

What's Ailing America?
GOVERNMENT CREATED HIV & THE SPECIAL VIRUS CANCER PROGRAM
OBAMACARE & THE GOVERNMENT SHUTDOWN

On my show on 9/28/13, I discussed the work of (now deceased) Dr. Boyd Graves, who documented that HIV was created by the mad scientists here in the US as part of the Special Virus Cancer Program (SVCP) which was funded by the US government between 1962-1978. You can listen to the archive of that show at <http://thelightofdayradioshow.com/archives/RBN-BACKUP/commercialFree.html> . (In the 2nd half of the show, caller Werner Bock (Canadian cattle farmer whose cattle have been killed and mutilated for years) gave an update on his persecution for continuing to press for answers, and caller Bill discussed how disinformers on RBN are now having guests on who claim that the Federal Reserve is NOT a private Bank; one host, Deanna Spingola, is doing so despite the fact that a book she wrote has many references explaining how the Federal Reserve IS a private bank). It is mind boggling how many people who started out trying to wake people up as to what is really going on are now selling their souls for cash. This is why I always tell people not to believe anyone, INCLUDING ME. You must check things out for yourself, as we have been lied to about EVERYTHING. This is why I spend so much time in my newsletters giving links you can start with to verify what my research has revealed.

Dr. Boyd Graves not only documented how HIV was created in a laboratory, but that the creator (Dr. Robert Gallo) had patented his creation in 1984 (patent #4647773; see <http://aidseugenics.blogspot.com/2008/01/united-states-patent-4647773-gallo.html>). His research documented that the creation of HIV was funded by House Resolution 15090 on 6/9/69 (see <https://www.youtube.com/watch?v=eRC8ccRLvfi>). The depopulation agenda for which this virus was created was outlined by psychopath Henry Kissinger. "The population-control ideology and the means to achieve it can be found in a U.S. executive-level government document entitled National Security Study Memorandum 200 (NSSM 200), published in 1974 and declassified in 1989. Although this plan of action was to be activated in developing countries, it was designed as a two-edged sword that could be swung with equal determination in both developed and developing countries alike. The document was signed by Henry Kissinger and directed to the secretaries of defense, agriculture and central intelligence, the deputy secretary of state, and the administrator of the Agency for International Development, with a copy to the Joint Chiefs of Staff." <http://www.lifesitenews.com/war-on-family/nssm200>

Many you tubes of Dr. Boyd Graves can be accessed at http://www.youtube.com/results?search_query=dr+boyd+graves&oq=Boyd+Graves&gs_l=youtube.1.1.0j0i5.46056.52402.0.54790.11.11.0.0.0.0.277.1692.2j6j3.11.0...0.0...1ac.1.11.youtube.83KySEemjzo . [graves-rip.html](#)). Not only did he discover the smoking gun proving that government mad scientists developed HIV as a weapon of depopulation, he also discovered that they had patented the CURE for AIDS called TETRASIL (patent 56769770, composed of silver & oxygen (<http://www.scribd.com/doc/17224378/AIDS-CURE-US-Patent-5676977>). No doubt this is how Magic Johnson was cured of AIDS; of course, he was obviously told never to mention the cure.

Dr. Boyd died of mysterious circumstances on 6/18/09 after he had alerted Presidents Clinton & Obama, Senator Feingold and others in government as to what he had documented. This is how it works in the country with the most corrupt government on the face of the planet; this is what you are paying for with your tax dollars (the creation of bioweapons against the people, and the murder of anyone who brings their evil into the light). Having had 3 attempts on my life since I started doing this work 16 years ago, I know it is just a matter of time before I get my reward for speaking the truth. And I will finally go on vacation and get out of this hell on earth, where the majority of the population sticks their heads in the sand and keeps waving their flags, aiding and abetting their own destruction with their silence. Will enough citizens ever choose courage over inaction due to fear that there is nothing that can be done to stop the psychopaths destroying everything that matters? Will they do so before the enslavement and genocide of humanity is a done deal? That depends on each one of YOU.

In the meantime, the traitors in the district of criminals have allowed a government “shut down” to commence today, 10/1/13, on the same day that “Obamacare” kicks in. Traitor in chief Obama went on air yesterday to announce that of the 2 million civilian and 1.2 million active duty military who are federal employees, the shutdown will affect approximately 800,000 “non-essential” personnel. Of course, the 1st question that comes to mind is: WHY ARE 800,000 EMPLOYEES PAID BY THE GOVERNMENT IF THEY ARE NON ESSENTIAL? Those non essential employees will now go on furlough; i.e., a forced vacation. Did you know that in prior shutdowns, Congress passed bills to pay them retroactively? That’s right; just as occurs when psycho cops murder citizens and are put on paid administrative leave (vacation), the same thing will likely occur with these 800,000. It was mentioned on C Span this morning by one of the talking heads that the COST of the last shutdown 17 years ago was \$1.4 BILLION. So, we can multiply that a few times (depending on how long the shutdown lasts). That can be added to the federal debt. And if Congress does not increase the federal debt limit AGAIN by October 17th, the government defaults on its debt (mostly to the Federal Reserve for their usury fee for printing their federal reserve notes). I have mentioned before in my newsletter that both Iceland and Hungary kicked the banksters out of those countries, which is the only way we will ever escape this financial theft of the citizens. Of course, our Congress will never do so, as they are but mere puppets for their controllers. They care only about themselves, as was proven once again when the senate refused to agree to the Vitter amendment, which would have mandated that Congress accept the same Obamacare they are forcing on everyone else.

The best thing, in my opinion, that will occur with the government shutdown is that research programs funded by the federal government will have to stop. New patients won’t be accepted into clinical research trials funded by the NIH to be used as experimental lab rats. The 1,300 biowarfare labs in the US will have to suspend their creation of bioweapons.

In regards to Obamacare, I will be doing a show this Saturday, 10/5/13 at 1 PM EST on Sallie Elkordy's show (Ban vaccines 2013) on www.freedomslips.com on this subject. Some of the important facts that the mainstream media is NOT reporting include:

1. Home invasions and abductions of children by CPS workers for almost any reason will commence in January 2014 (<http://thecommonsenseshow.com/2013/08/17/the-mother-of-all-conspiracies-aimed-at-our-children>)
2. Door to door identity theft likely under Obamacare (<http://www.infowars.com/door-to-door-identity-theft-likely-under-obamacare>)
3. Death panels in Obamacare (<http://www.wnd.com/2013/01/more-evidence-of-death-panels-in-obamacare>)
4. The government will have real-time access to an individual's bank account and will have the authority to make electronic fund transfers from those accounts (<http://es.insurance008.com/obamacare-government-access-bank-account-libs-defend-thisgt>)

I was sent one reference as to how to get out of Obamacare:
