SLAVES DO NOTHING PRODUCTIVE ABOUT ONGOING GENOCIDE

So, the traitors in the District of Criminals have reached an agreement to create a framework to establish a timetable to pass a bill that allows them to restart talks that will permit another government shutdown to happen again in January. The over 800,000 “non-essential government employees” can look forward to another paid vacation, costing billions.

As the usual dog and pony show took place during the house vote, an amazing thing happened when a house stenographer uttered words of truth for which she was dragged from the house floor by capital police and taken to a local hospital for a mental exam. What she said was the following: “The greatest deception here is that this is NOT “one nation under God”. It never was. The constitution would not have been written by FREEMASONS that go against God”:

<http://www.onenewspage.co.uk/video/20131017/1457387/House-Stenographer-Bizarre-Rant-What-Happened.htm>

Of course, the few mainstream media outlets who reported this referred to it as a “bizarre rant”. One democratic house representative (likely a freemason like all the rest) was quoted as saying “she had a kind of CRAZED LOOK as she delivered the rant”. None of the media whores reported that everything she said was TRUE. As always occurs, anyone who speaks truth to psychopaths is deemed “mentally ill” for doing so. In my case I was deemed to have a “delusion of conspiracy” by the psychiatric psychopaths. Hence, my never ending exposure to anyone with a conscience as to the conspiracy realities destroying everything that matters. As I always say, you are already dead if you do nothing. This becomes more obvious EVERY DAY. Do not beLIEve ANYTHING I (or anyone else) says; CHECK THINGS OUT FOR YOURSELF. And if you have a conscience, do SOMETHING, ANYTHING to stop the psychopaths destroying our planet, our DNA, our lives....EVERYTHING. If you do nothing, your silence is CONSENT. And if your idea of doing something is to write your congressional foxes to complain about what they are doing to kill the chickens, you really don't get it.

As exhibit A, please check out the article “NYC Mayor is Calling a Meeting to Force Vaccinate Under 5’s With Two Dangerous vaccines” posted at <http://vactruth.com/2013/10/21/nyc-vaccine-mandate> . Author Christina England states that “Mayor Michael Bloomberg of New York City has called for a public hearing on Wednesday, October 23, 2013, recommending that all children under the age of five whose parents want them to attend day care facilities be vaccinated with the annual flu vaccination and pneumococcal vaccines before they are accepted.” What is her solution? Not to “just say NO”, to stand up and refuse the injection of bioweapon vaccines into your children. Instead, she instructs her readers to **Voice Your Concerns Now!** “To attend this meeting and give your views on October 23, 2013, you will need to contact Roslyn Windholz, Secretary to the Board of Health, New York City Department of Health and Mental Hygiene at (347) 396-6078, extension 6116. The meeting will be held from 10:00 a.m. to mid-day at New York City Department of Health and Mental Hygiene, Gotham Center, 42-09 28th Street, 14th Floor, Room 14-45, Long Island City, New York. To pre-register to speak at the hearing, contact Roslyn Windholz at the address or phone number above before October 23, 2013. The Department will also consider written comments about the proposed amendment. Written comments must be received by the Department on or before the date of the hearing. Written comments can be mailed to Roslyn Windholz at the address above. They may also be submitted by e-mail to resolutioncomments@health.nyc.gov or posted electronically (without attachments) at either <http://www.nyc.gov/html/doh/html/about/notice.shtml> or through NYC RULES at www.nyc.gov/nycrules.

DOES SHE REALLY BELIEVE THAT THESE PSYCHOPATHS DON’T KNOW EXACTLY WHAT THEY ARE DOING, AND THAT ATTENDING A MEETING OR SUBMITTING WRITTEN COMMENTS IS GOING TO ACCOMPLISH NOTHING? Why aren’t parents being told to protect their children by JUST SAYING NO?

(Note that Boomborg has been chosen as the winner for the “Jewish Nobel Prize”:
<http://www.usatoday.com/story/news/world/2013/10/21/israel-awards-bloomberg-1-million-jewish-nobel/3142375>). The article states: “Bloomberg beat out 200 other nominees for the prize, which the foundation said was established “to recognize exceptional human beings who, through their outstanding achievement, come to represent a fundamental value of the Jewish people — a commitment to the ***betterment of mankind.***” I stated in last week’s article that their plan was to “utterly exhaust humanity” as published at the end of the 10th protocol of the Learned Elders of Zion, in which INOCULTATION WITH DISEASES is listed in capital letters. However, remember Menachem Begin, the Prime Minister of Israel from 1977 to 1983? **Here is what he told the Knesset in 1982: "Our race is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle (goyim) at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of irons. The masses will lick our feet and serve us as slaves."** Quoted in the *New Statesman* June 25, 1982.

An excellent video that everyone who thinks that complaining to the political foxes behind the genocidal bioweapon vaccines (or any of their other psychopathic “policies” mandated by their puppetmasters) can be found at <http://www.brasschecktv.com/videos/government-corruption-1/how-politicians-see-you.html> . What is it going to take to get people to face reality?

Here are a few links to further educate you as to how obvious the ongoing genocide is:

http://vaccinenewsdaily.com/vaccine_development/327830-gavi-alliance-on-track-with-child-vaccination-goals . “The GAVI Alliance is on track to meet its goal to expand immunizations in developing countries to an additional 243 million children before 2015, which could save [i.e. WIPE OUT] approximately 4 million lives, according to a report released on Monday.” If you are not aware of how GAVI is involved in the corrupt world of global vaccine politics, you MUST read the article “A Dragon by the Tail” posted at <http://whale.to/vaccines/reagan.html> . This is the best expose’ I have ever seen regarding how corrupt these vaccine promoting agencies are.

People of India continue to be a target of Big Pharma’s killing machine (known as “clinical trials”); check out “Thousands of citizens in India killed by reckless Big Pharma drug trials” at http://www.naturalnews.com/042580_India_Big_Pharma_drug_trials.html#%23ixzz2iMNoaNSh#ixzz2iSSUCp5F .

The “vaccines are good” propaganda continues in the LIVE FREE OR DIE state of NH: http://vaccinenewsdaily.com/vaccine_development/327602-new-hampshire-announces-new-adult-vaccination-campaign . “The campaign is based on three key points [i.e., LIES]: vaccines are safe, healthy adults should receive vaccines to protect individuals who cannot and adults should make vaccination a part of routine healthcare.” At https://en.wikipedia.org/wiki/Live_Free_or_Die , it is stated “**Live Free or Die**” is the official motto of the U.S. state of [New Hampshire](#), adopted by the state in 1945.^[1] It is possibly the best-known of all [state mottos](#), partly because it speaks to an assertive [independence](#) historically found in [American political philosophy](#) and partly because of its contrast to the milder sentiments found in other state mottos.

The phrase comes from a toast written by General [John Stark](#), New Hampshire's most famous soldier of the [American Revolutionary War](#), on July 31, 1809. Poor health forced Stark to decline an invitation to an anniversary reunion of the [Battle of Bennington](#). Instead, he sent his toast by letter:

Live free or die: Death is not the worst of evils. A truth which any one in NH who allows themselves to be injected with a bioweapon vaccine will surely discover as they are struck with a vaccine induced disease.

One of the most hilarious articles about “anti vaccination activists” can be found at <http://www.theguardian.com/commentisfree/2013/oct/16/anti-vaccination-activists-should-not-be-given-a-say-in-the-media> . **Anti vaccination activists are now compared to members of the “flat earth society**. Here we learn “there’s a term to describe giving more time to opposing view points than the evidence actually supports – **false balance**...A recent [study](#) reports that stories about vaccines that include false balance are actually more dangerous than those that are purely anti-vaccine. Yes, you read that correctly. **Stories that offer both sides of the coin can have a greater negative influence on people’s decision to not vaccinate than those that are purely anti-vaccine.**” Further proof the vaccine promoters are losing face as they cannot refute the truth (which is why I have had no takers for my \$10,000 reward posted at www.drcarley.com 7 years ago for any vaccine promoter to refute my information).

But have no fear; Bristol-Myers Squibb launches partnership to cure chronic diseases [that they have created]:
