We all know that the mainstream media is totally controlled by the same psychopaths destroying everything that matters; but there is increasing evidence of how “alternative” media has been corrupted as well:

Democracy Now on “Free Speech TV”:

<http://www.discoverthenetworks.org/printgroupProfile.asp?grpId=6891> Read how Amy Goodman makes \$1 million/year (money donated by George Soros and various “foundations”) to report on the “global warming” scam, whatever false flag “terrorist” attack is going on, etc. She regularly begs for donations from her hoodwinked listeners who have no idea what a fraud she really is. Amazingly, Democracy Now is also a TAX EXEMPT 501 (c) (3) ORGANIZATION.

The truth has now come out regarding Coast to Coast AM as well, after host John B Wells was fired for being too popular and truthful: <http://caravantomidnight.com/john-b-wells-fired-coast-coast-popular-truthful-exclusive-interview> This well written article explains how Art Bell lost control of his show to corporate media. Many of my clients and listeners have contacted George Noory (who replaced Art Bell) to suggest he have me on his show to talk about BIOWEAPON VACCINES, but rather he has Dr Sherry Tenpenny on give her watered down version of the problem with vaccines. The truth that vaccines are being used to *intentionally* cause death and disease is never mentioned. This is why it is taking so long to reach critical mass in the education of the public that vaccines are weapons of genocide.

Now get ready for a real mind blower, as Rabbi Abe Finkelstein admits that children are bloodletted in synagogues, where the blood is mixed with matza. The dead bodies of the children are then sold to McDonalds to be used in hamburgers and sausages: <http://blastdatass.com/mcdonalds-exposed-for-using-human-meat-must-watch-video> . Gives a whole new meaning to their sign regarding how many are being “served”, doesn’t it? Thus, all the “goy” that eat there are actually participating in cannibalism. The fact that this monster admits on camera to what is going on shows how well protected these psychopaths are from any consequences of their heinous actions. This is happening globally, and he brags how even when he tells people what is going on, they choose not to believe it. As I always say, people of conscience cannot even conceive of the evil going on...so they stick their heads in the sand and pretend everything is OK. I hope readers of this newsletter will face reality and share this link with others so these monsters can be stopped.

In the following you tube, a soldier explains why the military hasn’t acted against the traitors in the district of criminals, which the soldier describes as a cancer in our midst: [http://www.youtube.com/watch?v=vR77Ujghf20&feature=em-share\\_video\\_user](http://www.youtube.com/watch?v=vR77Ujghf20&feature=em-share_video_user) . This is why we need to get involved with [www.americandefenseparty.com](http://www.americandefenseparty.com).

In the following video, the master template for how minions “serve” in agencies, then use their influence in private contracts with government. Here is how it works with “intelligence” agencies

and the surveillance state (just like FDA minions have a revolving door with big pharma): <http://www.brasschecktv.com/videos/the-surveillance-state/edward-snowden-did-not-work-for-the-nsa.html>

Here is an important study to present to any veterinarian who tries to convince you to get your pet inoculated with rabies: **vaccine induced rabies in 4 cats**: <http://www.ncbi.nlm.nih.gov/pubmed/7096177> Combine this with the rabies vaccine package insert found at <http://www.reversingvaccineinduceddiseases.com/files/3638448/uploaded/Rabies%20insert.pdf> , and you will realize how you harming your pets with vaccines, since in the insert it is admitted that “Tissue origin vaccines contain extraneous protein in addition to rabies antigen that can lead to **autoimmune disease**”. (Note that this is true of ALL vaccines, but this is the only package insert I have seen it admitted in).

Turns out the NSA = Moussad:

[http://www.blacklistednews.com/Secret\\_NSA\\_Satellite\\_Facility\\_Located\\_at\\_IDF\\_Base\\_in\\_Occupied\\_East\\_Jerusalem/32826/0/38/38/Y/M.html](http://www.blacklistednews.com/Secret_NSA_Satellite_Facility_Located_at_IDF_Base_in_Occupied_East_Jerusalem/32826/0/38/38/Y/M.html)

Amazingly, the psychopaths actually admit in public what they have in mind to stop self empowered individuals...Go to [www.infowars.com/think-tank-extraordinary-crisis-needed-to-preserve-new-world-order](http://www.infowars.com/think-tank-extraordinary-crisis-needed-to-preserve-new-world-order) and read the following: “Harlan K. Ullman, principal author of the “shock and awe” doctrine is now Chairman of the Killowen Group which advises government leaders. In an article entitled *War on Terror Is not the Only Threat*, Ullman asserts that, “tectonic changes are reshaping the international geostrategic system,” arguing that it’s not military superpowers like China but **“non-state actors” like Edward Snowden, Bradley Manning and anonymous hackers who pose the biggest threat to the “365 year-old Westphalian system” because they are encouraging individuals to become self-empowered, eviscerating state control.** “Very few have taken note and fewer have acted on this realization,” notes Ullman, lamenting that “information revolution and instantaneous global communications” are thwarting the “new world order” announced by U.S. President George H.W. Bush more than two decades ago. When and where will the next false flag occur?
