

## What's Ailing America?

THE FACT THAT I WILL **NEVER** RUN OUT OF ANSWERS TO THAT QUESTION

Rebecca Carley, MD

First of all, I want to let you know about an excellent source of many very good DVD's which you can purchase for \$2 each, and then make copies to share with others: <http://onedollardvdproject.com> . I have given permission for my lecture "Inoculations the True Weapons of Mass Destruction" to be added to the list of available DVD's (this lecture can also be viewed at <http://www.youtube.com/watch?v=M6dffXhewVE> ; the diagrams I describe in the lecture can be printed out at <http://www.reversingvaccineinduceddiseases.com/page/414591608> ). The first diagram, "the big picture", has the cause of ALL disease on one sheet of paper. As the masses are coming out of their mind control and looking for information as to all the lies we have been told, sharing various DVD's on different subjects are making a huge difference in this process. Use discernment in evaluating ALL information (including mine); we have been lied to about *everything*, and there are many disinformers out there trying to mislead the awakening masses. Figuring out who is who in the zoo is a lesson in critical thinking, which is necessary for our very survival at this point in time.

Once we have realized that we have been lied to about EVERYTHING (and in fact are being killed and maimed INTENTIONALLY by vaccines, GMO food, chemtrails, toxic pharmaceutical drugs, ad infinitum), there comes the point where we must face the self evident truth that we are ALREADY DEAD if we do nothing. A sure sign of a disinformers/minion is one who instills fear by exposing various atrocities, but then gives NO SOLUTIONS or tells people there is NO HOPE. The protocol I teach my clients all over the world is able to reverse all diseases in internal medicine, in people and in pets. Of course, one has to be willing to do what must be done, especially getting off the killer drugs. But one thing we have been sorely lacking is a plan to deal with the treason being committed by the psychopaths causing the destruction of everything that matters. Now, thanks to American hero JB Campbell, WE HAVE A PLAN....please go to <http://www.jbcampbellextremisonline.com/sep-2011---oct-2013.html> - and read his latest essay posted on 11/2/13: [A Simple Plan](#)

**Here is his three-part plan to dismantle the police state and prevent martial law:**

**First part: Neighborhood Watch** to monitor police and federal treachery against citizens;  
**Second part: civilian police review boards** to take control of rogue police departments that indulge in murder and brutality of citizens, and other forms of corruption; and the  
**Third part: bring the military into the resistance.** We know that the psychopaths plan to use the military to wage war against the awakening American citizens; they must be convinced to instead follow their oath to protect us from the enemies *within* the country.

As JB states in his essay, "**We must all think big and take our places as the genuine leaders of this country – if only in self-defense.**" LET'S ROAR, PEOPLE! I don't know about you, but I don't want to just survive here in hell; I want to LIVE in a world free of psychopaths. Unfortunately, the fact that I have taken my radio show off 5 "alternative" radio stations this year (RBN, Orion, Microeffect, These Changing Timez, and most recently Revolution radio due to censorship of my shows with JB Campbell and refusal to post archives), it is self evident that the psychopaths are terrified of the message of American hero JB

Campbell, and are pressuring these stations to keep his information from reaching the slave population. I ask myself, " why do these stations exist? Why have they sold out?" I will not be censored; and I am very grateful to the American Survival newsletter staff that my message is allowed to be relayed to the people with ears to hear, uncensored.

So now I will continue exposing how bad it is. This first item is an example of how we live in "opposite day"; where everything is the opposite of what really is.: "Conspiracy Theorists Are the Greatest Challenge to Democracy According to British establishment mouthpiece BBC": <http://rinf.com/alt-news/breaking-news/conspiracy-theorists-are-the-greatest-challenge-to-democracy-according-to-heres-who> . An important TRUTH you will find here is that **"those who challenge the establishment are also challenging the core of Freemasonry"**. Did you know that the 1<sup>st</sup> third party in this country was the anti-masonic party? [ <http://www.u-s-history.com/pages/h271.html> ] Almost all of the "founding fathers" were freemasons, which is why the constitution does not apply to regular citizens, as has been stated in many court decisions where citizens claim their "constitutional rights" have been violated. (Such decisions actually state that "constitutional rights" can not be claimed as ordinary citizens were not a party to the constitution). To learn about this huge fraud on the people, watch "America's Secret Destiny" by Ralph Epperson at <https://www.youtube.com/watch?v=wmOit3B1vKs> . It will help you see why "constitutional professor" Barack Obama has executive ordered us into complete tyranny under our present police/surveillance state. THE JOKE IS ON US!

One of the alleged "conspiracy theories" involves "chemtrails"; the spraying of people, animals and the entire earth with toxic poisons. As further evidence that the truth is rising to the top of the lies, check this out: "DOD HAS BEEN TRAINING AIR FORCE RECRUITS ABOUT CHEMTRAILS SINCE 1990'S": <http://www.veteranstoday.com/2013/10/30/documents-reveal-chemtrails-originated-at-department-of-defense>

In regards to the latest false flag to give the psychopathic tyrants an excuse to crack down further (always blaming guns, as the disarmament of the people agenda is self evident): <http://beforeitsnews.com/newworld-order/2013/11/lax-shooting-exact-scenario-trained-for-3-weeks-ago-430.html> : "In a stunning disclosure, airport police said in an afternoon press conference that the "exact scenario" that happened today was trained for three weeks ago."; interview on you tube at <http://www.youtube.com/watch?v=IYWY5LdJioQ> . THIS IS THE PATTERN AND PRACTICE FOR ALL THEIR FALSE FLAG OPERATIONS; A "DRILL" GOES LIVE.

Here is a VERY important fact that needs to get out to the military being used by the psychopaths (as outlined in "Silent Weapons for Quiet Wars" available at <http://www.theforbiddenknowledge.com/hardtruth/silentweaponsforquietwars.htm> ): SEAL TEAM 6 WAS SET UP: <http://www.forbiddenknowledge.com/videos/criminal-mainstream-media/seal-team-6-was-set-up.html> . READ THIS IMPORTANT INFORMATION AND FACE THE EXTENT TO WHICH YOU ARE BEING HOODWINKED BY THE PSYCHOPATHS:

" According to newspaper accounts throughout the Muslim world at the time, **Osama Bin Laden died of renal failure in December 2001**. All those tapes broadcast by the US Criminal Mainstream Media shortly after the horrors of 9/11 were either produced by the CIA, using doubles - some of whom were extremely unconvincing, like the obese, dark-skinned "Obama" gloating about the victory of the destruction to the Twin Towers and the Pentagon,

which played endlessly, on US television, thousands of times, over and over again - or else the videos were filmed years previously and edited to conform to the Bush-Cheney-Wolfowitz=Rumsfeld narrative. If anyone paid close attention to these tapes, one would see him with a gray beard in one, followed a black beard in a subsequent release. Bin Laden had a genetic condition that caused renal failure and he had been on dialysis before 9/11. Nobody with renal failure and undergoing dialysis performed in a "cave" would not have a life expectancy of ten years. Nobody. According to alternative journalist, Ann Barnhardt, "There was no dialysis equipment found in the compound the SEALs raided on May 2, 2011. Of course there wasn't. Bin Laden wasn't in that compound because Bin Laden [had] been dead for years." His "body" was "positively identified" faster than any known DNA testing technology in existence - and not in a lab - but inside a US military helicopter, scrambling towards a US Supercarrier in the Indian Ocean, into which "Osama's" body was promptly dumped, allegedly in accordance with Muslim traditions (NOT!) - but actually, more similarly to a Viking Funeral. Not a single picture of "Bin Laden's" corpse has ever been released - and it never will.

The entire Bin Laden episode was baloney, designed to give Obama a boost prior to the 2012 Presidential Election and possibly to distract from allegations stemming from Dr. Jerome Corsi's meticulously-researched book, 'Where's the Birth Certificate,' which was just then going into pre-sales, promptly becoming Amazon.com's #1 bestselling book, a full 28 days before its physical release into the book market. In response, the White House quickly posted a PDF image, incorrectly termed a "scan" of his original long-form Hawaiian birth certificate. Within hours, thousands of graphic designers, many of whom were self-professed Obama voters and supporters, isolated and demonstrated that the PDF released by the Obama Administration was not just a forgery, but an astoundingly incompetent and obvious [forgery](#). The mainstream press was completely complicit in the cover-up of the forgery, but the Obama regime still needed a big distraction and they needed it fast. They had been planning on staging a Bin Laden capture during the middle of the campaign in 2012, but it would have to be moved up to now. Soon, the Obama Administration gleefully leaked that the raid was carried out by "SEAL Team 6", also known as DEVGRU. As Ann Barnhardt writes, **"Up until this point in history, all DEVGRU activities and information had been highly classified. Now, the term 'SEAL Team 6' was blasted across every newspaper in the world, with Disney even moving to trademark the name."**

On May 6, 2011, Obama traveled to Ft. Campbell, KY to "meet and congratulate" SEAL Team 6 members, with huge press coverage. Exactly three months later, on August 11, a Chinook helicopter was shot down in Wardak Province, Afghanistan and before family members could be notified, global press accounts positively confirmed that 22 of the 38 Americans killed were not just SEALs, but members of SEAL Team 6. This kind of announcement is in complete defiance of how the deaths of SPECIAL OPS are ever to be handled, as the maintenance of the secrecy of both the operations and the teams involved is paramount.

The Obama regime's lapdog press instantly splashed headlines, declaring this as the Taliban's "REVENGE" for the "death of Bin Laden." The Obama regime is almost certainly directly

complicit in these deaths. The time, location and most especially, the passengers in the Chinook were passed to the Taliban. Additionally, you can't take out a Chinook with small arms fire or even standard RPGs such as the Taliban use. The Taliban needed serious weaponry to take this craft down, and it needed to be in exactly the right spot at exactly the right time.

Why would the Obama regime kill Americans?

1. The men on board the Chinook may have been the same men who participated or had direct knowledge of the staged Bin Laden raid and were killed to permanently silence them.
2. These DEVGRU men were killed to send a signal to the surviving DEVGRU men who carried out the Bin Laden raid to **keep their mouths shut.** AS I HAVE LEARNED PERSONALLY, SUCH IS THE PENALTY FOR SPEAKING THE TRUTH HERE IN THE LAND OF THE **FEE** AND THE HOME OF THE **SLAVE**. Welcome to Amerika!

Another atrocity under Obamacare can be discovered at <http://nationalreport.net/rfid-mascot-chippie-nationwide-tour> ; RFID Mascot Begins Nationwide Tour To Help Alleviate Children's Fears Of Implantation. "In an effort to separate myth from truth regarding the **federally mandated Obamacare RFID chip implantation program**, a public awareness campaign has been launched to tour in a number of public schools across our nation. The operation features a jovial animated mascot, a cartoon RFID chip named "Chippie". They use the character to demonstrate to their young audience the benefits of having the RFID implanted under your skin." THE MARK OF THE BEAST HAS BEEN MANDATED BY OUR PSYCHOPATH IN CHIEF. Will you stand up and say NO?

In closing, be advised of one of our new "mental illness" diagnoses in the latest edition (V) of the Diagnostic and Statistical Manual: "**COMPLICATED GRIEF**" <http://www.complicatedgrief.org> . So now you will be referred for psychiatric treatment if you continue to grieve the loss of your loved one for more than a couple of weeks. However, Allen Frances, Psychiatrist and **former DSM-IV Task Force Chairman** has stated: "There are no objective tests in psychiatry-no X-ray, laboratory, or exam finding that says definitively that someone does or does not have a mental disorder. There is no definition of a mental disorder." **"It's bull—, I mean, you just can't define it."** <http://www.youtube.com/watch?v=yuCwVnzSjWA>

I will leave it there for this week...much more to follow. Please spread the word....
