It is so rare that I have any good news to report. However, what is going on in CT and NJ as the traitors in those states plan to confiscate weapons which will be needed for families to protect themselves during the coming (intentional) financial crash is very good news. The people are FINALLY standing up and saying NO MORE! Citizens in CT & NJ stand up and say they will not comply with gun confiscation: <http://www.survivopedia.com/ctgunregistr> . Thus, the tyrannical agencies working for the psychopaths are sending the ATF to raid gun stores for customer lists: <http://survivalbackpack.us/federal-agents-raid-gun-store-for-customer-list> Your bank accounts will also be confiscated: <http://www.globalresearch.ca/no-bank-deposits-will-be-spared-from-confiscation/5332743>

Citizens are now more likely to be killed by cops who are always found to be “justified” in committing murder; <http://www.mediaroots.org/epidemic-of-killer-cops-no-justice-no-peace>

Psycho cops who murdered homeless man want their jobs back:

Police officer videotaped pepper spraying sitting student protestors at UC Davis awarded \$38,000 in worker's compensation for depression and anxiety due to death threats he received. Pike was placed on paid administrative leave after the incident **and was fired** eight months later in July 2012 – although an internal investigation actually found he had acted appropriately: <http://www.businessinsider.com/john-pike-protest-settlement-2013-10>

As attorney John Whitehead has warned us in his book “A Government of Wolves”, swat teams are already raiding 80,000 homes/year: <https://www.youtube.com/watch?v=fPSWVsbumGM>. Just imagine what it will be like when the civil unrest escalates; when people are starving and have lost all hope. When the grocery store shelves are empty, and people hooked on medications of all sorts can no longer obtain them. NOW is the time to get a consult to reverse your diseases and get off these meds, before it is too late. You will need your health if you are to survive what is coming. You can learn how I do consults by going to [www.reversingvaccineinduceddiseases.com/services](http://www.reversingvaccineinduceddiseases.com/services) Forget signing up for Obamacare so that you are forced into toxic big pharma “treatments” and dangerous diagnostic tests. Get rid of your “pre existing condition” once and for all with natural therapies (which, of course, are not

covered by insurance). Check this out: Is the individual mandate gone?

As for hypocrisy, here in North Carolina the mayor of Charlotte, Patrick Cannon, was just charged by the Feds with taking bribes, and is potentially facing 50 years in prison. He resigned yesterday. What is amazing is that he just took office on November 5, 2013, at which time he raised his hand and took an oath to "serve the people". However, the FBI has been investigating him since August 2010 ! They allowed this corrupt man to run for office and get elected as mayor, even though they had already caught him accepting bribes in multiple stings. What is that about?

The most outrageous hypocrisy going on right now is the criticism of Putin for annexing Crimea, while Israel continues to mass murder Palestinians and annex THEIR land; not to mention the hypocrisy of the occupation of Iraq & Afghanistan by the US, and the murder of thousands of their citizens in these fake wars. (2 million Americans have "served" in Iraq & Afghanistan, thousands of whom have given their lives and limbs to serve the psychopaths who profit as trillions of dollars are spent in what is called "national defense").

What the jews control: <http://the-tap.blogspot.co.uk/2013/11/who-controls-america.html>

What the jews have stole from Americans: [http://therebel.org/index.php?option=com\\_content&view=article&id=711614:a-litmus-test-will-you-arrest-the-bankers&catid=211:videorebel&Itemid=1229](http://therebel.org/index.php?option=com_content&view=article&id=711614:a-litmus-test-will-you-arrest-the-bankers&catid=211:videorebel&Itemid=1229)

Roger Waters (Pink Floyd) on the jews: <http://davidduke.com/pink-floyd-rock-star-exposes-jewish-lobby>

And then there is the obsession with the mainstream media with the "missing" Malaysian plane. I find this article the most cogent explanation of what is really going on with that situation: [\*\*Are the Israelis Planning Another 9-11 Using the "Missing" Boeing 777?\*\*](#)

More amazing admissions of plans for the people to receive the "mark of the beast": Darpa promotes e-tatoos for surveillance and vitamins with chips:

<http://www.brasschecktv.com/videos/the-surveillance-state/its-cool-to-wear-the-mark-of-the-beast-.html>

Of course, one of the most dangerous threats to the planet is the ongoing radiation emanating from Fukushima (which the mainstream media is not commenting on);

<http://www.occupycorporatism.com/tepcoco-quietly-admits-reactor-3-melting-now> The good news is that there are homeopathic remedies that can detox radiation, which myself and my pets take everyday.

When will the military wake up as to how they are being harmed as they "serve" their country? "US sailors suing Tepco after being exposed to massive doses of radiation in Operation Tomodachi—"tomodachi" is a Japanese word meaning "friend," so this was an operation

helping our friends (who nuked themselves)—the total number of U.S. sailors who responded was approximately 24,000. But there were a total of 70,000 U.S. servicemen and women who ultimately were first responders, and that includes servicemen and women who were based in Japan. They are coming down with various illnesses, including thyroid cancers, testicular cancers, brain cancers, unusual uterine problems, excessive uterine bleeding, all kinds of gynecological problems, problems that you do not see in a population of 20-year-olds, 22-year-olds, 23-year-olds, even 35-year-olds” :

I will leave it there for this week...much more to follow. Please spread the TRUTH with those starting to face reality. If you appreciate my work for humanity, your support would be appreciated. To keep my websites going. If you need help in reversing your disease with natural therapies. please go to <http://www.reversingvaccineinduceddiseases.com/services> to learn how Dr. Carley does consults. If you continue to go to the white coats for “management” of your disease caused by the medical mafia in the first place, you will pay with your life.
