realized he must have been exposed to this Zilmax antibiotic, so I am now starting him on a homeopathic antibiotic detox.
