

What's Ailing America?

THE UNWRITTEN LAW OF JEWISH CONTROL (AND DESTRUCTION OF) AMERICA

On my show on 10/12/13 (archive available at http://thelightofdayradioshow.com/archives/RBN-BACKUP/Oct-2013/WAA_10-12-13.mp3), my guest once again was JB Campbell, founder of the militia movement. We discussed his latest essay titled "The Unwritten Law", available at <http://www.jbcampbellextremisonline.com/sep-2011---oct-2013.html>. In my opinion, this is one of the best essays he has written. He begins this essay with the statement "Jewish control of America must be broken, whatever the cost. To do this will require the removal of all Jewish influence and power, which means the destruction of all Jews and Jewish organizations that participate in or support in any way Jewish Rule over our lives." The only way anything will ever change the hell on earth we now find ourselves in is if citizens face reality as to the perpetrators of the pure evil being caused by these psychopaths who Jesus referred to as the synagogue of Satan, the serpent seedline. These descendants of Cain have gone so far as to convince Christians that Jesus was a Jew, and that the Jew psychopaths are the "chosen people". This fraud is one of the main reasons why these predators continue to commit crimes against humanity at every level with no consequence. In fact, to talk about their crimes against humanity has been deemed by them to be "hate speech".

JB has been criticized for the truth that he speaks, and the solution he proposes which minions and cowards claim goes "too far". My response to these people is as follows: "In my opinion JB is one of the few real men who exist in this country, who talks about defending the family from the psychopathic predators who are destroying our finances, our health, and our planet. The last sentence of the 10th protocol of Zion says it all: "It is indispensable to trouble in all countries the peoples relations with their governments, so as to **utterly exhaust humanity** with dissension, hatred, struggle, envy, torture, starvation, BY THE INOCULATION WITH DISEASES, so that the goyim see no other issue than to take refuge in our complete sovereignty in money and in all else." To anyone who believes that the protocols of the learned elders of Zion are a fraud, I suggest you read them...since everything mentioned therein is happening RIGHT NOW.

The Jews control the financial destruction via debt by usury of all countries via the Fed Reserve and IMF, the corrupt courts, the medical mafia and big pharma, Hollywood, the pornography industry, mainstream media, etc., etc. Their "kol nidre" (where they take an oath not to respect any oaths taken, including any oath to follow the constitution, the Hippocratic Oath to first do no harm, etc.) is their loophole to assault humanity with pure evil in all areas.

The Jews are parasites upon the human race. What do you do when you have a parasite in your body? Do you pray for it, send it love, take it to court? No...you DESTROY IT in SELF DEFENSE, as it is robbing you of your very life. JB's DAJA (Defense against Jewish [parasitic] aggression) is the ONLY solution before these psychopaths destroy everything that matters."

I have covered in prior newsletters how the traitors in the district of criminals have passed laws giving control of our country to the Jews. Everything happening now (the government shutdown, the drama as to whether the "debt ceiling" will be increased, etc.) are intentionally designed to DESTROY AMERICA. To make us a third world country, to promote chaos which will be used as an excuse to declare martial law, etc. One of the main strategies that the psychopathic controllers use to distract from the true

problem is using their “divide and conquer” strategies. The faux “Republican vs. Democrat” dog and pony show is a perfect example of this. They are ALL forced to pledge loyalty to Israel, which is treason in itself. Cynthia McKinney refused to do so, and was run out of Congress because she stood up. Another hero in our midst who did the right thing, and paid the price.

As evidence of how much “alternative” media is now being controlled by these psychopaths, I have resigned from 4 internet stations who were carrying my show “What’s Ailing America?” this year; RBN, Orion, Micro Effect and these changing times. My show with JB Campbell on 10/12/13 on Revolution Radio at www.freedomslips.com was censored by the show going offline during the broadcast, and coming back on only during the last few minutes. The producer of the show taped it, which is why the archive is available. I make it VERY clear when I agree to do a show on a network that I will not tolerate censorship in any form. Thus, I announced at the end of this show that this will be my last show on Revolution Radio. It is hilarious that a station with such a name would try to stop the exposure of the psychopaths destroying everything that matters, as well as try to quell the self-evident solution that JB Campbell exposes. This was therefore my last show on www.freedomslips.com; the 5th station I have taken my show off in 2013 due to censorship and/or lack of access to archives. However, I will continue to be interviewed on air by other hosts if and until I find a station that will not censor the truth to bring my show back on air.

A few other links I suggest you check out to see how bad it is:

Did you ask yourself the REAL reason that 2 high level commanders in charge of nukes were fired and replaced with a Jew? If so, go to <http://www.eutimes.net/2013/10/obama-ousts-top-officers-after-nuke-explodes-in-ocean-instead-of-charleston>. Obama wanted Charleston, SC nuked as another false flag to blame on the “terrorists”: These commanders thwarted his plan, and paid the price. This is a good sign that some in the military will not participate in the destruction of our country. If only they would follow their oath to protect us from terrorists WITHIN.

On the inoculation with WMD front, an excellent article has been posted at <http://nsrc.me/2013/05/10/the-vaccine-hoax-is-over-freedom-of-information-act-documents-from-uk-reveal-30-years-of-coverup/#comment-26393>

My comment to this article, which has been posted, says:

“Excellent article which stops just short of calling vaccines BIOWEAPONS, which is what they are. They cause a corruption in the immune system which leads to all autoimmune diseases, seizures not caused by head trauma, cancer and genetic damage, in people and in pets. SIDS is due to vaccines, as are most cases of “shaken baby syndrome”. In short, vaccine-induced diseases is the biggest epidemic the world has ever known. This is a crime against humanity, and the psychopaths behind it must be held accountable.

I started investigating vaccines after my only child was brain damaged 16 years ago. I have a mountain

of evidence proving that this is intentional; creating diseases for which big pharma drugs are then prescribed which cure nothing, but cause additional side effects. I developed a protocol to reverse all these diseases with natural therapies, and have experienced the wrath of the medical mafia for speaking the truth.

Millions of people have turned to natural therapies even though they have to pay out of pocket, resulting in the Obamacare mandate of insurance which covers only big pharma therapies. People who comply will be forced to get vaccines to keep their insurance...murder by medicine will continue.
