

What's Ailing America?

ONGOING WAR AGAINST HUMANITY

Rebecca Carley, MD

www.reversingvaccineinduceddiseases.com

I receive calls and e-mails from people who make statements such as the following on a regular basis:

EVERYTHING HAPPENS FOR A REASON

GOD WORKS IN MYSTERIOUS WAYS

VENGANCE IS THE LORD'S ("Vengeance is Mine, I will repay, says the Lord" Romans 12:19)

It is self evident, in my opinion, that these are excuses to do nothing about the ever increasing horrors happening all around us which we are paying for. Unfortunately, *avoidance of reality* is a death sentence for people, nature and the planet itself. I continue to do all I can to shine a light on the psychopaths destroying everything that matters in an attempt to motivate those with a conscience to do something, ANYTHING, to turn things around. We can do it; in fact, we are the only ones who can. A TSUNAMI STARTS WITH A RIPPLE!

I highly suggest you read JB Campbell's latest essay, "Communist America", available at <http://www.jbcampbellextremismonline.com/sep-2011---oct-2013.html> . His essays are direct, to the point, and filled with undeniable truth; such as the following paragraph:

"There is probably no one who better fits the description of a totalitarian than the current director of the Nastiest Shithouse in America, Keith Alexander. Total surveillance is, again, the hallmark of a Communist dictatorship and Alexander has taken this practice to a level of totality that has stunned the world. He has destroyed humanity's expectation of privacy. Edward Snowden in return has destroyed Alexander's veil of secrecy and has revealed the entire spy industry – all sixteen agencies – to be an inbred pack of gutless, degenerate liars and murderers who have been waging a hidden war on virtually everyone in the world. The CIA and military assassins, kidnappers and torturers are supplied information on their victims by the NSA eavesdroppers. Then we learn from Snowden that Alexander's NSA turns over all raw data on us Americans to the Mossad." TREASON ON STEROIDS.

Another important article entitled "[There are monsters and then there are really sick monsters](http://therebel.org/index.php?option=com_content&view=article&id=705233:there-are-monsters-and-there-are-monsters&catid=136:editorial&Itemid=1229&acm=373_907)" is available at http://therebel.org/index.php?option=com_content&view=article&id=705233:there-are-monsters-and-there-are-monsters&catid=136:editorial&Itemid=1229&acm=373_907 , where the following is stated:

"This is an open letter to our ruling elite and its shills. For centuries now you have brought death and misery upon us. If we don't stop you soon, you will kill or enslave all of mankind. Having power over other humans brings along responsibility for their well-being. You and your ancestors had plenty of opportunity to make this world a better place. Instead you supremacist, self-chosen, parasitic psychopaths chose to treat us like cattle.

1. You have murdered hundreds of millions of us in wars for your selfish financial and political gains.
2. You have starved to death hundreds of millions of us because of your hate and greed.
3. You have killed millions of us with your false flag terrorism.
4. You burned us by the hundreds of thousands with phosphor and atomic bombs.
5. You have stolen our water, land, towns and livelihoods.
6. You have enslaved us with your taxes, interest, rents, and your inflated home and energy prices.
7. You have destroyed our families and marriages with your promotion of feminism, promiscuity, homosexuality, single parenthood, divorce, third-date-sex and cohabitation
8. You have poisoned our children with your drugs and perversions.
9. You have destroyed our health with your pollution, poisoned food, pharmaceuticals and depleted uranium.
10. You have sedated us with your fluoridated water, professional sport, sex, music and television.
11. You have filled our heads with your perpetual lies and deceptions on just about anything we know.

And just when you think it can't get any worse you embodiment of Satan embark on introducing a one world global dictatorship. You are making preparations to microchip, cull and enslave us like cattle. You genetically modify our staples such as rice and wheat, to make them resistant to the diseases you are about to spread so that you can control the production and availability of food. You are not just sickingly greedy, you are hell-bent to spread evil and destroy the world.

This is not just an open letter, it is a declaration of war."

Obviously, although there are consequences to telling the truth here in hell, these 2 authors and myself are not intimidated by the fearmongering of the psychopaths and their shills. WE ARE ALREADY DEAD IF WE DO NOTHING TO STOP THESE PREDATORS OF HUMANITY. So, STAND UP NOW! Be a hero to your children!

Further facts to get you off the couch of inaction:

A Drone Warrior's Torment: Ex-Air Force Pilot Brandon Bryant on His Trauma from Remote Killing http://www.democracynow.org/2013/10/25/a_drone_warriors_torment_ex_air "After he left the active duty in the Air Force, he was presented with a certificate that credited his squadron for 1,626 kills." He claims the people of the US GAVE THEM PERMISSION to do this...when his drone killed a child, it was reported that the child was a DOG." Let these killers know that Americans DO NOT give them permission to commit such crimes against humanity.

<http://www.scribd.com/doc/9651/Rebuilding-Americas-Defenses-PNAC> (see p 60; "**advanced forms of biological warfare that can "target" specific genotypes** may transform biological warfare from the realm of terror to a *politically useful tool*".) THIS WILL BE DONE WITH TARGETED BIOWEAPON VACCINES; and, once again, the psychopaths have documented their genocidal intentions. EXHIBIT A for targeted biological warfare using vaccines: <http://www.occupycorporatism.com/plan-b-unveiled-who-announces-polio-arrives-in-syria> . The "cluster of flaccid paralysis" reported is due to the polio vaccine, just as occurred in India; <http://www.digitaljournal.com/article/323371> ""In 2011, there were an extra 47,500 new cases of

NPAFP [in India]. Clinically indistinguishable from polio paralysis but **twice as deadly, the incidence of NPAFP was directly proportional to doses of oral polio received.**”

The **cooking of humanity** [with microwaves] is discussed in this interview with scientist Barrie Trower: <http://www.youtube.com/watch?v=JojdEH0nzos&feature=youtu.be>

New China H7N9 strain gives kick to mutant bird flu research.

<http://www.reuters.com/article/2013/10/23/us-birdflu-mutations-science-idUSBRE99M06P20131023> . UNBELIEVABLE that they ADMIT the following: “Dutch scientists hidden away in a top-security laboratory are **seeking to create mutant flu viruses**, dangerous work designed to **prepare the world for a lethal pandemic by beating nature to it.**” Rarely are the intentions of the mad scientists stated in a more straightforward manner.

Next: EUGENICS OF THE ELDERLY. A recent show I did on this can be accessed at http://blogtalk.vo.llnwd.net/o23/show/5/612/show_5612777.mp3 . On this show I discussed with host Roger Noorthoek (who witnessed the murder of his mother in a nursing home) the following FACTS:

1. When you sign the admitting papers at a nursing home (or a hospital for that matter), the patient is basically abdicating all their rights and allowing “whatever the medical team deems necessary” to be done to them. READ THE FINE PRINT!
2. Patients in nursing homes are routinely given yearly flu & pneumonia shots which contain aluminum and mercury, which cause Alzheimer’s. Suddenly the parent/ grandparent doesn’t remember his children/ grandchildren. This often destroys the family bond.
3. They keep them alive as long as they have good insurance; when that runs out or when the estate is dried up, the outright murder by medicine ramps up.
4. If the patient is quite wealthy, they will be given a drug cocktail which turns them into zombies. They will then be ruled “incompetent”, and a **guardian ad litem** will be appointed that will take control of all their assets; sell their homes and belongings, wipe out their bank accounts, and pay themselves and various predators for any “service” they can think of until every dime is gone. If a family member tries to stop this, they will be deemed a “danger” to their loved one, and denied any access or visitation. The patient will be told that their family member doesn’t care about them as a reason why visits have stopped. FURTHER TRAUMA.
5. There is a group of parasite doctors, the worst of the worst, who prey on the elderly at nursing homes and hospitals and pick them up as their “patients”. They are called **hospitaliers**. These bottom dwellers appoint themselves “attending physicians” and basically have total control over their “patients”. You can’t fire these parasites, as most doctors don’t have “visitation rights” once the patient is admitted and the hospitalier has taken control. The hospitalier will order every test under the sun covered by the elderly patient’s insurance, especially daily blood tests resulting in anemia and subsequent blood transfusions when the insurance is used up (one of the most efficient methods of killing these elderly patients). Needless to say, true alternative care practitioners will never get in the door; not even a vitamin will be allowed to be given to these medical captives. “Nutrition” consists of red or green jello.
6. These hospitaliers (who are MD’s that can’t get a job anywhere else) get rich off of this. They “follow” the patients when they get transferred into nursing homes and make a “cash run” where they

see each for 5 minutes, prescribe some new drug and collect \$200 a person for their “services”. \$1,200 for half an hour’s “work”. Quick, dirty, easy money.

7. TO GET INTO THE NURSING HOME, A “FINANCIAL SNAPSHOT” IS DONE (TO SEE HOW MUCH CAN BE STOLEN FROM THE ELDERLY VICTIM). If a financial gift has been given to a family member in the past 3 years (for college or whatever), that will have to be GIVEN BACK.

8. Once they are on a ventilator it is basically over, as it is almost impossible for an elderly person to be weaned off a ventilator. They are doing this to maximize the insurance payout and make sure they never escape except to the morgue. Being on a ventilator is *extremely* painful for the patient. The intubation itself is like being “raped in the throat”; and if it is done with no medication to relax the patient, the stress of intubation itself can cause a massive heart attack.

9. The patients become totally disoriented when in ICU by the 24/7 bright lights, which destroys the sleep wakefulness cycle. Also, every 2 hours they are turned over supposedly to prevent bedsores. The fact that their sleep is regularly interrupted causes further delirium.

10. Most of the “diagnostic tests” have dangerous side effects in themselves.

11. “Informed consent” is nonexistent. The true dangers of what they do are never revealed, and there is NO discussion of “alternatives”. Only big pharma treatments are allowed.

12. They ban supplements / nutritional products on the pretext that they interfere with the medicines.

13. The “integrated/complementary” medical practitioners are just conventional doctors that give a few vitamins in addition to big pharma. It is a marketing gimmick.

14. If you try to stop the evil they call the cops on you, and you are banished from the hospital (therefore prevented from further witnessing and documenting the murder by medicine).

15. They literally put DOZENS of different drugs in them. For example, Coumadin, a RAT POISON, is given as a “blood thinner”

In closing, here are a few other links to check out if you CAN handle the truth:

Fuel Removal From Fukushima's Reactor 4 Threatens 'Apocalyptic' Scenario
