

What's Ailing America?

CITIZENS UNDER ATTACK ON ALL FRONTS

Because things are getting SO dark, I have been doing radio shows pretty much every day; trying my best to wake people up as to the intentional destruction of everything that matters. There are not enough hours in the day to do research on all of what is ailing America (and the world); thus I am very grateful to listeners and readers of this newsletter for emailing me at drcarley@gmail.com the results of *their* research so that I can pass this information along. All of the links below have been sent to me, and are labeled so you can decide to investigate whatever interests you. While the mainstream media is distracting you with the acquittal of George Zimmerman (another divide and conquer strategy to pit black and white against each other), there are very serious things going on that the mainstream media is not and never will tell us. And of course now the mainstream media is promoting the Feds bringing civil rights charges against Zimmerman, so who knows how long this distraction will continue. It was amazing to watch AG Holder go on camera to state that the justice department will be investigating this case to see if there were civil rights violations in this “unnecessary death” (funny how he did not investigate himself when unnecessary deaths were caused by his “Fast and Furious” fiasco.)

We have all learned that the NSA is collecting our phone records and e-mails; now we find out (as is also true with the military) that the NSA goes after students in their attempt to recruit grunts to “serve” their country by doing the bidding of the psychopaths who control the world to get a paycheck. Kudos to the Wisconsin high school students who asked hard questions of the NSA recruiters who came to their school to cajol them into selling out humanity by deciding to have a “career” working for these monsters (and surreptitiously recording the event to make a record):

An excellent you tube that gives us the big picture as to how the Snowden revelations are a distraction can be found at <https://www.youtube.com/watch?v=7PxEuYUUMJI> ; PLEASE watch this video to learn what is going on in background as we are distracted with Edward Snowden (and Trayvon Martin).

Other important links sent to me include the following:

Bush & Cheney knew about 911 before hand: <http://www.youtube.com/watch?v=GnCIVeX0Ukc>

The underwear bomber worked for the CIA:

One nation under drones: <http://www.youtube.com/watch?v=xuD9KITbrLU&feature=c4-overview&list=UU-7vnmA1Zf1cRyqs9aR77ag>

It is stunning the level to which we are being surveilled: bring in the MALL WORKERS: <http://www.infowars.com/shopping-mall-workers-spying-under-obama-spy-grid>

Thankfully more and more people of conscience are coming forward to expose the crimes against humanity going on. Here is a whistleblower on the chemtrails assault: <http://aircrap.org/whistleblower-contacts-iahf-inside-info-chemtrails-detox-protect/337242>

As further evidence as to how children are being propagandized in school, check out the program to mislead students about chemtrails: <https://mynasadata.larc.nasa.gov/804-2/contrail-watching-for-kids>

How bad are the chemtrails? They contain self replicating nanobots: <http://chemtrailsplanet.net/2013/07/02/chemtrail-nano-bots-climate-change-through-self-replicating-aerosols>

The mad scientists have determined that spraying the public with pesticides poses NO PUBLIC HEALTH RISKS:

http://vaccinenewsdaily.com/medical_countermeasures/325885-study-shows-aerial-mosquito-spraying-results-in-no-public-health-risks

So why are so many birds and small animals dying? According to the Charlotte Observer, it is due to CATS: <http://www.charlotteobserver.com/2013/07/14/4156260/too-many-cats-makes-for-far-fewer.html>

Yet, it is now being revealed that the herbicide Roundup is actually a contraceptive: http://www.greenmedinfo.com/blog/it-time-acknowledge-roundup-herbicide-contraceptive?utm_source=www.GreenMedInfo.com&utm_campaign=9a69b628cb-Greenmedinfo&utm_medium=email&utm_term=0_193c8492fb-9a69b628cb-86976433

Further evidence of how we are being poisoned by the psychopaths that run our country; they are now spraying perfluorocarbon gas in NYS subways allegedly to track air patterns in the event of a terrorist attack, when this gas dispersal IS obviously a terrorist attack on the people: <http://www.infowars.com/feds-expose-subway-riders-to-chemical-gas-and-admits-ignorance-to-health-effects>

Interestingly, this experiment is also being carried out in London: <http://www.blogtalkradio.com/themaryandsallieshow/2013/07/06/gas-experiments-subways-nyc-london-in-july>

On the vaccine front, the vaccine induced genocide of children continues to be promoted by the eugenicists:

http://vaccinenewsdaily.com/vaccine_development/325870-gavi-announces-700-million-bond-issue-to-fund-child-immunization

In further proof of the fact that vaccines cause the very disease they allegedly “protect” against; an experimental HIV vaccine trial was stopped because a large number of the experimental guinea pigs actually contracted HIV from the vaccine:

http://www.naturalnews.com/041025_HIV_vaccine_experimental_vaccines_AIDS_infection.html

The CDC has now come clean as to the risk of cancer due to the polio vaccine:

<http://www.thelibertybeacon.com/2013/07/12/cdc-admits-as-many-as-30-million-americans-could-be-at-risk-for-cancer-due-to-polio-vaccine>

How clear can it be that you MUST say no to the vaccine to protect yourself from disease?
Here is a good site with information regarding vaccine exemptions:

I will leave it there for this week...much more to follow. Please spread the word....
