

What's Ailing America?

STORM CLOUDS ARE GATHERING

Rebecca Carley, MD

[www.reversingvaccineinduceddiseases.com](http://www.reversingvaccineinduceddiseases.com)

**Many of us are trying to wake up family and friends regarding the serious world events unfolding before our eyes before it is too late. A very good video that was sent to me which gives a lot of information in a short time frame is: The Terrifying Future of The United States at [https://www.youtube.com/watch?feature=player\\_embedded&v=1rwmD4c\\_Nxl](https://www.youtube.com/watch?feature=player_embedded&v=1rwmD4c_Nxl)** Their Solution? To share this info with DHS, police and military who will be used to enslave all of us (including THEIR own families!) It is disturbing, but putting our heads beneath the sand or allowing ourselves to be distracted is only allowing the genocide to escalate. As the traitors in the district of criminals move forward to bring us into getting involved in a war with Syria allegedly because their citizens are being killed with chemical weapons, we here in the states are being assaulted with bioweapon vaccines (go to the top of <http://www.drcarley.com> to read the legal definition of weapons of mass destruction). We have been sprayed like cockroaches with toxic chemicals under the geoengineering programs which are involved in weather modification and are destroying nature, as well as contributing to disease in all living things: **Exposed: Secret Presidential Chemtrail Budget Uncovered – Congress Exceeds Billions To Spray Populace Like Roaches:** <http://intellihub.com/2011/03/30/secret-presidential-chemtrail-budget-uncovered-exceeds-billions-to-spray-populations-like-roaches>

And we aren't even allowed to know if the food we eat has been genetically modified because those same traitors in the district of criminals voted NO to such labeling: <http://foodfreedomgroup.com/2012/06/23/senate-votes-no-gmo-food-labels> . Yet, the governmental puppets that do the bidding of Israel have the audacity of go on camera and talk about how we have to "save" the citizens in Syria from chemical poisoning by bringing more weapons into that country. Apparently, there are some world leaders who are not psychopaths, who know that the US has various programs which are destroying the planet; for example Vladimir Putin of Russia: ***Russia Warns Obama: Global War Over "Bee Apocalypse" Coming Soon*** <http://www.eutimes.net/2013/05/russia-warns-obama-global-war-over-bee-apocalypse-coming-soon> .

Also, **more and more countries are refusing to allow our poison genetically modified food into their countries:** <http://www.examiner.com/article/what-countries-have-banned-gmo-crops> . Yet, most Americans are hypnotized by tell-lie-vision, not questioning the self evident genocide of themselves that they are paying for. I have been saying for years that we are already dead if we do nothing, so it is time to grow a backbone, lose the fear and stand together to say NO MORE before it is too late. That is why I spend a large amount of time doing radio interviews and writing these newsletters: to arm you with the evidence that you can *check out for yourselves*, and share with anyone starting to wake up out of their mind control.

Here are some other disturbing occurrences that demonstrate how we are falling further into hell because of the actions of the psychopaths who control the world:

**Euthanasia for children [and Alzheimer's patients] nears approval by Belgian Parliament:**

[http://www.naturalnews.com/040744\\_euthanasia\\_children\\_mercy\\_killings.html#ixzz2W5nB1TT2](http://www.naturalnews.com/040744_euthanasia_children_mercy_killings.html#ixzz2W5nB1TT2)

You will note in this article that individuals with neurological issues such as autism and alzheimers (caused in the first place by bioweapon vaccines and toxins allowed to contaminate our food and environment) under this law will be allowed to give consent for euthanasia without parental/family input, despite the fact that their neurological damage by definition precludes them from being competent to give informed consent (not to mention that children are not competent due to their age in the first place). This genocidal policy (as expected in this world of "opposite day") is called "compassionate medicine". So maiming leads to murder; this is deemed "compassionate". I know that many of you have witnessed elderly love ones being surreptitiously murdered in hospitals and hospices with morphine induced respiratory arrest, mismatched blood transfusions and drug cocktails...but now it will come out in the open and deemed "compassionate medicine". I predict a new medical specialty will be developed, to train psychopaths who would specialize in killing their patients how to obtain "informed consent" from individuals incapable of doing so, and then *compassionately killing them*.

**In bioweapon vaccine news, the FDA has approved the first GMO vaccine containing REPROGRAMMED INSECT VIRUS:**

<http://www.globalresearch.ca/fda-approves-first-gmo-flu-vaccine-containing-reprogrammed-insect-virus/5338052>

They will now be injecting humans with genetically altered caterpillar DNA. The combination of DNA from 2 species produces CHIMERAS (which I have talked about before in my newsletters). Additionally, the injection of these foreign tissues will lead to an increase in life threatening insect allergies, just like putting peanut oil in vaccines has led to life threatening peanut allergies, usage of dog kidneys in vaccines has led to an increase in dog allergies, etc. Note that this insanity has already been approved by the FDA! As I have warned people for years, they are altering our very genetic structure with these bioweapon vaccines and creating a nation of chronically ill, lifetime customers for big pharma.

In closing, here are a few other important articles you should know about:

**Charity rip-offs acknowledged, but yet allowed to continue to steal from the public under false pretenses:** [http://ac360.blogs.cnn.com/2013/06/13/beware-of-these-cancer-charity-rip-offs/?hpt=ac\\_t3](http://ac360.blogs.cnn.com/2013/06/13/beware-of-these-cancer-charity-rip-offs/?hpt=ac_t3)

**Comprehensive list of companies that use GMO's in their products:**

<http://www.whydontyoutrythis.com/2013/06/comprehensive-list-of-gmo-products-and-companies.html>

**Printable list of Monsanto owned companies to boycott:**

<http://www.realfarmacy.com/printable-list-of-monsanto-owned-food-producers>

**University of Cincinnati researchers have developed an ORAL BREAST CANCER VACCINE:**

[http://vaccinenewsdaily.com/medical\\_countermeasures/321758-university-of-cincinnati-researchers-develop-oral-breast-cancer-vaccine](http://vaccinenewsdaily.com/medical_countermeasures/321758-university-of-cincinnati-researchers-develop-oral-breast-cancer-vaccine)

This is a very important article, as they are admitting that breast cancer is caused by a VIRUS (as I learned from decades old documents from the SPECIAL VIRUS CANCER PROGRAM started by Nixon). This program has created many viruses that cause cancer; and just like the HPV vaccine is massively spreading the HPV virus, this breast cancer vaccine will do the same.

***Good news: War Tribunal Finds Bush, Cheney Guilty of War Crimes***
