

What's Ailing America?
CRIMINAL CONSPIRACIES AGAINST THE PEOPLE

So we have just experienced another obvious false flag attack at the naval shipyard in the district of criminals. The good news is that the ever increasing number of awakened Americans figured out that this was another false flag immediately; the assumptions made by many was that it was another distraction, a shock and awe campaign to horrify citizens but especially to give our traitor in chief another photo op to speak about how important it is to take guns away from American citizens. Which he did, just like after the false flag Newtown school shooting, the false flag Boston marathon bombing, etc.:

<http://dailycaller.com/2013/09/23/obama-demands-gun-curbs-laments-gun-rights-in-navy-yard-shooting-speech>

In this article it states that “Obama suggested that better security and expanded mental-health services might avert some shootings. But he said the main need is some means to “take the basic, common-sense actions to keep guns out of the hands of criminals and dangerous people.”

CRIMINALS AND DANGEROUS PEOPLE? Who are they? Obviously they are the traitors in the district of criminals...Obama being at the top of the list. The psychopath sending drones to spy on and kill Americans...the monster who is colluding with his Talmudic handlers to destroy this country, in collusion with our “representative” traitors in the district of criminals. However, apparently this navy yard false flag had a very special purpose; that being to PREVENT THE ARREST OF OBAMA FOR TREASON!

If you don't check out any other links in this newsletter, PLEASE CHECK OUT THIS ONE. This report is highly referenced and rings true; especially after Napolitano recently resigned and got out of dodge with the warning on ABC News Aug 27, 2013: “A massive and “serious” cyber attack on the U.S. homeland is coming, and **a natural disaster — the likes of which the nation has never seen — is also likely on its way.**” **The only way anyone could know that there is “a natural disaster — the likes of which the nation has never seen — is also likely on its way” is if you are the one planning and preparing it.** “You also will have to prepare for the increasing likelihood of more weather-related events of a more severe nature as a result of climate change, and continue to build the capacity to respond to potential disasters in far-flung regions of the country occurring at the same time. “You will need a large bottle of Advil,” Napolitano joked.

This article states the legal definition for conspiracy – “An agreement between two or more persons to engage jointly in an unlawful or criminal act, or an act that is innocent in itself but becomes unlawful when done by the combination of actors”.

A conspiracy is codified as a criminal offense. A conspiracy is not fiction, made up, make belief or theory. A conspiracy is an indictable offense wherein – *two or more persons engage jointly in an unlawful or criminal act*. The evidence reveals that Obama, the DHS, FEMA and other agencies of the United States are actively conspiring to levy war against the United States through another false flag – an unlawful or criminal act.

Of course, government paid shells respond to divert attention from the real puppetmasters; if you replace the “Vatican” with “Talmudic jews” in the comments made by “press core” on this site, you get the big picture of what is going on. The Vatican is obviously satanic, and controlled by the same NWO puppet masters that control the majority of the globe through debt induced slavery. The self evident terror threat in the world is the U.S. government, controlled by Talmudic psychopaths; THE ENEMY OF THE HUMAN RACE.

As soon as the patsy had been identified for the navy yard shootings, it was reported all over the mainstream media that he had reported “hearing voices and being microwaved”. Of course, the talking heads all attributed this to him being “mentally ill”. However, it has been WELL documented that the military (ESPECIALLY THE NAVY) has been experimenting with mind control (research MK Ultra) and creation of Manchurian candidates to carry out missions to benefit the psychopaths who control the world. A VERY important interview with Dr. Barrie Trower (who has been exposing the black ops technology being used to control the population and cause mass genocide) explains many aspects of this technology; including microwaves and voice to skull technology obviously used on the navy yard (alleged) shooter patsy to make him hear voices can be found at : https://www.youtube.com/watch?feature=player_embedded&v=ZdB-tbzJSrk#t=607 . I STRONGLY SUGGEST YOU LISTEN TO THIS, as you and your family are being affected with these satanic technologies (THAT YOU ARE PAYING FOR) as well.

Speaking of genocide and destruction of health, on my show “What’s Ailing America?” on 9/21/13, anti-vaccine songwriters spoke out about bioweapon vaccines with music. Guests were Sallie Elkordy (Ban Vaccines 2013, <http://billiontoddlermarchforsurvival.blogspot.com>), Michael Belkin of the Refusers, Ronnie Prine & Joe Jones. Michael Belkin’s daughter was murdered with the Hepatitis B vaccine, given at birth. You will hear him explain how the medical examiner initially reported finding massive brain inflammation (a hallmark of vaccine induced encephalitis), but then changed that report after the fact, Michael learned by attending many dog and pony show hearings regarding vaccines how huge the cover-up is regarding vaccine induced diseases, and turned to music to wake people up as to the necessity of investigating the truth about bioweapon vaccines. You can find the 2 part archive of this show at:

<http://thelightofdayradioshow.com/archives/RBN-BACKUP/commercialFree.html> .

In a “twilight zone” moment on the show, father Ronnie Prine (whose child starting having seizures after a DPT vaccine which caused such massive brain damage that he is now an “adult” the size of a 5 year old, unable to do anything) mentioned that his wife is an RN. When I asked him if she warns people about what vaccines did to her child, he replied that “she is not allowed to unless they ask about vaccine side effects first”. So much for “informed consent”.

Songwriter Joe Jones sang a song he composed for a woman named April who “wants her son back” from his vaccine induced autism. Yet, no one has referred her to me to get a consult,

even though my protocol has reversed over 4,000 cases of autism (as well as all other autoimmune diseases, non-traumatic seizures and cancer). This does not compute.

Funny how the psychopaths in white coats in Amerika continue to deny side effects to vaccines...

Toxic effects of formaldehyde (one of ingredients in vaccines):

Yet, formaldehyde continues to be injected into children; but one of many CRIMES AGAINST HUMANITY.

In closing, if you go to the movie "Prisoners" being promoted on all the talk shows (where the horrors of child abduction are portrayed), remember that under Obamacare, starting in January 2014, home invasions by psycho cops will include CPS workers who will be kidnapping your children for ANY reason (to be used for child pornography, experimentation with psych drugs, global pedophile rings, etc.) SILENCE IS CONSENT. Maybe that is what it will take for the mind controlled sheep in this country to finally stand up....
