

## Mah's Sons

Ralph Epperson Rules!

Go out of your way to get Ralph Epperson's DVD: America's Secret Destiny.

Yes, by the first disk you may be asking why I would suggest the work of Ralph who promotes Christianity when I am a Nihilist, but in the Buddhist Tradition: Truth is Truth no matter who speaks it.

To stem the tide of thought that might be brewing in the background from the previous shows that Dr. Carley had me on, you need to make a clear distinction in your mind regarding the stated goals in the Protocols of Zion, aka, The Minutes of the Meeting of the Rabbis of the Sun Cult. They state clearly that their purpose is to 'destroy The Christ' and bring an end to ALL religions but their own. My stated purpose is that ALL religions are corrupt so I have never singled out one and I certainly won't stop with the Witch Cult of the Sionists.

That being said, Ralph's scholarly expose into the Sun Cult is very valuable to the goal of preserving the species of Man against the psychokillers.

Here are some notes that I took from Ralph's work:

1:11:45 hours into Disk One, Ralph states that ALL religions in ALL cultures on ALL continents are from the Ancient Mysteries Religion! This is what I call independent confirmation. Ralph has been doing this work for around 30 years and came to the same conclusions I did. When I first heard of his work I offered him all of my background data that I send out to my list but he declined. So there is no collaboration in our conclusions.

Ralph did a wonderful deconstruction of the Great Seal on the back of a dollar bill and showed that the hexagram superimposed on the pyramid revealed an anagram of letters that spell out M-A-S-O-N.

In CONTEXT, my memory was primed with thinking about ancient Babylonia from the first note above, and then the anagram/crosstick of Mason got me to thinking about my deconstruction of words like Hu-Man that revealed that Men are the feudal servants of the Demon Lord Hu. So I immediately hyphenated MA-Son!

**Mamma**, aka Nanna is the ancient Babylonian Goddess who formed Man out of Clay and Blood. A flipside of the coin version of the Ea/Yahooveh that made Man from Dust and Breath.

It is clear to me beyond a doubt that these ILU AMON ATYS (Princes of the Moon and Sun) have declared themselves Ma's Sons = Masons. Of course, Nanna is represented as a female with Owl's feet, which is the telltale for the female avatar of the androgyne Lilutuv or Lilith. A Demon Vampire Queen by any other names still smells...

But it gets even better. Ralph also outlines that those who are involved in Luciferianism call themselves: Adepts. Princes. Illuminated.

I did my deconstruction of Illuminati based on the principle that the Ancient Egyptian Magicians considered pronunciation of the spells more important than any other ritual. So I worked out ILU (the god for whom Baba ILI – Babylon was named is a Moon god) AMON (the Egyptian counterpart of the Mysteries school for the Sun god) and ATYS the Egyptian word for Prince just by Phonetics. Ralph independently confirmed the plausibility of my deconstruction.

So, in the first disk, Ralph completed the circle of my work.

Master Mason; Mickey Mouse; M&M; MamMa.

I did not know that Quetzacoatl went up and down from heaven on a 32-rung ladder. I wonder if he met Yakob/Ysrael during his trips?

Ralph left us with the mystery of why the national bird was the eagle, but if you study the Babylonian Basin religions you see that the Zu bird (bird of prey) was the valet of Enlil (Lord of Ghosts, LIL family like Lilith, analog of YaHUveh). This valet happened to be a nasty demon (wonder if his mother knew who his friends were?) and the nasty demon bird (whom the gods feared by the way – funny, that – why was he a valet then?) waited until Enlil slept (bet you didn't know the big bad god-things had nappy-time?) to steal the Tablets of Destiny.

Apparently, the Tablets of Destiny are the homevideos on a set of what passes for godly DVDs that give the possessor the power to know the Past, Present and Future and thus the ability to control said Space/Time arena.

Nice gig if you can get it.

I'd settle for just the remote so I could hit: Stop and Erase and get this damned Game Over.

I don't know if I have ever said this on air, but most people I know couldn't fight their way out of a wet paper bag. So when I see the astounding technology coming out of universities and private and government labs I have to wonder where it is coming from. The easiest answer is that it is all just reverse-engineering of something that must have plopped into their laps from either the beloved Space Alien camp that wants to explain away God; or some Advanced Civilization that preceded us (another sub-camp of thought that comes with the whole Atlantis-Alien thing).

Hey! TLNTS – Atlantis – is in the Egyptian Book of Life, so I am not discounting it. But I am a Nihilist, so until you overpower the ILU AMON ATYS and take me on a trip through the underground cities and tunnels from Washington DC to Antarctica – then I'm not going to beLIEve it. Maybe after we take back this planet, we can make the

subterranean world (actually spoken of in the Protocols) into a free Theme Park with rides.

More wordplay comes earlier in disk 1 (33:50) when Ralph pronounces: Un A LEEN able Rights. I had always been saying it: un ALIEN able Rights, but he got me to thinking of that silly hyphenation of syllables again. To put a LIEN on something means that you lay claim to it. I couldn't work out the double negative of UN – A-Lien. Not, not leined rights.

So, let's look at Black's Second Edition, 1910 Law Dictionary:

ALIEN, n. A foreigner; one born abroad; a person resident in one country, but owing allegiance to another. In England, one born out of the allegiance of the king. In the United States, one born out of the jurisdiction of the United States, and who has not been naturalized under their constitution and laws.

ALIEN OR ALIENE . v. To transfer or make over to another; to convey or transfer the property of a thing from one person to another; to alienate. Usually applied to the transfer of lands and tenements. Co. Litt 118; Cowell.

ALIENATE . To convey; to transfer the title to property. Co. Litt. 1186. Alien is very commonly used in the same sense. 1 Washb. Real Prop. 53. "Sell alienate, and dispo" are the formal words of transfer in Scotch conveyances of heritable property. Bell. "The term alienate has a technical legal meaning, and any transfer of real estate, short of a conveyance of the title, is not an alienation of the estate. No matter in what form the sale may be made, unless the title is conveyed to the purchaser, the estate is not alienated." *Masters v. Insurance Co.*, 11 Barb. (N. Y.) 630.

ALIENUS. Lat. Another's; belonging to another; the property of another. *Alienus homo*, another's man, or slave. Inst. 4, 3, pr. *Aliena res*, another's property. Bract fol. 136.

So, as you can see you Hu-Mans: Slave Work Units are Property and can be transferred as easily as a piece of ground and buildings. Do you really think you have rights because the Constitution and the Bill of Rights said so?

We The People does NOT mean Slave Work Units. Many native cultures like the Inuit have names that mean The People. This is a segregatory identification like the Germans referring to themselves as Our People. The framers of the Constitution didn't even have you as a thought in their mind when they referred to themselves as The People any more than you would write a contract and include your family pet's name.

Hu-Man means the slave of the Feudal Lord Hu.

Since ALL religions are the same; and both the Sun and Moon Cult is the same; and they are both the same as the Ma-Sons then when Ralph reports on Manly P. Hall's declaration that Ma-Sons are 'Enlightened Hu-Mans' (*Homo Noeticus*) it appears that Hall is claiming Fealty to Lord Hu of the Babylonian Basin in exchange for a little bit of technical knowhow. Kinda like being a Trustee in a prison. You get a little more 'freedom' and perks but you are still in prison.

Manly P. Hall stated that the Great Pyramid at Giza was not built for Khufu but was an initiation center. Let us pause to hyphenate: K-HU-Fu.

Ralph has some astounding numerological breakdown on Hiroshima and Nagasaki relevance and just who Truman was. You will notice that I never call them Presidents

because after Roosevelt commissioned the report that led to the Administrative State, they are Agents and we have not had a President since. You MUST see his breakdown of how the FOURTH OF JULY IS A CELEBRATION OF THE BABYLONIAN BAAL SUN CULT! Very well put together. I cannot compliment this enough.

Ralph will take you on an E-ticket ride from the origin of the word: Volcano (poke a tot in the smokey-hole for Pele) to the 53 MILLION blood sacrifices under Hitler's banner of the Swastika that is the evil orientation of a Sun Symbol. If old Army Schicklegruber was ever accused of being Sionist, then it is accurate, because Sionism is the Sun Cult.

But here is the GREATEST MYSTERY OF ALL REVEALED. Ralph did not arrive at this conclusion but his work solidified several years of my study with the addition of his work. I could not have supported my conclusions without him!

Sionism is a threat. But I have always had an internal hesitation running with the crowd to that particular Witch Hunt. One of the biggest obstacles was that of labeling Sionists as Jews. You see the Puppetmasters have GIVEN you pre-formed enemies for the past 6000 years and you gobble them up and spit your own young men and women at them to die for their countries in honor of a bloodthirsty god and patriotism to eliminate The Enemy – whatever that might be. So, when I see the bulk of the world and the internet railing against the Zionists (misspelled by the way) I do the Buddha-thing and STOP. Let the pageant and parade pass me by and reflect on the illusion.

Illusion #1. Because I am a Nihilist I reject the notion of God out of hand because there is not a single person on the planet who can define the thing. Given that there are billions who beLIEve in the thing and that every inept definition will be different, then there is no qualitative or quantitative analysis to be done. It is a moot point. Now, let us apply this to 'the Jew'.

The Jew is defined by some generally as a Hebrew. By others of the Tribe of Judah with probably vague recognition to the split between the Northern and Southern Tribes of Israel and Judah. So, do we have Israelis and Jews and are they different? What about the 2 'Lost Tribes'? What about the Fellow Travelers like EL-EA-ZAR who was valet to Abram when he first set out? Could he be the origin of the Zars as in Khzar, Caesar, Czar, Kaiser?

Illusion #2. When is a name not a name? Many have been inundating us with the accusation that the Ashkenazi are the 'bad' Jews, that they have defective physiology that makes them unfeeling and ruthless. But here is the rub. Apparently there are two divisions of Jews in modern times: German Jews and Eastern European Jews. Yet, I have seen each claim the title of Ashkenazi. So which one is it? Just like the Scarecrow in the Wizard of Oz where he points in both directions and says, "He went thataway!"

Illusion #3. Good Jew vs. Bad Jew. Talmud vs. Torah. As we have seen from my 1560 Geneva Bible the YaHUveh of the Torah admits that he is the sole author of Evil so how

finely do you want to split hairs on what legal books are used to define the culture?  
PLUS you STILL haven't defined what a Jew is.

Illusion #4. I count among my personal friends those of Hebrew descent who have lived selfless lives. I went to hear Alison Weir speak to a group about her investigative journalism that led to [www.ifamericansknew.org](http://www.ifamericansknew.org) and I was the only non-Semite there. Many 'Jews' think that Israel is an apartheid state. So, if you want to have a Witch Burning it is always my sober warning to not burn your own wives and children and husbands in your zeal to eliminate and 'enemy' that was GIVEN to you.

Illusion #5. Some say Sionists are only Jews. Again, I do not know the parentage of the Master Paradoxical Psychological Manipulator called Pastor John Hagee, but he is a rabid Sionist, yet appears to be a White Dude. What we DO know from the gift of Professor Timothy Watson is that Sionism is the Sun Cult. It appears to have Open Enrollment (with Joe Biden, and Sarah Palin and hosts of Anglo Christian church members claiming to be among them) so unless you know their parentage or get that knobby-finger handshake of a Ma-Son then you might not be able to tell them by sight.

So what do we know?

The video Missing Links will fill in some of the gaps of who you voted into power but this still represents the public face of the Sun Cult.

We need to pierce the Veil of Isis.

Ralph Epperson takes you nearly to the edge of the cliff but then pulls back without jumping off. Two books from the famous Ma-Son Albert Pike were outlined on the DVD as clear messages of encryption:

From Liturgy: *"The symbols and ceremonies of Masonry have more than one meaning. They rather conceal than disclose the truth. They hint it only and their varied meaning are only to be discovered by REFLECTION and study."*

From Legenda: *"Masonry permits the utterance of false interpretations which serve the double purpose of misleading the ignorant and idle and indolent. Whom it is desirable to lead astray."*

He quotes the famous Ma-Son Albert Pike's book Morals and Dogma page 321:

*"Lucifer the Light Bearer. Is it He who Bears the Light? Doubt it not!"*

*"If you REFLECT, My Brother you will no doubt suspect that some secret meaning was concealed in these words."*

Ralph then concludes his video by stating that the Ma-Son religion is that of Satanism/Luciferianism/Sun Cult. Case closed.

I am deeply indebted to Ralph and his life's research.

But he missed the point.

Ralph read it literally and came to a literal conclusion that Satanism/Luciferianism/Sun Cult/Sionism is the message and the problem.

What he totally misses is that Pike **TOLD YOU NOT TO TAKE IT LITERALLY!**  
Let's examine this in the form of the Documentary movie Aliens by James Cameron.

They are holed up in the control room between The Devil and the Deep Blue H-Bomb that is the reactor going critical. The Alien Drones invade their space and the automatic weapons fire on anything that moves **BUT THEY JUST KEEP COMING!**

After all of their ammo is expended and they have nothing but themselves to rely on, Ripley asks the question, "Where are they coming from?"

"It has to be something we haven't seen yet."

This is exactly why I did not go racing down the parade against the Sionists. Has the Sun Cult infiltrated every aspect of our lives? taken over? harmed, maimed and killed?

Yes.

But where are they coming from?

"...**REFLECT**, My Brother you will no doubt suspect that some secret meaning was concealed in these words."

It is as obvious to me as staring at the noonday sun just having seen these words once.

**OPPOSITE DAY.**

**POETRY.**

Turn off your Left Brains full of the garbage of tax returns and football scores and grocery receipts.

**REFLECT.**

Pike earlier established that Lucifer (The Sun) the Light Bearer was indeed the **BEARER** of the light...

but what **REFLECTS THE LIGHT?**

**The MOON!**

I have been saying since I did this archeological dig into 300-year old literature that the MOON CULT of the GODDESS Lilutuv/Lilith – The Night Monster, The Whore of Babylon, the Lamia Vampyre WAS THE SINGLE ORIGIN OF RELIGION ON THIS PLANET. This is supported by Ralph’s statement on disk 1 where he says that all cultures on all continents and all religions are the Mysteries Religion Spawn.

“...REFLECT, **My Brother** you will no doubt suspect that some secret meaning was concealed in these words.”

There is DOUBLE CONFIRMATION in Pike’s words in the next phrase: **My Brother**.

In ancient Babylon and Egypt and the same today with these cults there was required INBREEDING of mothers and sons fathers and daughters and brothers and sister. These entities were Androgynes – meaning male and female traits in the same creature. Two sides to the coin – male and female – and The EDGE that is the unholy Spirit. Always a Trinity.

Ea, Ba, Anu.

Yahweh, Jesus, Holy Ghost.

Tiamat, Grandmother Lilith, Lilith.

The North American natives refer to **BROTHER** Sun / Sister Moon.

REFLECT, MY **BROTHER**.

The Moon (sister) REFLECTS her **BROTHER** The Sun.

This is the Occult. To darken. To hide. The moon has no illumination of its own. It is Dark. It is hidden. It is the WOMAN behind the curtain that the Wizard of Az (Az is another name in Luciferian Witchcraft Grimoires for Lilith) is TELLING YOU TO IGNORE.

There is a Free Pass to demonize and chase down the Sun Cult (Zionism) to keep your attention off of the REAL PLAYERS. The Authors of the Destruction BEHIND THE SCENES. ‘They’ have to be coming from somewhere.

No organism ever arose from a sperm.

In MOST legends the Universe was formed by female entities except the Semitic version. Tiamat The Great Dragon or Chaos gave birth to the twin gods of ‘good’ and evil. Apparently, Parthenogenesis or Virgin Birth is possible in certain REPTILES with just an EGG. Many legends have the Demon Goddess coming to Ea-rth in the form of a glowing egg. It is not misogynistic to claim that the TRUE Power BEHIND the power is that of the MOON CULT – NOT – the Sun Cult. As long as you are distracted by the Drones (back to Aliens) you will NEVER focus on The Queen and they will just keep coming. A

colony of insects such as ants or bees will collapse without a Queen. The most powerful piece on a Chessboard (the favorite floor design of the Ma-Sons) is The Queen. You can prune the branches of a tree forever and it will just keep growing back. If you take it out at the ROOT it is finished.

“Stay Frosty!”
